Foot: Senior ready for big kick

Continued from Page 12A "I just thought well, I'm going to play football," Hoffman said. "I don't know what that's going to entail,

but I just went for it.' Playing alongside players who had trained for months to get ready for the season, Hoffman looked for an opportunity to contribute.

Given her background in soccer, Hoffman got her chance as a kicker, specifically on field goals and extra points.

"They had me and Alvin (Berroa) both kicking for a while," Hoffman said. "He was doing a lot of running back, and when he runs 70 vards, he probably shouldn't have to kick it, too. I was accurate enough (on extra points) so we have him stick to kickoffs.'

Hoffman said she picked up the mechanics of kicking fairly quickly. The most difficult part is trusting her training and ability.

"It's the mental aspect,"

LUKAS EGGEN/Itemizer-Observer Senior Reba Hoffman will kick extra points and field goals for Central's football team this season.

She soon discovered that all the talk of football players being a family has been more than lip service.

"Boys always talk about how it's a family," Hoffman said. "It's really different. They've taken me in as a sister. They never put me down. They don't put other people down. I feel the same acceptance and encouragement. It's really nice."

Hoffman has seen limited action so far this season as the Panthers' place kicker, but she knows she could play a big role at any moment.

"There's definitely a hope that it will happen and there's a hope that it doesn't happen," Hoffman said. "Hedrick has talked to me about how he swears one game will come down to that. He believes in me and if it does come down to a kick, I know I have my team behind me. I won't be too worried.'

Kidd: Falls City wins two straight
