THE HOLIDAY TREE OF REMEMBRANCE

The holiday season can be an especially hard time for families dealing with the loss of a loved one. During the month of December we invite you to remember someone special by placing a *Memorial Ornament* on our "Tree of Remembrance" located at Dallas Mortuary Tribute Center.

During the holidays we would also like to remember those less fortunate. We encourage you to make a donation to the *Dallas Food Bank* when you come in. We will match your donations so a few more local families may have a joyous holiday season.

Monmouth to go in on paving

By Emily Mentzer
The Itemizer-Observer

MONMOUTH — The same repaving that the Oregon Department of Transportation did on Highway 99W from Rickreall south will be extended through Monmouth in 2017.

McClure

where gaps exist, and installation of a continuous landscape strip, but is asking the city of Monmouth to contribute.

"It started as just an overlay project," said City Manager Scott McClure.

As ODOT engineers took a closer look at the highway through Monmouth, they discovered other things that needed to be addressed, such as curbs that are not accessible for people with disabilities, gaps in curbs, and inconsistent landscaping, McClure said.

"This is an opportunity, for the first time landscaping would be unified throughout town," McClure said. "It's mismatched now. It's been a

variety."

The city has been asked to contribute \$136,000 to the project in the 2016-17 city budget, McClure said.

"Standard landscaping with ODOT is pretty low-maintenance," he said. "We'd like them to consider putting in some nice trees ... to make a better entrance in town. If we go a higher standard — trees, grass, irrigation, all the hardware that goes into that — we need to pay for that."

The Monmouth city council did not make a decision at its Nov. 16 meeting, but was interested in getting more details, McClure said.

The money would come out of the Urban Renewal Agency budget, McClure said, which is "very tight" following the \$1.22 million amphitheater project.

But improving landscaping on Highway 99W has been a goal of the council for a long time, he noted.

RECYCLE. A great investment in the future.
