NEWS IN BRIEF

Postal Service to issue eclipse stamp

WASHINGTON, D.C. — Even the U.S. Postal Service has caught Great American Eclipse fever.

On June 20, the USPS will issue a commemorative stamp that uses thermochromic ink to change from an image of a total solar eclipse to one of the moon.

"Using the body heat of your thumb or fingers and rubbing the eclipse image will reveal an underlying image of the moon," a release from the USPS stated.

Astrophysicist Fred Espenak took the eclipse image during a solar eclipse in Jalu, Libya, on March 29, 2006. Espenak also took the moon photo used for the stamp.

The back pane of the stamp sheet shows a map of the eclipse's path of totality across the country.

The Great American Eclipse will be seen over Oregon on Aug. 21 starting around 10 a.m.

Library asking for community feedback

FALLS CITY — The Wagner Community Library is looking for residents of Falls City to provide feedback on the future of the library.

Leaders at the library have created a survey that includes questions about how people use the library and whether they are aware of its programs. It also asks if residents would be willing to pay more property taxes to support keeping it open and how much.

Wagner is operating on the proceeds of the Wagner Trust Fund, which is diminishing. The library may face closure if no other funding source is found.

To take the survey, go to www.surveymonkey.com/r/Wagner-Library.

The results of the survey will be discussed at the Library Advisory Board in June.

For more information: 503-787-3521, ext. 319.

FC Council to discuss city recorder job

FALLS CITY — The City Council of Falls City will hold a work session on Thursday to discuss the hiring process for a city manager or city recorder.

The meeting will begin at 7:30 p.m. at the Falls City Community Center, 320 N. Main St.

Council members declined to begin the hiring process at its meeting Thursday because they wanted to discuss the job descriptions of the recorder and mayor — who is now filling in as the city manager — before moving forward.

For more information: 503-787-3631.

NOTICE OF ONE-FOR-ONE REPLACEMENT HOUSING

Polk Community Development Corporation (Polk CDC) has received a reservation of federal HOME Investment Partnerships Program funds to assist with the development of a six unit affordable housing project to be located at 730 Clay Street, Monmouth, Oregon. As a result, Polk CDC must make public the following information:

The existing two bedroom house located at 730 Clay Street in Monmouth, Oregon will be demolished in order to allow the development of the newly constructed project. The housing is scheduled demolition around June 15, 2017 and should be completed by end of December, 2017.

The demolished house will be replaced by two two-bedroom apartments in a proposed six unit project that will be constructed on the same site. Due to the receipt of HOME Investment Partnership Program funds, Polk CDC is required to ensure that the units remain affordable to low income persons for a minimum of 20 years. Construction of the project is scheduled to begin late June, 2017 and should be ready for occupancy by January, 2018.

To fund the project, Polk CDC will utilize federal HOME funding as well as State GHAP funding from Oregon Housing and Community Services.

Additional information on the proposed demolition including: a map of the lower income housing that will be demolished and a description of the proposed housing to be developed is available for public examination upon request to Rita Grady at Polk CDC at 657 Main Street, Dallas, Oregon 97338.

Fire destroys Indy home

Itemizer-Observer staff report

INDEPENDENCE — A juvenile male suffered minor burns and possible smoke inhalation after an accidental fire burned the home at 462 B St. in Independence on Thursday.

Polk County Fire District No. 1 responded to the call at 5:42 p.m.

Deputy Chief Neal Olson said smoke was visible from throughout the area and reported from Dallas and Rickreall. As personnel arrived on scene, heavy smoke and fire was present near the rear of the single-story residence.

"This fire occurred across the street from Independence Elementary School as the after-school program was being released," Olson said in a press release. "The narrow roads and limited access, numerous cars, and many bystanders made initial efforts difficult for responders."

Firefighters were on scene for about two-and-a-half hours. The cause of the fire was determined to be accidental due to electrical failure, Olson said.

The property and contents are a complete loss valued at \$75,000, Olson said. There were no smoke alarms in the residence.

"Please maintain working smoke alarms in your residence," Olson said.

Five engines, one ladder truck, one rescue unit, two medical units, one command unit, and 42 firefighter personnel responded.

Polk No. 1 was assisted by Southwest Polk Fire District, Dallas Fire & EMS, Oregon State Fire Marshal's Office, and Independence Police Department.
