HERMANN IS CHOSEN.

Douglas County Statesman Named for Congress on Twenty-Third Ballot.

On the twenty-third announced ballot, within twenty minutes of midnight, Binger Hermann, of Douglas county was nominated for Congress after a most spirited and prolonged contest, lasting all the afternoon from 2:30 and all the evening without intermission for supper. Though the fight was a strenuous one, the defeated candidates who were present, Gatch and Wawter, in speeches pledged their earnest support in the campaign, and there was general good feeling after all. The same Congressional Committeemen were returned, and the same chairman, Dr. T. W. Harris. Mr. Hermann pledged a vigorous campaign and gave assurance of a victory in June.

Hermann represented Oregon in Congress for twelve years continuously, having been elected the first time in 1884. In 1897 he was appointed Commissioner of the General Land Office by President McKinley and served until November last, when he resigned.

IN CUPID'S REALM.

Popular Dallas Young People United in Marriage This Week.

BROWN-MYER—At their new home on Academy street, Mr. Frank V. Brown and Miss Mabel Myer were married at 7:30 o'clock Sunday afternoon, Rev. Green, pastor of the Christian Church officiating.

The wedding was a private one, only the members of the contracting parties being present to witness the interesting ceremony. Mr. Brown is a son of H. M. Brown, and was born and raised in Dallas. He is a clever, popular young man, and is the proprietor of a rapidly growing confectionery business. His bride formerly resided in Salem, and was one of the Capitol City's most charming young ladies. Mr. and Mrs. Brown have the congratulations of a host of friends in their new relation.

STAFFIN-ELLIOTT—At the home of the bride's parents, Mr. and Mrs. James Elliott, one mile south of Dallas, at 10:30 o'clock, Wednesday morning, April 15, 1903, Mr. Conrad Staffin and Miss Millie Elliott, Rev. H. N. Rounds, pastor of the M. E. Church, officiating.

The handsome farm home was beautifully decorated for the happy occasion, ferns and potted plants being used in profusion in the parlor and dining room. Promptly at the hour appointed, the bridal couple entered the room to the strains of the wedding march from "Lohengrin," and took their places before a bank of ferns and evergreens, where they plighted their troth with the beautiful ring ceremony. The bride was charmingly gowned in white organdie. Wesley Elliott, a brother of the bride was the groom's best man, and Miss Lina Stouffer was the bride's maid.

Due Notice is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. Belt & Cherrington.

Years Of Suffering From Heart Disease.

I Would Not be Alive Today But For Dr. Miles' Heart Cure.

Do not neglect the warning symptoms of a weak heart. Palpitation, smothering spells, swelling of feet or ankles, pain in and around heart, dizziness, affections of the stomach, lungs, liver, bladder, kidneys, etc., arise from heart weakness. A weak heart must be helped. It cannot stop to rest. It must be strengthened and regulated. The blood must be enriched, the heart nerves strengthened, and the circulation improved by the great heart and blood tonic, Dr. Miles' Heart Cure. There is positively nothing to equal this wonderful medicine in its beneficial influence upon hearts weakened from any cause. "I am very grateful for what Dr. Miles' Heart Cure has done for me, as I am confident I would not be alive today had I not armed of its wonderful virtues and taken it before it was too late. I had been a sufferer from valvular heart disease for many years, in fact ever since I was a little girl and for three years before I began using Heart Cure I was in very bad shape. I could not sleep on my left side at all and would frequently have the most dreadful smothering spells. At times my left side would swell up. I had pain in my head all the time from which I suffered greatly. Nothing I took did me any good until I used eleven bottles of Dr. Miles' Heart Cure which removed all these distressing symptoms and made me feel well and strong."—Mas. H. C. MOHAIR POOL SOLD WELL.

Price at Polk County Meeting Bid Up to 35 5-8 Cents.

At a meeting of the Polk County Mohair Growers' Association, held in this city last Friday, bids were received for the association's 1903 clip and that of Wm. Brown & Co., of Salem, was accepted. The clip consisted of about 12,000 fleeces, amounting to something like 45,000 pounds. The meeting was held in Brown's Hall, and at the time it was called to order, every available bit of floor space was occupied by interested members of the pool and out-of-town buyers. G. W. McBea was elected chairman of the meeting, and in a few words he announced the object of the association. E. C. Kirkpatrick, the auctioneer, then stepped forward and announced himself as being ready to receive bids for the entire pool.

M. D. Ellis, of this city, started the bidding by offering 35 cents, and was soon followed by others until the final offer of 35 5-8 cents was received. Among the prominent mohair dealers present were: Theodore Burnheim, of Portland; A. J. Ray, of Portland; Herman Metzger, of Portland; Ross Hibbler, of Seio; F. A. Douty, of Independence; F. M. Brown, of Salem; M. D. Ellis, of Dallas, and a representative of Sandford Mills.

After the bidding had ended, the association held a short consultation and decided to accept the price offered. A time limit was then set when the sellers should deliver their parts of the pool, April 20 being the last day when the secretary, H. L. Fenton, will receive mohair.

This lot of mohair is the largest ever collected together to be sold outside of the State of Texas, and is also considered one of the cleanest ever offered for sale. Much satisfaction is expressed by members of the association on the price received, as it is 2 cents higher than the regular market price. The 35 5-8 cents is the net price paid to the grower, but the actual cost of the hair to the buyers, including freight, charges of handling, baling, insurance, etc., will not be less than 40 cents.

Immediately after the adjournment of the mohair-growers' meeting a large number of the wool-growers of the county got together and perfected permanent organization to be conducted on similar lines to the Mohair Association. Hon. J. H. Hawley, of Monmouth, was elected chairman, and H. L. Fenton, of Dallas, secretary.

BIG TIMBER TRANSFER

Mrs. M. E. Hallock Sells Two Thousand Acres of Land to Eastern Firm.

A deal has been consummated whereby Mrs. M. E. Hallock has sold to Minnesota parties 2000 acres of timber land on the LaCreole river about six miles above Dallas. Rumors of a possible sale of the Hallock lands, which comprise one of the largest tracts of standing timber held by a single owner in Polk county, have been in the air for many months, and it was known that many Eastern capitalists had been negotiating for their purchase. The men who have purchased this land are experienced sawmill men, and have capital sufficient to enable them to carry out any enterprise they may undertake.

Messrs. Fuller & Lacey, who were instrumental in making this sale, are not at present prepared to say what the company will conclude to do in the way of putting in a milling plant, but it is hoped that the purchasers will be able to secure a sufficient amount of the first-class timber tributary to the LaCreole river to justify them in putting in one of the largest mills on the Pacific Coast at Dallas.
