Notice is hereby given that the understand as been duly appointed ancillary admin-trator of the estate of John Jeldness, deceased, a the state of Oregon, by the Gounty Court of he State of Oregon, for Polk County. THE ORIGINAL LIVER MEDICINE

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and howel troubles are as there are bowel troubles, severe as they are, bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. Thedford's Black-Draught never fails to bene-fit diseased liver and weakened kid-neys. It stirs up the torpid liver to throw off the germs of fever and arms. It is a certain preventive ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys re-inforced by Thedford's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than Thedford's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullins, S. C., March 10, 1901. I have used Thedford's Black-Draught for three years and I have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS. S'ennes
