MAIN STREET, DALLAS, ORE.

SUNDAY AT THE FALLS

Special Motor Carried Many Visitors Over New Railroad.

Another enjoyable excursion to Falls City was given Sunday, a special motor train over the new railroad carrying a large number of Independence and Monmouth people to Polk county's pleasant little mountain town. The motor arrived in Dallas at 9:30 a. m., and left over the track of the Dallas and Falls City road a few minutes later. The weather was perfect, and the beautiful scenery along route was greatly enjoyed by the excursionists. The nine miles were covered in 40 minutes, and many expressions of surprise at the smoothness of the new track were heard. The visitors did not fail to note the substantial character of the construction of the road, and all spoke in the highest terms of the spirit of enterprise displayed by the people who were instrumental in carrying the project through to a successful finish.

The day at Falls City was most enjoyable. The bracing mountain air gave the excursionists good appetites, and the visitors who had taken lunch baskets spent a pleasant noon hour on the shady banks of the Luckiamute above the Falls. Many people partook of the excellent dinner prepared by Landlord Fugitt of the Falls City hotel. This snug little tavern is rapidly growing in favor with the Sunday excursionists, and the meals served there are among the most enjoyable features of the trip.

The return trip to Dallas in the evening was made in 35 minutes. President Hirschberg, of the motor company, accompanied the excursionists, and, as usual, kept himself busy looking after the comfort and convenience of his passengers. President Gerlinger, of the Dallas and Falls City railroad, was among the number returning to Dallas in the evening.

The Sunday excursions to Falls City afford an excellent opportunity to the people of Dallas, Independence and Monmouth to escape the heat and dust of summer and spend a quiet, restful day after a busy week's work, and are sure to grow rapidly in popular favor as the season advances.

Have You Seen The Sea Serpent?

Watch for the unique and catchy pamphlet just issued by the General Passenger Department of the Astoria and Columbia River Railroad Co., which tells a little Summer tale about the Summer Girls, Sea Serpents and Sunsets at Seaside. The story is short but well told and handsomely illustrated. Place your order early and avoid the July run. Copies mailed free upon application to J. C. MAYO, G. F. & P. A., Astoria, Oregon.

Verge

Of Insanity Despite Doctor's Care.

Nervous Cramps in Hands and Feet.

Dr. Miles' Nervine Was My Salvation.

Sleeplessness is at once a symptom and a disease. Just as soon as the nerves become deranged the patient suffers from sleeplessness. Deprived of their natural rest the nerves soon lose all force and vitality and while sleeplessness is a symptom in such cases it frequently becomes chronic and remains the chief effect of disordered nerves. Dr. Miles' Nervine quiets the nerves and strengthens them; soothes the tired brain and permits sleep; restores lost energy and vitality and brings sleep, health and strength.

"Previous to our coming to the territory three years ago, we lived in Virginia, and it was there that I got acquainted with the wonderful powers of Dr. Miles' Nervine. I had been under the doctor's care and taking his medicine for over two years, but the nervous trouble that was gnawing my life away grew steadily worse. I had nervous cramps in my hands and feet, which would draw up and pain me so that I could not sleep at night. Often I never closed my eyes for days and nights together. The doctor finally told me he could do nothing more for me and that I was on the verge of insanity. He told me I might try your Nervine as a last resort, and it proved to be my salvation. When I had used four bottles of the remedy together with the Nerve and Liver Pills I had regained my former good health."—Miss MARTHA L. SHERIFF, Omer, Oklahoma.

BIDS WERE TOO LOW

Sale of Marion County Wool Pool Was Postponed.

The Marion County Wool Growers' Association held a meeting Saturday afternoon for the purpose of receiving bids on their pool of 75,000 pounds of wool. A number of buyers were present and bids were offered as follows:

A. R. Jacobs, representing the Oregon City Woolen Mills 15 1/2 cents per pound for coarse, and 17 1/2 cents for medium and fine.

Wm. Brown & Co., 15 1/2 cents for coarse and 17 1/2 cents for medium and fine.

Theo. Bernheim & Co., of Portland, 15 1/2 cents for coarse and 17 1/2 cents for medium and fine.

M. W. Hunt, 15 1/2 cents for coarse, and 17 1/2 cents for medium and fine.

The sales committee of the Association decided not to sell the pool for less than 16 1/2 cents for coarse wool, and 18 cents for medium and fine, consequently none of the bids were accepted, and the sale was postponed.—Statesman.

Morris Walker, son of Mrs. M. E. Walker, was drowned while bathing in the Willamette river at Salem, Sunday afternoon. His mother was in Dallas at the time, having spent the week visiting Mr. and Mrs. J. B. Thompson, who are related to the Walker family. The remains were taken to Lebanon for burial. The deceased was an excellent young man and his early death is a sad blow to his mother. He graduated from the Northwest Normal school, in Salem, last Friday. He was aged 14 years and 8 months.

THREE SISTERS THIS YEAR

Mazamas Are Getting Ready for Their Annual Mountain Trip.

All arrangements have been completed for the trip to the Three Sisters by the Mazamas. The party will leave Eugene early Thursday morning, July 9. The first night's stop will be at Montgomery's place, the second night at the bridge on the Mackenzie; Saturday night, Big Meadows will be the stopping place. Here the wagons will be left and the party will proceed on foot. Sunday afternoon the snow line of the Big Mountain, the largest peak of the Three Sisters, will be reached. Here the permanent camp will be made, and the party will take up their different exploring tours. Monday, July 13, the Big Mountain will be climbed, and on Tuesday an attempt will be made to ascend the North Sister. There is no knowledge of any one ever having reached the topmost peak of this lofty mountain, but it is thought that unless the feat is extremely hazardous, several brave Mazamas will ascend to the highest point.

Wednesday, July 15, the homeward journey will begin, and stops will be made at Foley and Belknap Springs. The party will reach Eugene on July 18.

The trip will be an extremely interesting one, as there is beautiful scenery all along the way. There will be good fishing and hunting for those so inclined.

A Serious Mistake.

E. C. DeWitt & Co. is the name of the firm who make the genuine Witch Hazel Salve that heals without leaving a scar. It is a serious mistake to use any other. DeWitt's Witch Hazel Salve cures blind, bleeding, itching and protruding piles, burns, bruises, eczema and all skin diseases. Sold by Belt & Cherrington.

There was much joy in Medford Thursday night. The band played, anvils boomed and rockets soared through the sky. The cause of the hilarity was the election of Miss Centenna Rothermel queen of the W. O. W. Carnival. Miss Rothermel won by a vote of 10,174. Miss Blackburn, Gold Hill's favorite, followed by a vote of 8973. Miss Hartman of Grants Pass was third.—Grants Pass Observer.

The Benefit of Change.

We are like house plants: We need a change of soil now and then—to be replanted. New scenes, new experiences, new surroundings, a change of climate, dry air instead of moisture, sunshine in place of cloud. This is sometimes essential to health. There are conditions near at hand that are better than Europe can offer. Take a month or two in California. Plant yourself for a time where there are no irritations, where the hotel is beyond criticism, the landscape pleasing, and where warm sunny weather invites to walks and drives. Pure and dry air, and the increased electric influences of sunshine are vastly helpful.

You can make this trip at very little expense, and enjoy a ride over the scenic Siskiyou and Shasta mountains, which, at this time of the year with their snow-covered peaks, are unsurpassed for their grandeur.

SPRING GRAIN NEEDS RAIN

Government Crop Bulletin Says Late Sown Wheat is Seriously Affected.

In the eastern part of the State the first of the week was cool and a few small showers occurred, after which dry and moderately warm weather prevailed. In the western section the week has been dry; during the first few days the nights were cool, and in some places light frosts occurred; during the latter part the temperature rose decidedly, and Sunday the warmest day of the season occurred, with the thermometer registering between 90 and 100 degrees.

This warm weather has injuriously affected late sown spring wheat and forage crops, which now badly need rain. In all parts of the State, except in the coast counties, fall wheat, barley and rye are beginning to head; in the case of wheat the straw is unusually short, and the crop as a whole promises to be considerably below the average unless timely rains arrive to improve the condition of that sown in the spring.

Corn also needs rain, but the hot weather has caused it to grow rapidly during the week. Gardens are doing fairly well, but complaints are increasing of damage to squashes, beans and pumpkins by insect pests. Hops that came up are doing nicely, but quite a number of yards have been abandoned owing

to the great number of missing hills. Some alfalfa and early clover has been cut.

The fruit prospects, except peaches, continue very promising, although in the Willamette valley, a few correspondents report cherries and some varieties of apples as only fair. Strawberries are abundant and of excellent quality.

Life.

The poet's exclamation: "O Life! I feel thee bounding in my veins," is a joyous one. Persons that can rarely or never make it, in honesty to themselves, are among the most unfortunate. They do not live, but exist; for to live implies more than to be. To live is to be well and strong—to arise feeling equal to the ordinary duties of the day, and to retire not overcome by them—to feel life bounding in the veins. A medicine that has made thousands of people, men and women, well and strong, has accomplished a great work, bestowing the richest blessings, and that medicine is Hood's Sarsaparilla. The weak, run-down, or debilitated, from any cause, should not fail to take it. It builds up the whole system, changes existence into life, and makes life more abounding. We are glad to say these words in its favor to the readers of our columns.
