IMPROVED FAIR GROUNDS

Add to Comfort of Exhibitors and Campers.

The State Board of Agriculture is making a number of needed improvements at the state fair grounds this year. A new water system costing \$5,000 is being put in which will add much comfort to the exhibitors and campers. More new stalls are being built to better accommodate the large number of exhibitors that are preparing to come to the fair. A large amphi-Many minor improvements are being made to make a visit to the fair a pleasant event and a joy forever.
