

# BLACK-DRAUGHT STOCK AND POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their feed. Any stock raiser may buy a 25-cent half-pound airtight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If you do not send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHESTER, GA., Jan. 30, 1902.  
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 25 percent better.

**Over-Work Weakens Your Kidneys.**  
Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Fains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It is to be feared that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake but first doctor your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits.

By all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**The New Issue in Temperance.**

**"WHISKY MEDICINES."**

**THE VOICE,**  
The Leading Temperance Paper, Sounds the Call to a New Crusade in the Following Article.

**"ANOTHER HEAD ON THE HYDRA."**

"It is time attention was drawn to a form of alcoholic traffic that seems to have been overlooked by those engaged in the temperance cause. It is whisky. If, as is believed, and taught, alcohol is most dangerous when it fights in ambush, if it is most to be dreaded when it finds its first entrance to the system in the peacefulness and quietude of the home, then the form of alcoholic traffic in question is doubly dangerous, for it comes in the guise of medicine and attacks a system prepared by weakness to easily surrender to the assault. In many PATENT MEDICINES which are largely consumed throughout the country, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the smallness of the dose prescribed which prevents a prompt recognition of the intoxicating effects of these so-called medicines which are known by the name of 'WHISKY MEDICINES IN NAME ONLY.' Their chief value lies in their alcoholic effect as a stimulant. In fact, those who know, attribute the benefits ascribed to this class of medicines wholly to the stimulative effect of the alcohol they contain. They are used largely by persons not in the habit of drinking liquors, and the little dose taken three or four times a day is as stimulating to these people as the regular 'finery' of 'biters' is to the regular liquor-drinker.

**WHAT CAN BE DONE?**

"What ought to be done at least is to compel every patent-medicine manufacturer to put on the wrapper of his bottle the quantity of alcohol it contains. That would at least leave people to exercise their own judgment. More than that, no paper truly interested in temperance reform should print the advertisement of any alcoholic medicine. It should be the duty of every temperance organization and branch in the country to look into this question, agitate it, and deal with the facts just as earnestly and as honestly as other facts have been dealt with."

Appreciating the gravity of the issue raised by the statistics and figures made in the foregoing article, we wish to call general attention to the fact that Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription contain NO ALCOHOL, NO WHISKY, NO INTOXICANTS OF ANY KIND.

These medicines are equally free from opium and other narcotics.

They are in the strictest meaning of the words, temperance medicines. Of no other medicine, put up especially for woman's use can be truthfully affirmed, as of Dr. Pierce's Favorite Prescription, that it contains neither alcohol nor opium or other narcotic in any form.

While the negative features of Doctor Pierce's medicines may only interest some of the readers of this article, the positive features of these medicines must be of interest to every one. The great value of "Golden Medical Discovery" in the cure of diseased or deranged conditions of the stomach and digestive and nutritive organs is testified to by tens of thousands who have found health and healing in this great remedy. The "Discovery" increases the action of the blood-making glands; and by curing the diseases which corrupt and cripple the stomach and digestive and nutritive organs, it enables a full and pure supply of blood to be sent to every part of the body.

**WOMEN KNOW ITS VALUE.**

Women who are always appreciative of benefits, have been especially appreciative of the benefits following the use of Dr. Pierce's Favorite Prescription. The wonderful cures of irregularities, inflammations, ulcerations and female troubles, have caused women to name it, "that God-send to women." It is entitled to wear the "blue ribbon" of merit as well as the blue ribbon of temperance.

## Rolling Mill Consumption

Seven out of every ten men who work in rolling mills, iron foundries and glass factories die of consumption. You know how early in life these men pass away. The usual symptom is a persistent cough—sometimes short and hacking, sometimes hard and dry. The patient grows weaker and thinner day by day. Death eventually comes. The trouble comes from disease heat, and the constant inhaling of the fine particles of dust and iron that fill the air. These particles, under a microscope, show ragged, sharp edges, which tear and mutilate the delicate lining of the chest and lungs. Persons who are thus harmed, and here it is that the germ of consumption find a place to feed and multiply. Acker's English Remedy was discovered in England, and is the only cure in the world for Rolling Mill Consumption. It acts upon the system, strengthens the mucous membranes of the breathing organs, permanently stops the cough, builds up the constitution and imparts vigor to the whole system. It must be taken care of it costs you nothing. One bottle does wonders. Try it. What it has done for many others it will also do for you and your loved ones.

Sold at 50c, 60c and \$1 a bottle throughout the United States and Canada; and in England at 1s, 2s, 3s, 4s, 6s. If you are not satisfied after trying, return the bottle to your druggist, and get your money back.
