My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and sore. The doctors pro-nounced it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui. I told her I had not and she bought a bottle. I believe that it saved my life. I believe many women could save much suffering if they but knew of its value.

Don't you want freedom from pain? Take Wine of Cardui and make one supreme effort to be well. You do not need to be a weak, helpless sufferer. You can have a woman's health and do a woman's work in life. "Why not secure a bottle of Wine of Cardui from your druggist today?

Then his mother went to town, got a 50-cent bottle of Acker's English Remedy, and he took it. He came over to our house a few days later and said he was all right, and also said two doses relieved him from the start. You can understand by my letter why I think so much of Acker's English Remedy. I re peat that God's blessing must surely have been bestowed upon Dr. Acker." (Signed) MRS. JOHN YEAGER, Rochester, Pa.
