Mother's Girl.

There exists often a very beautiful sympathy between the mother and her daughter. The intimacy is frank, free and sympathetic.

This change very often occurs when the young girl is crossing the border-line of womanhood. She is morbid, nervous, fearful, as if all centers upon this new experience.

DALLAS COLLEGE NOTES

Attendance is Increasing Daily and Many Students Are Yet to Come.

The classes are all organized and doing good work. The classes in the Gymnasium are organized and at work from 3:15 to 4 p.m.

The attendance is increasing, and a number of students have not yet arrived. Miss Parrish's class in Expression are delighted with the work and instruction given.

The boys have purchased a football, and exercise themselves in the evening on the campus with football practice.

President Poling goes to the Dalles to spend Sunday with his brother, J. Poling. He will deliver an editorial address there Sunday evening in his brother's church.

The young men and young women of the Epworth League are preparing competitive programs for two entertainments which will be given some time in the present month.

Prof. D. M. Metzger made a trip to Alesia Valley last Saturday, preaching there Sunday and returning Monday. The Professor enjoyed a canyon ride of 30 miles, going and coming.

The first social event took place last Friday evening. The Y. M. and Y. W. Christian Associations gave a very brilliant reception to the faculty and student body.

The largest sum ever paid for a prescription, changed hands in San Francisco, August 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to same chronic, incurable cases, and administered it with the physicians for judges.

Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably. There being but thirteen per cent failures, the parties were satisfied and closed the transaction.

The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address: Jones J. Fulzoo COMPANY, 420 Montgomery St., San Francisco, Cal.
