222 South Peoria St., Cutcago, Inc., Oct. 7, 1902. Eight months ago I was so ill that I was compelled to lie or sit down nearly all the time. My stomach was so weak and upset that I could keep nothing on it and I vomited frequently. I could not urinate without great pain and I coughed so much that my throat and lungs were raw and some. The doctors proand sore. The doctors pro-nonneed it Bright's disease and others said it was consumption. It mattered little to me what they called it and I had no desire to live. A sister visited me from St. Louis and asked me if I had ever tried Wine of Cardui.
I told her I had not and she
bought a bottle. I believe that
it saved my life. I believe many women could save much suffer-ing if they but knew of its value.

no matter how severe and irrespective in the crusade against the rum power. If, as is believed and taught, alcohol i most dangerous when it fights in ambush if it is most to be dreaded when it finds its first entrance to the system in the pleasant sauces and dishes of the home, then the form of alcoholic traffic in question is doubly dangerous, for it comes in

> PATENT MEDICINES which are largely consumed throughout the country, by all classes of people, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the smallness only of the dose prescribed which prevents a prompt recognition of the in toxicating effects of these so-called medi-

cines by those who use them. "It is safe to affirm that they are MEDICINES IN NAME ONLY. Their chief value lies in their alcoholic effect as a stimulant. In fact, those who know, attribute the benefits ascribed to this class of medicines wholly to the contain. They are used largely by per-

stimulative effect of the alcohol they sous not in the habit of drinking liquors, and the little dose taken three or four time a day is as stimulating to these people as his regular "finger" of "bitpeople as his regular "fuger" of "l ters" is to the regular liquor-drinker. WHAT CAN BE DONE?

"What ought to be done at least is to compel every patent-medicine mannfacturer to put on the wrapper of his bottle the quantity of alcohol it contains. That and I determined to try that. After taking a few doses I felt relieved, and reform should print the advertisement of any alcoholic medicine. It should be the duty of every temperance organization and branch in the country to look into this question, agitate it, and deal with the facts just as earnestly and as honestly as other facts have been dealt

Appreciating the gravity of the issue raised by the strong statement of facts made in the foregoing article, we wish to call general attention to the fact that The State of Oregon has filed an Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription

NO ALCOHOL, NO WHISKY, NO INTOXI-CANT OF ANY KIND. These medicines are equally free from

opium and other narcotics. They are in the strictest meaning of the words, temperance medicines. Of no other medicine, put up especially for woman's use can it be truthfully affirmed, as of Dr. Pierce's Favorite Prescription. that it contains neither alcohol nor opium

While the negative features of Doctor positive features of these medicines must be of interest to every one. The great value of "Golden Medical Discovery" in the cure of diseased or deranged conditions of the stomach and digestive and nutritive organs is testified to by tens of housands who have found health and a railway wreck and the same causes covery increases the action of the bloodmaking glands, and by curing the diseases which corrupt and cripple the stomach and digestive and nutritive organs, it enables a full and pure supply of blood to be sent to every part of the body.

WOMEN KNOW ITS WORTH. Women who are always appreciative of benefits, have been especially appre-ciative of the benefits following the use of Dr. Pierce's Favorite Prescription. Its wonderful cures of irregularities, inflammations, nicerations and femule troubles, have caused women to name it, "that God-send to women." It is entitled to wear the "blue ribbon" of mora as well as the blue ribbon of temperance.
