

**MRS. CECELIA STOWE,**  
Orator, Entre Nous Club.

178 Warren Avenue,  
CHICAGO, ILL., Oct. 22, 1902.

For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disagreeable place at best. A friendly druggist advised me to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

**WINE OF CARDUI**

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.

**J. H. Hawley Re-Elected Mayor of Monmouth Last Monday.**

The Portland Journal's Monmouth correspondent says: "Hon. J. H. Hawley, who was elected as mayor of Monmouth at the city election last week, is one of the early Oregonians, who has been instrumental in pushing forward the interests of this state. Mr. Hawley has been closely identified with the interests of Monmouth for a number of years, is president of the Monmouth bank and owns considerable property in this place. He will use every endeavor to give Monmouth an administration of its affairs that will be a credit to the town. Monmouth is one of the few towns in the state that has no saloons. It is the seat of the state normal school, and it was one of the requests of the founder of the city that no saloons be allowed, and this request has been fulfilled to the letter. Mr. Hawley is quite extensively interested in farming over the county, and is well known as a capitalist and financier of no mean ability."

**A Prisoner in Her Own House.**

Mrs. W. H. Layha, of 1001 Agnes Ave., Kansas City, Mo., has for several years been troubled with severe hoarseness and at times a hard cough, which she says, "Would keep me in doors for days. I was prescribed by physicians with no noticeable results. A friend gave me part of a bottle of Chamberlain's Cough Remedy with instructions to closely follow the directions and I wish to state that after the first day I could notice a decided change for the better, and at this time after using it for two weeks, have no hesitation in saying I realize that I am entirely cured." This remedy is for sale by Wilson Drug Company.

Both orders are in excellent financial condition and have their indebtedness paid off and own the large auditorium in Independence.

**Found a Cure for Indigestion.**

I use Chamberlain's Stomach and Liver Tablets for indigestion and find that they suit my case better than any dyspepsia remedy I have ever tried and I have used many different remedies. I am nearly fifty-one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now.—Geo. W. Emory, Rock Mills, Ala. For sale by Wilson Drug Company.

**A Very Close Call.**

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Belt & Cherrington. Price 50 cents.

Martin conducted the services at the church, and the Woodmen of the World, of which order he was a member, conducted the services at the grave. It will be remembered that Mr. Campbell was the young man who was drowned at Hoquiam, Wash., December 16. He was employed as plumber by the Hoquiam Water Company in whose services he was drowned. Mr. Campbell was born near Bellevue, Yamhill county, January 20, 1878.—McMinnville Reporter.

**You Know What You Are Taking**

When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle, showing that it is simply Iron and Quinine in a tasteless form. No Cure, No Pay. 50c.

**Thousands Have Kidney Trouble and Don't Know It.**

**How to Find Out.**  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery free of charge, and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing, mention reading this generous offer in this paper.

**Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.**

**Let all the Mayors take off their hats to the Mayor of Springfield, Lane county.**

In his inaugural message, that official says: "The storms of discontent and dissatisfaction will swoop down upon us at times, and we will be tossed about, hither and thither, by adverse winds, causing the seas of adversity to roll high over our heads, and we will look with eager eyes for a beacon light, for some place of safety, for a haven of rest. We hope for a smooth sea, a fair wind and a good voyage, and to keep far enough from the shore to miss all the reefs, shoals and hidden rocks on which many a noble vessel has gone down to destruction."

**Cured After Suffering 10 Years.**

B. F. Hare, Supt. Miami Cycle & Mfg. Co. Middletown, O. suffered ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says: "One night when feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by Belt & Cherrington.

Rev. Thomas S. Handsaker, of Corvallis, gave a free lecture on "Uncle Sam's Golden Calf" at the Christian church, Monday evening. On Tuesday evening a musical recital was given, in which Mrs. Handsaker assisted in the singing. A fair-sized crowd greeted the visitors each evening.

**BRIGHT'S DISEASE.**

The largest sum ever paid for a prescription, changed hands in San Francisco, August 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably. There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address JOHN J. FELTON COMPANY, 420 Montgomery St., San Francisco, Cal.

**Congratulations.**

Mr. John H. Cullom, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by Wilson Drug Company.

**For Nearly Two Years Unable to Lay in Bed.**

"In my capacity as druggist in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. His cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNE, druggist, Buffalo, N. Y.
