

Polk County Observer

J. C. HAYTER,
EDITOR AND PUBLISHER.
Published Weekly at One Dollar per Year.

DALLAS, OREGON, JANUARY 8, 1904
The way to build up Dallas is to patronize Dallas people.

Have you registered?

The charter of McMinnville was amended at the special session of the legislature so that the bonds may bear 5 per cent interest instead of 4 per cent.

A wise advertising man adopted the motto, "Keeping everlastingly at it brings success." The motto is a good one for Oregon Angora breeders in the matter of keeping up the annual show at Dallas.

Dallas will pay a lower water rate than any other town on the Pacific Coast. The total cost of 40 fire hydrants will be only \$50 per month.

The OBSERVER desires to commend the city council for the business-like manner in which it has begun paying the city hall debt. While not desiring to criticize the course of any former council, it must be admitted that such a step should have been taken long ago.

An Ancient Foe
To health and happiness is Scrofula—as ugly as ever since time immemorial.

Hood's Sarsaparilla and Pills
will rid you of it, radically and permanently, as they have rid thousands.

MRS. NELSON DEAD

Sister of Judge Burnett Passed Away at Rickreall Tuesday Morning.

Lucretia E. Nelson, aged 66 years, died at 3 o'clock Tuesday morning at the home of her daughter, Mrs. B. F. Lucas, at Rickreall, after an illness of several years.

She crossed the plains in 1846, one of the four little girls in the family. She married A. J. Nelson, and lived near McMinnville up to the time of his death, a few years ago, and has since made her home with her daughter, Mrs. Lucas.

CLUB ELECTS OFFICERS

Harmonious Business Meeting Held Last Saturday Evening.

The following officers were elected for the year 1904 at the annual meeting of the members of LaCrode Club last Saturday evening:

R. E. Williams, vice-president; J. E. Sibley, secretary; Tracy Staats; Treasurer, H. C. Eakin; Board of Trustees, E. C. Kirkpatrick, T. J. Cherrington, F. H. Morrison, B. L. Chapman and J. E. Sibley.

President R. E. Williams appointed G. N. Cherrington, W. R. Ellis and T. A. Riggs as a House Committee.

The reports of Secretary Staats and Treasurer Eakin showed the Club to be in good condition financially, there being over \$50 in the Treasury.

Mrs. E. A. Hale, of Brownsville, is visiting at the home of Mr. and Mrs. F. G. Elliott.

The people of Dallas have heard better concerts than that given by the Cosgrove Orchestra Wednesday night, and they have heard worse.

The company, however, is better than the average musical organizations that visit the interior towns, and a few numbers on their program were of a high order of excellence.

The Price of Pleasure.

It is hard for a lovely woman to forego the pleasures of life which she was created to enjoy and adorn.

But the fatigue is often too great for her, and she suffers from headache and backache as a consequence.

Women who are tired and worn out will find a perfect tonic and nerve in Dr. Pierce's Favorite Prescription.

It cures headache, backache and the other aches and pains to which women are subject.

It establishes regularity, dries weakening drains, heals inflammation and ulcers of the bowels, and cures female weakness.

It makes weak women strong and sick women well.

"I am so pleased with your instructions I hardly know what to say," writes Mrs. M. D. Bryant of Lake Thomas, Co. Va. "I suffered so much with great pains in my back and the lower part of my stomach and palpitation of the heart, that at times I could hardly get down."

Could you get up in the morning but after using three bottles of "Favorite Prescription" and two vials of Dr. Pierce's Pleasant Pellets, I am like a new woman."

Sick women, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce, by letter, free.

All correspondence is held as strictly private and secretly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

FIRST LECTURE OF COURSE

Dr. House Will Deliver Address at College Chapel Monday Night.

The first lecture of the Lady Professorship will be delivered by E. L. House in the College chapel next Monday evening.

His subject will be "The Outlook for the Twentieth Century."

The Oregonian says: "Dr. House, throughout his address, was brilliant in thought and pleasant in delivery. He was listened to with deep attention and occasional outbursts of applause."

The Greenville, South Carolina, News says: "Dr. House is inimitable in description, full of wit and eloquence. The verdict of all who heard his lecture is that it was the most interesting and valuable ever delivered anywhere, by anybody."

A social dance will be given at the City Hall tomorrow night. All are invited.

Mrs. J. P. Starr is seriously ill in Cottage Grove, where she has been visiting friends.

An effort is being made by people living along the line of the Yamhill division to have the Dallas-Portland passenger train put back on its old schedule. It is altogether probable that the change will be made.

About the middle of February, a representative of the Eastman Kodak Co., will be at my store to give free demonstrations of Film Developing Machines and Photo Papers.

Weak Hearts.

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion.

It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion.

All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart.

This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Knoble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."
