# Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.  
Fill a bottle or common glass with your water and let it stand twenty-four hours. A sediment or settling indicates an unhealthy condition of the kidneys. If it stains your linen it is evidence of kidney trouble. Too frequent desire to pass it or pain in the back is also convincing proof that the kidneys are laboring under disorder.

What to Do.  
There is comfort in the knowledge so often expressed, that Dr. Kilmor's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is seen realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmor & Co., Birmingham, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmor's Swamp-Root, and the address, Birmingham, N. Y., on every bottle.

### The New Issue in Temperance.

### "WHISKY MEDICINES."

THE VOICE,  
The Leading Temperance Paper, Sounds the call to a New Crusade in the Following Article.  
"ANOTHER HEAD ON THE HYDRA."  
"It is time attention was drawn to a form of alcoholic traffic that seems to have been overlooked by those engaged in the crusade against the run power. If, as is believed and taught, alcohol is most dangerous when it fights in ambush, if it is most to be dreaded when it finds its first entrance to the system in the pleasant sauces and dishes of the home, then the form of alcoholic traffic in question is doubly dangerous, for it comes in the guise of medicine and attacks a system prepared by weakness to easily surrender to the assault. In many cases it is to be feared that it is more insidious than any other form of liquor traffic. It is largely consumed throughout the country, by all classes of people, there is a percentage of alcohol which puts them on a level with beer, rum and whisky as intoxicants. It is the smallest only of the dose prescribed which prevents a prompt recognition of the intoxicating effects of these so-called medicines, by those who use them."  
MEDICINES IN NAME ONLY.  
Their chief value lies in their alcoholic effect as a stimulant. In fact, those who know, attribute the benefits ascribed to this class of medicines wholly to the stimulative effect of the alcohol they contain. They are used largely by persons not in the habit of drinking liquors, and the little dose taken three or four times a day is as stimulating to those people as the regular "finger" of "bitters" is to the regular liquor-drinker.  
WHAT CAN BE DONE?  
"What ought to be done at least is to compel every patent-medicine manufacturer to put on the wrapper of his bottle the quantity of alcohol it contains. That would at least leave people to exercise their own judgments. More than that, no paper truly interested in temperance reform should print the advertisement of any alcoholic medicine. It should be the duty of every temperance organization and branch in the country to look into this question, agitate it, and deal with the facts just as earnestly and as honestly as other facts have been dealt with."  
Appreciating the gravity of the issue raised by the strong statement of facts made in the foregoing article, we wish to call general attention to the fact that our new Discovery Bitters, made by Dr. Pierce's Favorite Prescription and Dr. Pierce's Favorite Prescription contain  
NO ALCOHOL, NO WHISKY, NO INTOXICANT OF ANY KIND.  
These medicines are equally free from opium and other narcotics.  
They are in the strictest meaning of the words, temperance medicines. Of no other medicine, put up especially for women's use can it be truthfully affirmed, as of Dr. Pierce's Favorite Prescription, that it contains neither alcohol nor opium or other narcotic in any form.  
While the negative features of Doctor Pierce's medicines may only interest some of the readers of this article, the positive features of these medicines must be of interest to every one. The great value of "Golden Medical Discovery" in the cure of diseased or deranged conditions of the stomach and digestive and nutritive organs is testified by tens of thousands who have found health and healing in this great remedy. The "Discovery" increases the action of the blood-making glands, and by curing the diseases which corrupt and cripple the stomach and digestive and nutritive organs, it enables a full and pure supply of blood to be sent to every part of the body.  
WOMEN KNOW ITS WORTH.  
Women who are always appreciative of benefits, have been especially appreciative of the benefits following the use of Dr. Pierce's Favorite Prescription. Its wonderful cures of irregularities, inflammations, ulcerations and female troubles, have caused women to name it, that God-seeker to women. It is entitled to wear the "blue ribbon" of merit as well as the blue ribbon of temperance.
