

# LIVER TROUBLES

"I find Theford's Black-Draught a good medicine for liver disease. It cures my son after he had spent two weeks with doctors. It is the best medicine I take."—MRS. CAROLINE MARTIN, Tackenberg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Theford's Black-Draught and take a dose tonight. This great family medicine cleans the congested bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Theford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Theford's Black-Draught should always be kept in the house.

"I used Theford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Maclehead, Ill.

Do You Want Strength?

If you want to increase your strength you must add to and not take from the physical. In other words, the food you eat must be digested, assimilated and appropriated by the nerves, blood and tissues before being expelled from the intestines. Kodol Dyspepsia Cure adds to the physical. It gives strength to and builds up the strength in the human system. It is pleasant to the taste and palatable, and the only combination of digestants that will digest the food and enable the system to appropriate all of its health and strength-giving qualities. Sold by Belt & Cherrington.

That the present smallpox epidemic at Dayton and Newberg resulted from disease germs being brought there from the East; that the cases are all of a mild nature; and that few new cases are being reported, and that little fear is entertained of its duration being long or its spread rapid, is the statement by Dr. Woods Hutchinson, member of the State Board of Health.

Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Belt & Cherrington.

## Over-Worked Your Kidneys.

Unhealthy Kidneys Have Impure Blood.

All the blood in your body passes through your kidneys once every five minutes.

The kidneys are your blood purifiers. They filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is overworking to pump blood, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits.

By all druggists in fifty-cent and one-dollar size.

You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Fourteen people lost their lives as a result of the fire on the steamship Queen, from San Francisco to Seattle, off Tillamook Head, early Sunday morning. The fire raged for three hours before it was gotten under control.

Inflammatory Rheumatism Cured.

William Shaffer, a brakeman of Denison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by Wilson Drug Co.

Miss Hallie Morrison, who is teaching school at Oak Point, near Independence, visited her parents, Mr. and Mrs. F. H. Morrison, in Dallas, Saturday.

More Riots.

Disturbances of strikers are not nearly nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by Belt & Cherrington, Druggist.

The Krebs Brothers will make people know they are in the neighborhood. They have already ordered electric lights for the Murphy place recently purchased and are preparing to install telephone service. It is generally conceded they made a good buy.—Independence Enterprise.

Best Remedy for Constipation.

"The finest remedy for constipation I ever used is Chamberlain's Stomach and Liver Tablets," says Mr. Eli Butler, of Franklinville, N. Y. "They act gently and without any unpleasant effect, and leave the bowels in a perfectly natural condition." Sold by Wilson Drug Co.

Warren Cressy, of South Bend, visited relatives over Sunday and Monday. Mr. Cressy is just returning from a several weeks' trip in California.—Independence Enterprise.

If troubled with weak indigestion, belching or sour stomach, use Chamberlain's Stomach and Liver Tablets, and you will get quick relief. For sale by Wilson Drug Company.

Governor Chamberlain has appointed Dr. R. L. Lincoln, of LaGrande, and Dr. George Larkin, of Newberg, members of the State Board of Dental Examiners. Dr. Larkin was appointed by the governor upon recommendations of the board, but Dr. Lincoln was not recommended by that body.

Proper Treatment of Pneumonia.

Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind, however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be worked off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr. W. J. Smith, of Sanders, Ala., who is also a druggist, says of it: "I have been selling Chamberlain's Cough remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by Wilson Drug Company.

## GOOD CROPS IN PROSPECT.

Winter Sowing Well Started by Unusual Amount of Moisture This Year.

The Portland Chamber of Commerce has established a crop bulletin to be issued monthly for the benefit of its members and all those whose business interests depend upon crop conditions, says the Oregonian. The information will be gathered by the grain standards committee and will be official. The first bulletin is as follows:

"At this writing the whole interior country tributary to Portland has been visited by an unusual amount of moisture, so that the winter sowings are well started and will come through the winter in good shape. The proportion of winter to spring sowing is annually low; it is probable about two-thirds of the whole. The light land on which spring wheat is raised has been well soaked, and is indeed, at present too wet for plowing. Altogether the prospects for a heavy crop could not well be better."
