It Has Never Failed

Mr. C. S. Peaslee, the well-known druggist of Morgan City, La., is highly thought of in his neigh-borhood because of his skill and care in filling prescriptions. The best physicians in the place send their patients to his store whenever they can. Anything which Mr. Peaslee may say can be depended upon absolutely. In a letter to W. H. Hooker & Co., New York City, proprietors of Acker's English Remedy, he says: "In all my many years' experience as a dauggist, I have never handled a medicine of any nature that gave such complete satis-faction as Acker's English Remedy for Throat and Lung Troubles. I have sold hundreds of bottles, and have yet to learn of a single case where it failed to cure. In croup, it acts with a certainty that is really marvelous. My wife does not take much stock in medicine, but she has absolute faith in Acker's English Remedy, always having it at her elbow in case the children are attacked by

croup at night. It is a positively harmless rem-edy, as I can personally testify. I know of a little girl who accidentally drank a whole bottle. She was, of course sick at her stomach for a short time, but the sickness passed away, and then the child was in better health than ever before. I can understand why Acker's English Remedy is so efficacious, because I am a druggist. It is not a mere expectorant, but a strengthening, invigorating tonic as well. While it heals the irritations of the mucous membrane, it also builds up the constitution and purifies the blood. I endorse it absolutely
