DALLAS, OREGON, APRIL 1, 1904. The way to build up Dallas is to patronize Dallas people.

There has been a lot of noise and talk—both of which are cheap—when the votes are counted next Thursday afternoon it will be found that E. C. Kirkpatrick has a good, substantial majority in every precinct in Dallas. The boasts of his opponents fall flat when one observes the frantic efforts they are making to get votes for their side.

A vote for E. C. Kirkpatrick is a vote for a man who will work to build up every institution in Polk county and tear down none. It is a vote for a man who is broad-minded enough to rise above all factions and personal ends and labor earnestly for the best interests of Polk county and the State of Oregon.

Voters, remember that the Republican precinct primaries will be held next Thursday afternoon at 2 o'clock. All should be on hand promptly at the hour named.

The Democrats have as usual set their convention one week later than the Republican convention, hoping thereby to profit by any mistake that their opponents may happen to make.

It is to be earnestly hoped that there will be a large attendance of voters at the Republican primaries to be held in all the precincts of Polk county next Thursday afternoon.

All Humors

I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared. Max. Isa O. Brown, Runford Falls, Me.

HAVE DONE GOOD WORK

Citizen Gives Reasons Why Dallas Councilmen Should Be Elected.

DALLAS, Or., March 31—(To the Editor.)—As a citizen and taxpayer of Dallas, I desire to express my appreciation of the effective work that has been done by the city council during the past two years in helping to make Dallas a live and progressive town.

More substantial and needed improvements have been made by the present council than by any set of men that ever held the office before. These men have proved that they had the right kind of qualities in them by the firm manner in which they refused to allow themselves to be bluffed or influenced by the enemies of the water-works improvement, and now, that the city has a splendid water supply unequalled elsewhere in the Willamette Valley, the people are all rejoicing that the city officers fought their way through to success in the face of every discouragement that could be offered.

No sooner were the water-works completed than the council turned their attention to another matter of vital importance to the health and cleanliness of the city—that of a sewerage system. There is no doubt that they will carry forward this improvement in a manner as prompt and satisfactory to the people as they did in the construction of water-works.

While the opponents of E. C. Kirkpatrick have worked strenuously to defeat him for the office to which he aspires, not one of them has questioned his ability or integrity. His business career has been honorable, and the success he has achieved in his private affairs leads the voters to believe that he would be useful man in guarding the best interests of the people of Polk county, if elected to a seat in the State Senate.

REPUBLICAN PRIMARIES

Thursday, April 7, at 2 o'clock P. M.

Men who seek office merely to advance their own personal ends or those of some certain faction are unworthy of consideration at the hands of the voters. A public office is too often regarded as a private snap, and the people have to pay the bills and get nothing in return.

Hon. B. F. Mulkey, whose name has been mentioned in connection with the Congressional nomination, says his professional work as President of the Southern Oregon Normal School absorbs his entire energies and that he has no time to engage in politics.

FIRST STEP TAKEN

Council Decides to Lay Sewers on Mill and Court Streets.

The city council has decided to begin work on the sewerage system as soon as the property-owners in interest can be notified and the contract let. This decision was reached at a special meeting held on Wednesday evening of this week, and the motion to begin the improvement was carried by a unanimous vote.

The Court Street sewer will extend from Hayter street to the outlet on the county road near Abel Uglow's dwelling house, and will reach all property as far south as the postoffice on Main street. The Mill street sewer will be built from Hayter street to Lyle street, (the old Waynre corner), and south on Lyle street to the sewer on Court street.

The council will meet on Monday, April 18, at 7:30 o'clock p. m., to hear any and all objections that may be made to the proposed improvement by the owners of the property proposed to be benefited by these sewers.

ELLIS & KEYT

WE have closed one of the most satisfactory month's business it has ever been our pleasure to experience.

We have not made a cent, but we have sent more happy people out of our store than ever went out in Oregon during the same length of time, and the nice part of it is, they are all coming back again.

Our Spring stock is beginning to arrive, and we will show the finest Spring Stock of Goods that will be seen in Oregon this year outside of Portland.

The whole business comes from Missouri instead of New York this year. We bought our goods in Missouri—better goods, more stitches to the inch, and longer yards. We will have them all in during the month.
