DALLAS COLLEGE WINS

Takes Field Meet With Willamette by 70-56 Score—Poling's Great Work.

The Dallas College track team won a splendid victory on Willamette field last Friday when they defeated the Willamette University team in a hotly contested meet by a lead of 14 points. Dallas took 10 first places, and Willamette four. A heavy wind blew from the west throughout the afternoon and prevented any good records being made.

Speaking of the game, the Salem Statesman pays a high compliment to Dan Poling, saying: "Dan Poling, of Dallas College, was easily the hero of the day and attracted the admiration of friends and foes alike. He is one of the best all around athletes in the state, and contested in nearly all events, winning five first places, each time giving his college five points, and won a place in every event in which he contested. He won the highest individual score, 26 points."

Perry Castle did excellent work for Dallas in the weight events, winning first place in the discus throw and hammer throw, and second place in the shot put. Ford and Gates in the hurdles, and Launer in the pole vault, won out easily over their competitors. The winners of each event follow.

Pole vault—Launer, Dallas; Winslow, W. U.; Wilson, Dallas; distance, 94 feet.

Activity at Freeland Mines.

The Freeland Consolidated Mining Company has added another claim to its valuable group, on Gold Creek, Marion county, which now consists of eleven full claims. The new claim is a free mill ledge and is high grade as the gold can be seen plainly with the eye without the aid of a glass. While building a new trail to the "Five Shot Hill," a quartz cropping about six feet wide and nearly three hundred feet long was uncovered, and from the surface indications it will prove a high-grade proposition. The work on the main tunnel, located on the Granger claim, is going along very rapidly and richer ore is being uncovered every day. The work on the Granger consists of a cross-cut tunnel 165 feet, and the drift on the ledge is about 175 feet long running both ways from where the cross cut taps the main ledge. A large amount of the stock of the Freeland company is owned by Dallas men.

Branch in McMinnville.

J. R. Marks, a member of the firm of Fidler & Marks, proprietors of the Dallas Ice and Cold Storage plant, was in McMinnville, Thursday, to make arrangements to get their ice handled here. They have their plant about completed and expect to begin making ice next week. They have a capacity of five tons a day and will make the ice from pure mountain water. They expect to be able to deliver ice in this town at the peoples' homes as cheap as they can get it anywhere else. They will make a shipment next week to show the people what they can do and then will establish a branch office here.—McMinnville Reporter.

Advertised Letters.

On May 18, 1904, there were advertised letters in the Dallas postoffice for Vern Becker, J. H. Collins, H. C. Derrick, W. P. Norm, G. L. Paek, George Paek, Alas Witherly, Paul Rowland and Basil Williams. C. G. Cold, Postmaster.

The OBERSEVER job office has a fine stock of emblem cards for Masons, Odd Fellows, Elks, Knights, G. A. R., and other fraternal organizations. The prices are reasonable, and the stock is strictly first-class.

VOTE FOR TWO CIRCUIT JUDGES

Six years ago there were two Circuit Judges to elect, and the Republican nominees were George H. Burnett and H. H. Hewitt. Many voters did not understand that they should vote for TWO. In consequence of this mistake, Judge Hewitt was defeated. Again this year there are two judges to elect. The Republican nominees are George H. Burnett and B. L. Eddy. Vote for BOTH!

PRETTY MAY WEDDING

Miss Ruby Hastings Becomes the Bride of Harvey G. Greenwood.

One of the prettiest weddings of the year was that performed at the home of Mrs. A. J. Hastings, in Dallas, at 9 o'clock Sunday afternoon, by Rev. Erret, pastor of the First Christian Church of Salem, when Ruby M. Hastings became the bride of Harvey G. Greenwood. The ceremony was witnessed by about sixty relatives and friends of the contracting parties.

The home was handsomely decorated for the glad occasion, and the young people pledged their troth under an arch of white lilacs and ivy. The bride was daintily gowned in white organdie, and carried a bouquet of Marechal Niel roses. The wedding march was played by Prof. William Caldwell. Light refreshments and a social hour followed the ceremony. Many letters and telegrams of congratulation were received from invited relatives and friends who were unable to attend the wedding. Mr. and Mrs. Greenwood are worthy young people, and begin their married life with the best wishes of all.

Those invited to the wedding were: Mr. and Mrs. Peter Greenwood, Mr. and Mrs. Bert Hastings, Mr. and Mrs. M. F. White, Mr. and Mrs. Homer White, Mr. and Mrs. William Greenwood, Mr. and Mrs. Herbert Culp, Mr. and Mrs. James Harris, Mr. and Mrs. Fred Palmer, Mr. and Mrs. Calvin Patton, Mr. and Mrs. Jesse Martin, Mr. and Mrs. F. LIVELY RUNAWAY AT SALEM

Two Polk County Women Have Exciting Experience on Big Steel Bridge.

An accident occurred on the Willamette steel bridge Saturday morning which might have proven serious to those concerned had not men been at hand to assist, says the Salem Statesman. Two ladies from near Dallas were crossing the bridge on their way to Salem for a shopping tour, driving a gentle horse and open buggy, and when near the Marion county side the horse became frightened at a noise caused by men on the river banks beating carpet. The animal suddenly lunged toward the south side of the bridge, plunged under the wires used as a railing, careening the buggy and tipping out the occupants. The horse then raised up with the three wires on its back, and began plunging frantically in a desperate effort to release itself. The driver pluckily held to the lines and prevented the horse from going further until Arthur Meyers and Mr. Pasco, who were near, could come to the rescue. They unhitched the animal, but he broke away from them onto the foot bridge and ran down the Marion county approach. At the end of the foot bridge Ennis Waites' wheel was leaning against the railing, and the frightened animal struck it, making a complete wreck. There he was caught and returned to the owners, the only damage having been a few broken straps of the harness.

Had the horse struck the wires on the opposite side he would have gone over into the river, and the buggy would have been wrecked, with the possibility of the ladies also having been thrown into the icy waters of the Willamette. As it was, they were thrown near the edge and could easily have fallen between the wires. Had none been at hand to assist, the ladies would have been entirely at the mercy of the frightened beast.

There has been a feeling of insecurity ever since the old wooden railings were replaced with wire and the accident Saturday shows that no time should be lost in making it more secure.

Rev. G. L. Lobdell will preach at the Christian Church, Sunday.

Fine Program Prepared.

The school teachers of Oregon are taking an unusual interest in the annual meeting of the State Teachers' Association, to be held in Portland during the last week in June, and the prospects are bright for the largest attendance in the history of the organization. The department of superintendence, composed of the superintendents of the counties of the western division of the association, will meet June 28 in the Portland City Hall. The President of this Department is Superintendent C. L. Starr, of Polk county, who was honored with the office at last year's meeting by a handsome majority over all other aspirants. Prof. Starr has worked earnestly for the upbuilding of the association, and the result of his labors will be seen and felt in the success of the meeting this year.

Clever Entertainment.

The Four Georges, a musical and specialty combination, gave a clever entertainment at the City Hall last Friday evening. The young ladies and gentlemen of the company are refined in their manners, and give a performance that is full of snap and vim. The show has a bright and prosperous appearance, and is evidently a money-maker for its owners. The features of the performance are the violin solos by Miss Marion George and the cello and piano work of Miss Katherine George. The four Georges are winners, and they are welcome to visit Dallas as often as they choose.

Builds Cement Walk.

A new cement sidewalk on both sides of Dr. Mark Hayter's residence property on Main street greatly improves the appearance of the premises and the street. The OBERSEVER would like to see the building of cement walks become general in the residence district. The cost is somewhat greater than that of wooden walks, but the cement walk is more satisfactory in every respect, and is much cheaper in the end.

NEW BOAT IS LAUNCHED

Captain Skinners New Craft Christened in Presence of Large Crowd.

The new boat Independence built at Independence by Captain Skinner, was launched in the Willamette river, Saturday morning. Soon after 8 o'clock, in the presence of a large crowd gathered for the occasion, Miss Francis Cooper, daughter of Mayor and Mrs. J. S. Cooper, broke the bottle of champagne on the bow and the Independence was christened and launched.

The boat has been under course of construction for some time, and has a capacity of 12 tons and is capable of carrying 100 people. She is 55 feet and 3 inches long. She is inspected by Deputy Barnes of the custom house.

In past years during the summer months Independence has been without boat service, and it is Captain Skinner's intention to make two round trips daily between that town and Salem throughout the year.

Department Responded Quickly.

An incipient fire in the dwelling house of Dr. C. C. Poling, caused by a blazing lamp, called the fire department out in short order Monday evening. Fortunately the services of the firemen were not needed, as neighbors succeeded in putting out the flames within a few minutes after the alarm was given. Dr. and Mrs. Poling feel very grateful towards the neighbors who assisted them in saving their home.

The OBERSEVER job printing department is rushed with work, and the capacity of the presses and skill of the printers is taxed to the utmost in keeping up with orders. New material is constantly being added and the office is now prepared to handle all classes of work. The printing turned out by the OBERSEVER is known throughout the length and breadth of the Willamette Valley, and hundreds of dollars are sent into Dallas every year from outside counties in payment for work ordered at this office.

The twenty-third wedding anniversary of Mr. and Mrs. B. F. Whiteaker was celebrated at their home Thursday. Four sons—Will, Al, Frank and Glenn, and four daughters—Mrs. Etta Weaver, Mrs. Lilly Cook, Mrs. Bertie Roe and Mrs. Nellie Kantner, with six grand-children were present.

Henry Hanisch and Charles Henke, of Dallas, were in Hillsboro, Tuesday, visiting with Messrs. Specht & Mostert, of the City Bakery. These gentlemen are friends of long standing and the visit afforded much pleasure to each. Hanisch & Henke have but recently sold their bakery business in Dallas.—Hillsboro Independent.
