Williams, the confectionery and cigar man, has the largest and best assortment of Fireworks that has ever been brought to the city of Dallas. Sky rockets, all prices; electric torpedoes, flower pots, snakes in the grass, large pinwheels, paper balloons, flags, triangle wheels, Vesuvian safety torpedoes, cannon crackers, whistling bombs, American salutes, and other novelties too numerous to mention.

ROOSEVELT AND FAIRBANKS

Theodore Roosevelt was renominated for the highest office within the gift of the American people by the Republican National Convention in Chicago yesterday. Charles W. Fairbanks, of Indiana, was named as his running mate. The platform adopted indorses the gold standard; favors legislation which will build up the merchant marine; approves the exclusion of Chinese labor; liberal pensions; arbitration of international difficulties; favors protective tariff; combinations of capital and labor must not be permitted to infringe upon the rights of the people.

Foot Badly Mashed.

Claude Lynch, brakeman on the Dallas and Falls City train, met with an accident near Falls City late yesterday afternoon that may cause him the loss of a foot. While assisting in switching some flat cars, his foot caught under the wheels in some manner and a heavy car passed over it, breaking the bones and mashing it to a pulp. He was brought to Dallas where surgeons made a hasty examination and dressing of the injured member, and was then taken to the Salem hospital. The extent of the injury is not known, but it is feared that at least a portion of the foot will have to be amputated.

Garden hose at Vaughn & Weaver's, on Mill street.

Take your prescriptions to the Wilson drug store.
J. Elliot, veterinary surgeon, will be at Dallas every Thursday.

Patronize home industry by buying your meats at the Dallas City Market. Everything strictly first-class and reasonable prices guaranteed. Only the choicest meats sold. Give us a call at the old stand in the Kirkpatrick building.

Dallas Candy Factory

"It's a fact Well understood, If you buy home-made candy It's always fresh and good."

ELECTRIC ROAD UP VALLEY

Portland Capitalists Incorporate to Build Line to Salem and Independence.

Articles of incorporation of the Portland, Salem & West Side Railway will be filed with the County Clerk soon, says the Evening Telegram. The new road will have 71 miles of double track, and will be operated by electricity. The incorporators named are Robert Balentine, Charles Ather-ton and Frank Brewster, all of Portland. The capital stock of the new corporation is fixed at \$500,000, in shares of \$100 each. The estimated cost of the new road is about \$1,000,000, although it is expected to cost about \$250,000 less. Eastern capitalists, according to Mr. Balentine, are investing their money in the new enterprise.

Surveys for the road were made about a year ago, and actual construction will start within thirty days, according to a promise made by Mr. Balentine, from both Salem and Portland. The terminals in Salem and Portland have not been decided upon, but will be in ample time to facilitate the completion of the road.

The new road will enter Portland from the south, and its station will be located somewhere in South Portland. From there it will stretch southwest across the Tualatin River, and from there south to the Willamette, crossing that river between Boone's Ferry and Butteville. From there it will run in a southwesterly direction through French and Salem prairies to Salem. This line will be 46 miles long.
One of the two branch lines will leave the main line somewhere near Portland and proceed to Hillsboro, a distance of 15 miles from the point where it leaves the main line. The other, 10 miles long, will connect Salem with Independence.

IN SOCIETY'S REALM

Lewis and Clark Division Entertained at Home of Mr. and Mrs. J. G. VanOrsdel.

The women of the Lewis and Clark Division and their invited guests were entertained by Mrs. J. G. VanOrsdel, Mrs. J. C. Gaynor, Mrs. W. H. McDaniel and Mrs. Willis Simonton at the home of Mr. and Mrs. J. G. VanOrsdel on Wednesday afternoon. The spacious parlors were beautifully decorated with flags and bunting and flowers, the program being in commemoration of Flag Day.

After the regular business meeting, an excellent musical and literary program was rendered in honor of the "Stars and Stripes," and the guests were favored by two selected readings by Miss May Pollock and a piano solo by Miss Hallie Gibson. Refreshments were served and a pleasant social time was enjoyed by all. Many new names were proposed for membership. The Division now has over one hundred members and is becoming one of the prominent social organizations of the city.

The Division will be entertained by Mrs. Dr. Mark Hayter and Miss Neva Campbell on the third Tuesday in July.

Shingles for sale. RIGGS.

YEAR'S END AT NORMAL

Commencement Exercises at Monmouth Attended by Hundreds of People.

The exercises of the twenty-second June commencement of the State Normal School, at Monmouth, came to a close Wednesday night. The attendance of old students and alumni was the largest in the history of the school, and the exercises were of a high order of excellence throughout the week.

The commencement began Saturday evening, when the Junior class presented the drama, "Emeralda" before a large audience in the chapel. The cast of characters was well chosen and the play was highly successful.

Rev. Henry L. Bates, of Tualatin Academy, preached the baccalaureate sermon on Sunday morning at 11 o'clock. His text was John 3: 10: "I am come that they might have life and that they might have it more abundantly." He said in part that the only true life is one fully developed in all its capabilities to the fullest extent. That a life of education is only not desirable but the moral as well as the intellectual nature should be fully developed. That the true aim of life is to get a broad, clear view of the relationship of God and man and strive to reach it.

The Field Day exercises were held Monday afternoon and were enjoyed by a large crowd who witnessed a very close and exciting game of tennis between the team from Dallas and a team from the State Normal. The game was won by the State Normal team by an exceedingly close score. Immediately following was a baseball game between the Alumni and the State Normal team which was won by the latter in the score of 7 to 6. It was a spirited game. In the evening a literary programme was given by the societies, followed by an open-air concert and promenade in the grove.

The closing assembly for the year was held at 9 o'clock Tuesday morning. President Bessler made a review of the work for the year which was very flattering.

The annual meeting of the Board of Regents was held in the afternoon. President Bessler and the entire faculty were re-elected with the exception of Mrs. Forbes and Miss Nash, who had resigned. Governor Chamberlain was present at the meeting and expressed himself as well pleased with the condition and work of the school.

Resolutions were passed in memory of the late Judge Flinn, who was a member of the board. The former members of the executive committee were elected.

The class-day exercises were held this afternoon. The papers and addresses were excellent and well received by the audience. The second part exercises consisted of the planting of the vine at the front of the building, dedicating a marble slab bearing the inscription of "June, 1904," let into the old maple and weaving a floral chain.

A classical concert was given in the evening. Prof. Glen, of the University of Oregon, and Miss Dorothea Nash were the artists and all the numbers were of high grade and given in a manner bespeaking a high order of talent.

The graduating exercises were held Wednesday morning in the assembly room, which was filled to the overflowing. Miss Ruth A. Cooper, of Tillamook, gave the salutatory, "The Mission of Genius," and W. R. Rutherford, of Huntington, the valedictory, "A Land of Many Peoples." Papers were presented by Miss Gertrude Vernon, of Lakeview, "Archaeological Field Work in Oregon;" Miss Constance Wheelon, of The Dalles, "Learning for the Light It Sheds;" Miss Olga Boatman, of Puyallup, Wash., "The Little Child Psychologically." All the papers showed careful preparation and the delivery was given in a most pleasing manner.

This class consists of 31 members, whose average age is above 23 years, and it is one of the best prepared and most matured classes ever graduated here. The address to the class was made by Senator William Kuykendall, of Eugene.

The alumni association gave their annual reunion in the evening. Reminiscences were given by Judge Burnett. The address was given by Dr. O. A. Thornton and the oration by Superintendent J. W. Kerns. Miss Ednelle Collins gave a recitation. The June class of 1904 was presented to the association by President Bessler and was received by President McCue. The literary programme was followed by the annual banquet given at the gymnasium.

McCallister--McCarter.

Jasper McCallister and Mrs. Olive McCarter were married in Dallas, Sunday, June 19, County Judge J. E. Sibley pronouncing the ceremony that made them husband and wife. Only near relatives of the bride, and Mr. and Mrs. A. Nelson, of Independence, with whom Mr. McCallister lived when a boy, were present. A beautiful wedding dinner was served after the ceremony. Mr. and Mrs. McCallister have the best wishes of many friends in their new relation.
