The way to build up Dallas is to patronize Dallas people.

ANOTHER MILL FOR DALLAS

L. E. Knapp is Moving His Oak Sawmill Plant From Bridgeport to This City.

L. E. Knapp, who has operated an oak sawmill in the hills south of Dallas and west of Falls City for several years, is moving his plant to the terminal grounds of the Dallas & Falls City railroad in the south end of town. The machinery is being removed from its present location near Bridgeport, and is being shipped in and unloaded near the roundhouse. As soon as the machinery is installed in the new building now in course of construction, the mill will be operated on a larger scale than ever before. The logs will be shipped to the mill by rail.

COLD STORAGE FOR MEAT

Dallas City Market Has Purchased Largest Size Stevens' Ice Box.

Murrell, Haldeman & Gorke, proprietors of the Dallas City Meat Market, have purchased a Stevens' ice box for their market and will hereafter keep all meats in cold storage. The box is one of the largest manufactured, and has capacity for a large supply of meat. Customers will be enabled to see at all times the amount of stock on hand without taking anybody's word for it, and will be assured of getting the very best meat to be had in the market.

This firm desires to say that they are in no way associated with the firm of Pidler & Marks, who have recently opened a market in Dallas. An impression has gone out that the two markets are under one management, and it is to correct this wrong idea that this statement is made.

The Dallas City Market respectfully solicits your patronage, assuring you that you will be treated right and that nothing but the very choicest meat will be offered you at all times.

Respectfully yours,

MURRELL, HALDEMAN & GORKE.

Change of Management.

To my customers: Having retired from the management of the Dallas Foundry and Iron Works, I desire to thank all my old customers for their liberal patronage and to recommend my successor, Mr. W. C. Jackson, as a skilled machinist and a gentleman worthy of a continuance of their trade. I will stay with Mr. Jackson several months in order to acquaint him with our customers and to assist him in his work.

which also builds up the system that has suffered from them. It is the best medicine for all humors.

OFFICIAL CANVASS IS MADE

State Printer Amendment Lost Because Required Majority of All Votes Was Lacking.

The official canvass of the returns of the recent election shows the Republican plurality in Oregon to be more than 24,000. For Supreme Judge, Frank A. Moore received 52,946 votes and Thomas O'Day 28,729 giving the Republican candidate a plurality of exactly 24,217. The total vote of Oregon for 1904 was 99,315, as compared with 92,920 for 1902 or an increase of 6,395, or about 6 2-3 per cent.

The local option law carried by a vote of 43,316 to 40,198, or a majority of 3,118.

The direct primary law carried by a majority of 39,871, the vote being 56,296 for and 16,425 against.

The office of State Printer amendment failed to carry, the affirmative receiving 45,334 votes, while 49,658 were necessary to make a required majority of all votes cast at the election.

Representative Herrmann was elected by a plurality of 6814, and Williamson by a plurality of 14,353.

J. W. Bailey was elected Dairy and Food Commissioner over his Democratic opponent by a plurality of 24,281, or 66 more than the plurality for Supreme Judge.

The last of the returns from the several counties were received Saturday morning, and Governor Chamberlain and Secretary of State Dunbar immediately canvassed them and certified the results. Secretary of State Dunbar has issued certificates of election to each of the successful candidates for state and district offices.

Nearly every county shows an increase in the total number of votes cast, the only decrease being in Clackamas, Gilliam, Grant, Harney, Lake, Lincoln, Marion, Tillamook and Umatilla Counties.

Though there was a total of 99,315, only 93,608 ballots were marked for Supreme Judge, about 5700 persons not voting for any candidate for that office. Two years ago when there was a total of 92,920 votes cast, only 87,719 marked their ballots for Supreme Judge.

Out of a total of 99,315 who were entitled to vote for or against local option, 15,801 did not vote either way. There were 26,756 voters who did not express a choice on the direct primary law and a still larger number who did not vote on the State Printer amendment. The local option law lacked 6000 of having a majority of all votes cast at the election, while the direct primary law had over 6000 more than a majority of all votes cast at the election. Only a majority of all votes cast on those subjects was necessary for their enactment.

Foot Was Amputated.

Claude Lynch, the brakeman, who was injured at Knapp's siding on the Dallas and Falls City railroad, last Thursday afternoon, was taken to the Florence Sanatorium in Salem, where his left foot was amputated just in front of the ankle. He rallied nicely from the effects of the operation, and is now able to sit up most of the time. He is not worrying over the sad misfortune, but considers himself lucky in escaping a worse fate under the car wheels. The surgeons say that enough of the foot remains to enable him to wear a shoe, and express the belief that his permanent lameness will be slight. Claude is a popular boy in Dallas, and his many friends will join with him in feeling thankful that the accident was not attended by more serious results. He will probably be able to leave the hospital in about two weeks.

Love is sometimes a hard taskmaster. He drives women to tasks beyond their strength and lays heavy burdens on their shoulders. Love of husband, love of family, force many a woman day by day to labor for the home when aching back and throbbing head make her utterly unfit for household duties.

Weak, nervous women who suffer from headache, backache, bearing-down pains and other consequences of womanly disease, can be completely cured by the use of Doctor Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"About two years ago I was taken sick and it seemed as if I had no nerves left," writes Mrs. P. Woodbeck of Delray, Mich. "Could not work an hour in the day without being tired out. I doctor'd first with one physician, then with another, but did not receive any benefit. One day I saw your thing and the next something else. I had almost given up when I thought your medicine might help me, so I wrote to you asking what to do. You sent me to take Dr. Pierce's Favorite Prescription and Golden Medical Discovery. I did so and within a week I was all right again. I feel better than I did in a long time. Can work all day now and not feel tired as I would in an hour before taking your treatment. I think it is the only medicine."

Dr. Pierce's Pleasant Pellets cure dizziness and sick headache.
