MAKE "FRENCH" PRUNES

California Prunes are "doctored" in France and Re-Shipped to United States.

That French merchants have learned the trick of "redotoring" and re-packing California prunes so as to make them look like the genuine Bordeaux article is re-asserted by United States Consul Touge, at Bordeaux, France.

The Consul was asked to explain the statement in his annual report that "California prunes are imported to Bordeaux, are there repacked to maintain the superiority of French prunes, and are then shipped in large quantities to the United States, where they compete successfully with the American fruit which has not incurred the cost of double exportation."

He produces evidence in support of his assertion. Although the crop of prunes in France last year was, he says, almost a negligible quantity, the export of "French" prunes was not materially less than in past years. Consul Touge confesses that he does not understand the process of transformation applied, but he is sure of its existence.

BRIGHT'S DISEASE.

The largest sum ever paid for a prescription, changed hands in San Francisco, August 30, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, bitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physician for judges. Up to Aug. 29, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address JOHN J. FELTON COMPANY, 420 Montgomery St., San Francisco, Cal.

Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines, without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by Wilson Drug Co.

Weak Hearts.

This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Women as Well as Men

Are Made Miserable by

Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when he should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and pleasant effect of **SWAMP-ROOT** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured, in writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Have You Received the Seaside Souvenir for 1904?

All persons having claims against said estate are hereby notified to present the same to the undersigned, verified as by law required, at his place of residence at Williams, Yamhill County, Oregon, within six months from the date of the first publication of this notice.

Dated this 8th day of July, 1904.
ADMINISTRATOR OF THE ESTATE OF LEVI TAYLOR, DECEASED.
McCall & Yinton, Attys. for estate.

"It's a bad time to swap horses when you are crossing a stream."

That was Lincoln's famous reply to those who urged him to make a change in generals at a critical period of the Civil war.

Lincoln's saying is worth remembering, especially when you are asked to "swap" Dr. Pierce's Golden Medical Discovery for a worthless bargain, described as "just as good," at the critical time when health is at stake.

Dr. Pierce's Golden Medical Discovery is a medicine which has a record of ninety-eight per cent of cures. It is an absolutely reliable family medicine, non-alcoholic and non-narcotic. It always helps; it almost always cures. Why should any one who is seeking a cure for sickness, and is persuaded that the "substance" will cure him, "swap" the substance for the shadow at the risk of death?

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. What is popularly termed "weak" stomach is the common cause of various forms of physical weakness, such as "weak" heart, "weak" lungs, "weak" or "ragged" liver, "weak" nerves, etc. The entire body and its several organs are dependent for strength upon the food prepared in the stomach. The "weak" stomach cannot provide the food-strength for the various organs, which in their turn become "weak" and unable to accomplish the work for which they were designed. "Golden Medical Discovery" cures through the stomach diseases which have their cause in a diseased condition of the stomach and the all organs of digestion and nutrition.

It enables the perfect digestion and assimilation of food by which the body is built up into a condition of sound health. It purifies the blood, driving out the poisons which breed and feed disease.

Preferred to Die.

"I have taken Dr. Pierce's Golden Medical Discovery and it did me more good than anything I could get," writes Mrs. Julia A. Wilcox, of Crystal Lake, Wis., "I had been troubled with various ailments for many years, but I had had my choice as to live or to die. I preferred to die. My husband heard of Golden Medical Discovery and he bought one for me. I took six bottles before I stopped. I am now well and am cooking for boarders if I have six, and am eating in washing basins. I will buy more of it. I will be willing to answer any letters or write to me. I will be glad to send you a copy of my story. If you think this will be of any benefit to you or your suffering woman to obtain relief you will do it and make any honest use of it you wish to."

Was Bedfast.

"I had been sick for more than a year with kidney trouble," writes Mrs. Lucy Boyer, of Jacksonburg, Tenn. "Several different doctors treated me, but none did me any good. One doctor said I never could be cured. I had Bright's Disease. I suffered nearly death. I was bedfast most of the time for six months. My neighbor begged me to try Dr. Pierce's Golden Medical Discovery. With but little hesitation I wrote to Dr. Pierce and he said he could cure me. I began to take his Golden Medical Discovery and all my troubles disappeared. I began to improve from the start, and by the time I had taken five bottles I was entirely cured. I weigh more than ever before in my life, and am able to do my usual work."
