WOULD DRAW LARGE TRADE

Representative Delegation of Independence Business Men Urge Importance of Sidney Road.

A representative delegation of Independence business men came over on a special motor Wednesday morning and made known to the County Court the wishes of the people of Independence and vicinity concerning road extensions and improvements in the east end of Polk county. The principal object of the visit was to lend support and endorsement to the petition of citizens of Polk and Marion counties for a county road from Independence to Sidney, but the improvement of the Independence-Salem road between the Brunk bridge and Independence also came in for a large share of the discussion.

Dr. O. D. Butler, president of the Independence Improvement League, stated the object of the visit and urged the importance of favorable consideration of the petition for a county road to Sidney. David Calbreath explained to the Court that there are 25 families in Polk county and a larger number of people in Marion county who would be benefited by the construction of the road. He said that the cost of the road would be small, and that a large amount of trade that now goes to other points would come to Polk county if this road were built. Charles A. Park, of Marion county, informed the Court that \$1000 had already been expended in the construction of the road on the Marion county side of the river, and gave it as his opinion that Polk county would receive a greater benefit from the opening of the road than would Marion county. After a brief discussion, in which the members of the Court and the visiting delegation took part, the petition was taken under advisement.

The improvement of the Salem-Independence road then came up for consideration, and earnest pleas for the repairing of the Brunk bridge and the graveling of two miles of the road were made by W. W. Percival, P. M. Kirkland, Walter Lyon and David Calbreath. The claim was made that this road has been sadly neglected of late, and the members of the Court were invited to drive over it at the expense of the Improvement League. The invitation was accepted, and the inspection will probably be made this week.

W. W. Percival called the attention of the Court to the importance of appointing a Deputy Stock Inspector for the stock yards at Independence, and asked them to take the matter under consideration.

The members of the League comprising the delegation were: President Butler, Walter Lyon, U. L. Frazer, J. M. Stark, E. E. Paddock, W. W. Percival, G. A. Hurley, W. A. Messner, M. M. Porterfield, David Calbreath, P. M. Kirkland, J. Dornisite, C. Kurre, Charles Brown, Riley Craven, Dr. E. J. Thompson, McCready and Charles Calbreath.

Died.

GIBSON—At Rickreall, Polk county, on Friday night, September 2, 1904, of a complication of diseases, Mrs. M. E. Gibson, wife of the late Samuel D. Gibson, aged 58 years.

Mrs. Gibson came to Oregon in 1867 and was married the same year. Her husband died seven years ago, and only one son, Frank Gibson, of Rickreall, survives her. The funeral was held on Sunday afternoon, and the remains were interred in the Rural cemetery, near Salem. Mrs. Gibson was a kind and charitable woman, and was greatly beloved by her friends and neighbors.

SIMONTON—At the family home, two miles north of Rickreall, Saturday, September 3, 1904, of congestion of the brain, Miss Florence Simonton, youngest daughter of James Simonton, aged 21 years.

The young lady had been in failing health for several years, but it was not until four weeks ago that her illness took a serious turn. Miss Florence was a bright and winsome girl, and was popular among her schoolmates and friends. The funeral services were conducted at the family home Monday afternoon by Rev. W. T. Wardle, pastor of the First Presbyterian Church of Dallas, and were largely attended. The remains were brought to Dallas and given interment in the Odd Fellows' cemetery. The floral tributes were many and beautiful. The pallbearers were C. L. Starr, Oscar Hayter, C. E. Shaw, W. L. Soehren, J. C. Hayter and Edgar J. Bryan. The death of this popular young lady will be mourned by a wide circle of friends.

BAKER—At Nampa, Idaho, of old age, Mrs. Cora Baker, wife of Jackson Baker, aged 78 years.

The remains were shipped to Falls City, where the family formerly resided, and were buried at that place Tuesday afternoon. A large concourse of people followed the remains to their last resting place. The funeral services were conducted by Rev. J. Bondurant. Mr. and Mrs. Baker lived in Falls City for many years, but moved about one year ago to Nampa, Idaho, where their daughter, Mrs. John J.

The Renewal a Strain.

Vacation is over. Again the school bell rings at morning and noon, again with tens of thousands the hardest kind of work has begun, the renewal of which is a mental and physical strain to all except the most rugged. The little girl that a few days ago had roses in her cheeks, and the little boy whose lips were then so red you would have insisted that they had been "kissed by strawberries," have already lost something of the appearance of health. Now is a time when many children should be given a tonic, which may avert much serious trouble, and we know of no other so highly to be recommended as Hood's Sarsaparilla, which strengthens the nerves, perfects digestion and assimilation, and aids mental development by building up the whole system.

First in the Field.

Ellis & Keyt desire to announce that they are showing the finest line of Ladies' Fall and Winter wraps ever brought to Polk county. This is no idle boast—the goods show for themselves and prove the truth of the assertion. These wraps are nicer than any we have ever had before, and embrace everything that is new and stylish. A full line of the close-fitting garments and ladies' overcoats of various values—a convincing demonstration of price-economy and modish elegance combined. The ladies are invited to call and see these wraps. We give 55 cents in trade for 50-cent hop tickets.

Very truly yours,
ELLIS & KEYT.

C. N. McArthur, of Rickreall, was in Dallas on a business visit, Saturday. He says that the grain harvest is over in his neighborhood, and that hop picking has commenced. An average yield of hops in the Rickreall yards is expected.

Charles M. Wilson, of Sheridan, and Miss Ellen Oviatt, formerly of Buell, Polk county, were married at the home of the bride's parents in Corvallis, last Wednesday. The guests present from Polk county were Miss M. Coad, Miss Miller and Charles Miller, of Buell.

Mr. and Mrs. Samuel Thurston, of Crawfordsville, have a new-born son.

Charles Blum, of Pleasant Valley, Tillamook county, and Miss Minnie Nelson, of Perrydale, were married at high noon Sunday, at the home of the bride's parents, Rev. W. T. Wardle officiating. The wedding was a home gathering. After the ceremony, a delightful lunch was served. Well connected and respected, Mr. and Mrs. Blum start out in life with the benediction of friends and the well wishes of the community.

J. L. Collins, a prominent attorney of Dallas, was in Salem Thursday night, having come over to hear Secretary Shaw, bringing his son, James D. Collins, for the same purpose. Mr. Collins was a member of the Republican State Convention that met in Eugene in 1892, when Gibbs was nominated for Governor and E. N. Cooke for State Treasurer. Mr. Collins says the first Republican convention in Oregon nominated John R. McBride for Congress, but that the convention at Eugene, formed the Republican Union party. He voted for Lincoln for President the second time he was the candidate.—Salem Statesman.
