Republican National Ticket

FOR PRESIDENT
THEODORE ROOSEVELT,
of New York.

FOR VICE-PRESIDENT
GHAS. W. FAIRBANKS
of Indiana.

For Presidential Electors:
G. B. Dimick, of Clackamas county
A. C. Hough, of Josephine county.
J. N. Hart, of Polk county.
J. A. Fee, of Umatilla county.

Senators Fairbanks and Dooliver were given a rousing reception in Portland last Saturday evening. Fully 5000 people attended the speaking at the Armory, and as many more were unable to gain admission to the hall. Prominent Republicans from all parts of Oregon were in attendance, and enthusiasm ran high. The speakers were introduced by Senator John H. Mitchell, and were accorded an ovation at the opening and closing of their talks. Both Senator Fairbanks and Senator Dooliver have always been loyal friends of Oregon, and the people of this state were glad of an opportunity to show their appreciation of this friendship. Senator Fairbanks delivered a thoughtful, scholarly address, devoting his talk almost exclusively to the great issues confronting the people of the United States. He answered every Democratic argument worthy of an answer, and did it in a pleasing and convincing way. His talk throughout was that of an able and dignified statesman, and made a profound impression upon the big audience. Senator Fairbanks avoids partisanship of the offensive sort, and makes votes for the Republican ticket. Senator Dooliver followed with a pleasing speech, in which he paid a high tribute to the State of Oregon for its unswerving loyalty to the principles of good government. The meeting was a grand success, and while the result of the coming election in Oregon has never been in doubt, the visit of these two distinguished statesmen will have the effect of adding many votes to the Republican majority in this state. Senator Dooliver was obliged to retire from the present tour at Portland, because of a cold and sore throat which incapacitates him from speaking. His place was taken by Senator Fulton of Oregon, who will continue with the party during the remainder of the tour.

WEDDING BELLS RING

William T. Goesser and Miss Bertha E. Holmes were married at Rickreall yesterday.

Miss Bertha E. Holmes, the only daughter of Mr. and Mrs. John P. Holmes, of Rickreall, was united in marriage to William T. Goesser, of Portland, on Wednesday evening. The wedding occurred at the Holmes residence, two miles east of Rickreall, and was witnessed by numerous relatives and friends of the contracting parties. The ceremony was performed by Rev. W. H. Heppie, of the M. E. Church at Salem, and the bride and groom were attended by Miss Anna Brown and Mr. Homer Holmes, a brother of the bride. The wedding march was played by Miss Ella Brown of Independence. After the ceremony and the congratulations that followed, the bridal party and guests were served with a delicious supper, after which the newly-married couple departed for Salem. The bride is a native of Polk county, and is a member of one of Oregon's pioneer families. The groom is a prosperous young business man of Portland, where the couple will reside.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat. No wonder catarrh causes headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and affects the appetite. To cure catarrh, treatment must be constitutional—alterative and tonic. "I was afflicted with catarrh. I took medicines of different kinds, giving each a fair trial; but gradually grew worse until I could hardly hear, taste or smell. I then concluded to try Hood's Sarsaparilla, and after taking five bottles I was cured and have not had any return of the disease since." EDWARD FORBES, Lebanon, Kan.

Hood's Sarsaparilla
Cures catarrh—it soothes and strengthens the mucous membrane and builds up the whole system.

GOES TO EASTERN OREGON

J. N. Hart Has Formed Law Partnership With Senator William Smith, of Baker City.

Julius N. Hart, a prominent attorney, of this city, has formed a co-partnership with Ex-Senator William Smith at Baker City, and will leave for his new field of work the last of this week. Mr. Hart has had this change of location in view for several weeks, but it was not until his recent visit to Baker City that the arrangements for the partnership with Senator Smith were made. Mr. Hart's family will remain in Dallas a short time before joining him in Baker City. The new firm of Smith & Hart will be one of the strong law firms of Eastern Oregon. Senator Smith enjoys a wide acquaintance, and is accounted one of the best lawyers east of the Cascade mountains. He makes a specialty of mining and water-right litigation, and has a large and lucrative practice.

Mr. Hart is a bright and active lawyer, and has had a successful career ever since his admission to the bar. A short time after being admitted, he was elected to the responsible position of District Attorney for the Third Judicial District. He served the people acceptably in this office for four years, and at the same time built up a paying civil practice in his office in Dallas. He is a tireless worker, and has always enjoyed the respect and confidence of his clients. Mr. Hart is prominent in the councils of the Republican party, and at the last State convention was honored with the nomination for the office of Presidential Elector.

Mr. and Mrs. Hart will be missed in lodge and social circles in Dallas, and their departure is a matter of general regret. The best wishes of many friends will go with them to their new home in Baker City.

Will Go East.

Mrs. Phya Daly has sold her handsome home on Oak street to I. F. Yoakum, of Bridgeport, and with her son, Floyd, will go to New York to spend the winter. The Daly residence is one of the finest in Dallas, having been rebuilt in modern style after its partial destruction by fire a few years ago. The price paid for the property was not made public. Mr. and Mrs. Yoakum will move to Dallas about November 1.

Many New Sidewalks.

As a result of the recent inspection by the Street Committee, the City Council will order forty or fifty new sidewalks built in Dallas at once. They will also serve notice on about seventy-five property owners to place the walks in front of their respective premises in a good state of repair within the next five days. The city will build several crosswalks, and will repair many of the old ones. These improvements are ordered at this time because they are needed, and for the further reason that little or no work of this kind can be done during the rainy winter months. The city cannot afford to take any chances of expensive and troublesome damage suits on account of injuries caused by defective sidewalks.

A FEW FACTS REGARDING OSTEOPATHY

In brief, Osteopathy is, "Practical Anatomy and Physiology skillfully and scientifically applied as a manual treatment of disease." It must not be confounded with methods aimed to cure disease through the mind.

Osteopathy gives nature a chance by providing for free circulation of blood, and unimpeded nerve force. It requires neither faith, drugs nor knife. Its keynote is adjustment, and through its meritorious success it has won legislative recognition in 26 States, and is practiced in every State in the Union.

Osteopathy receives the support and patronage of intelligent and reasoning people wherever it is known, among which will mention those of national reputation such as Sen. J. B. Foraker, of Ohio; Sec'y. of the U. S. Treasury, Leslie B. Shaw; Chief Justice Springer, Opie Reed, Mark Twain, Sam Jones, and others.

Osteopathy positively demonstrates that whatever interferes with nerve control and blood supply is a primary cause of disease, and that symptoms are but manifestations of such interference. Therefore instead of treating symptoms, we treat the cause to remove it, health resulting.

All who are afflicted with any chronic or longstanding diseases, deformity, spinal curvature, stiff joints, etc., in fact from any disease from which relief has been sought in vain, are invited to consult me without charge; and learn concerning the possibility of a cure Osteopathically. Worthy of special mention is the fact that Osteopathy has been truly declared a boon to womankind, in that it is almost specific for the many and distressing ailments to which they are subject. Hundreds have been restored to health unaided by the surgeon's knife.

If after a careful examination and my conscientious opinion, you should desire to take treatment, the charges will not be more than you would be willing to pay for benefits received. I am located here permanently, and cannot afford to deceive. Strict investigation solicited. All inquiries by mail fully answered.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
