

Falls City Notes

Josh Talbot was a Dallas visitor, Saturday. Born to Mr. and Mrs. David Grant, a daughter. Mrs. Lowe has been very sick for several days. The council is ordering many improvements about town. Mrs. Bert Wonderly's mother has been making her a visit. Falls City was favored with a special train one day this week. Mrs. C. L. Hopkins, who has been very sick, is able to be out again. We have a new doctor, whose office is over the drugstore. His name is Holland. F. H. Morrison, of Dallas, was a business visitor in Falls City one day this week. A union temperance meeting will be held in the M. E. Church next Sunday evening. Roy McMurphy has men working on the foundation of a house just west of the Argus office. The Rathbone Sisters will give a basket social in the Wagner Hall next Saturday night. Mr. and Mrs. Shepard have built a nice home across the track from the station at Bridgeport. Mrs. William Ellis has been staying in Dallas for some time with her mother, who is very sick. Frank Montgomery's hand was seriously injured by coming in contact with a saw in the Watkins mill. The council now has the fire-bell up, and at 7 o'clock sharp Marshal Grant rings the bell and the boys know it is time to go home. Subject at the Falls City Christian church Sunday morning, "An Important Secret Disclosed." All are invited to hear it. Merton Ellis, a Falls City boy, who has been keeping books for a hardware firm in Portland, is now doing similar work for a mining company in Butteville, Oregon. The vacancy in the Falls City Public School, caused by the resignation of Mrs. Hopkins, has been filled by the election of Miss Hallie Morrison, of Dallas. Miss Morrison comes well recommended. Mrs. John Moyer gave a party last Friday evening. The evening was spent in games and social entertainment. Those present were: Misses Bessie Milne, Maymie Fugitt, Alma Huseby, Maud Montgomery, Ida Waters, Pearl Bryant, Messrs. Fred Holman, U. S. Talbot, James Stewart, George Taylor, Oscar Sampson and Harry Lowe. The following is the report of the Falls City School for the month of November: Number enrolled, 158; average daily attendance, 156; tardy, 9; number of visitors, 21; neither absent nor tardy, 119. Those wearing the Liberty Bells given for the highest standing for the month are: Tenth grade, Maud Montgomery; ninth grade, Cora Page; eighth grade, Otto Elkjins; seventh grade, Cecil Dodd; sixth grade Eva Chapin; fifth grade, Lloyd Ellis and Glenn Stoddard, (a tie); fourth grade, Edith Harris; third grade, Mabel Grant; second grade, Mildred Chapin; first grade, Mattie Ferguson.

Coughing Spell Caused Death. Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe Democrat, December 1, 1901.

Seeks Lost Parent. Mrs. A. F. Gardner, of 477 Franklin Avenue, Hartford, Conn., is anxious to learn the whereabouts of her father, Christopher C. Stream, who emigrated to Oregon or Washington in 1888 and has not been heard of since by his relatives. She writes that her father is a Norwegian by birth, and formerly lived in Ontario, Canada, and St. Louis, Missouri. He was an Odd Fellow and a Mason, being a member of Northern Light Lodge, No. 505, A. F. & A. M., of St. Chazy, N. Y. When in the East, he worked at the cabinet-makers trade.

Called as Experts. U. S. Grant and Wilson Ayres were called to Seattle this week by the Carbon Cattle Company to pass expert judgment upon a flock of Angora goats over which a dispute has arisen. The exact nature of their errand is not known, but it is reported that these men were called to settle a difficulty between the company and a firm of stock buyers as to the quality of the animals in question. Mr. Grant was the official inspector for the American Angora Goat Breeders' Association when the goats in Oregon, Washington and California were registered a few years ago, and his work gave excellent satisfaction. Mr. Ayres is also an experienced goat breeder, and his judgment of these animals is considered excellent by goat men all over the state.

Promising Crop Conditions.

If the Willamette valley does not raise a larger crop of wheat, oats and barley in 1905 than ever before, it will be no fault of the farmers. They have had ideal conditions for getting in their grain, and they have been living fully up to their opportunities. Aside from the largely increased acreage in grain the prospects are excellent for a bumper crop, for the fields look fine now. The growth so far is all that could be desired.—Salem Statesman.

SALT RHEUM CURED

The following Letter Speaks Volumes For Dr. Darrin's Mode of Treatment.

Dr. Darrin, Hotel Gail—Dear Sir: It is with great pleasure and a thankful heart I wish to inform you that I am cured of salt rheum which I have suffered with for 25 years, at times so bad that my hands would crack to the bone, and my body was also affected. I have no words that can express my thankfulness to you. Mrs. E. Sherretts, of Vancouver, Wash., has known my condition and can be referred to. Refer anyone to me at 3778 Ruby St., Oakland, Cal., formerly lived at Gardiner, Oregon. Very respectfully yours, Mrs. MARTHA DAILY.

Remarkable Cure.

"I was much afflicted with sciatia," writes Ed C. Nud, Iowaville, Sedgewick, Co., Kansas, "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, and am able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00. Sold by Wilson Drug Company.

EDITORIAL ENDORSEMENT

The following is from the editor of the Gold Hill News, and goes far to substantiate the remarkable cures of deafness performed by Dr. Darrin now at the Hotel Gail, Dallas. Mr. Carey's cure has created great excitement among the deaf afflicted in Ashland. Mr. Carey's cure was witnessed by Mayor Neil, of Ashland.

He Can Hear a Whisper.

One of our friends and subscribers, Mr. C. Carey, of Sam's Valley has been losing his hearing for about a year. He visited the News office a few months ago, and the subject of treatment for his malady came up, when we recommended Mr. Carey to wait for Dr. Darrin's visit to Southern Oregon. Mr. Carey visited the doctor at Ashland, and was so much benefited that before leaving the doctor's he could hear a whisper. Such cures are wonderful, yet this one is undoubtedly true. Mr. Carey said he had treatment from a number of physicians and spent all he had in paying doctor bills, and so informed Dr. Darrin, who kindly consented to treat him free of charge, which was magnanimous of the doctor.

The Farmer's Foes

are weeds. Unless they are kept down, they divert the nutrition which the soil provides from the growing crops and ruin their productiveness. Diseases are to the body what weeds are to the soil. They divert the nutrition which is necessary to sound health and the body, instead of being strong and hearty, drags out a sickly existence. When the stomach is diseased, and the other organs of digestion and nutrition are involved with it, there is a constant loss of nutrition by the body. The stomach and its allied organs are not able to convert the foods into nourishment, and hence the body and its several organs are deprived of the necessary elements of vitality. What is known as "weak" heart or "weak" lungs, "weak" nerves and other forms of so-called weakness, are generally caused by "weak" stomach. When the stomach and the other organs of digestion and nutrition are cured, then the other diseases are cured with it. Diseases which are caused by a diseased condition of the stomach are cured through the stomach. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and its associated organs of digestion and nutrition. It cures through the stomach diseases of heart, lungs, liver and other organs. It increases the activity of the blood-making glands, so that the whole body is nourished by an abundant supply of pure blood, rich in the bright red corpuscles of health. There is no alcohol in "Golden Medical Discovery" and it contains neither opium, cocaine, nor any other narcotic. It is strictly a temperance medicine. Persons suffering from chronic forms of disease are invited to consult Dr. Pierce by letter free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Suffered for Years.

"My gratitude to you and your 'Golden Medical Discovery' is so great," writes Mr. Ross Martin of Greeley, Colo. West Virginia, "that I am at a loss to find words to express my relief. I had suffered for a number of years with lung and throat troubles, and had consulted several specialists, but got no better. Then I decided to try Dr. Pierce's 'Golden Medical Discovery.' I only took three bottles, and I feel that life is worth living after all. I suffered for two nights and two days I could not move without it nearly smothering me. After I had taken only half a bottle I was greatly improved. I only took three bottles of the 'Golden Medical Discovery' and two trials of the wonderful medicine. I am as well as ever in my life, and feel that life is worth living after all. I suffered for two nights and two days I could not move without it nearly smothering me. After I had taken only half a bottle I was greatly improved. I only took three bottles of the 'Golden Medical Discovery' and two trials of the wonderful medicine. Torpid Liver Cured.

"I was a sufferer from torpid liver for over a year," writes Mrs. Nora Willis, of Wheatfield, Jasper Co., Ind., "and could not sleep, nor eat but very little, and then it would cause me great distress. I tried several doctors but got no relief. Was advised by a friend to write to Dr. Pierce, which I did, and in a few days I received a letter advising me to take his 'Pleasant Pellets Discovery' and also his 'Pleasant Pellets Discovery.' I only took three bottles of the 'Pleasant Pellets Discovery' and two trials of the wonderful medicine. I am as well as ever in my life, and feel that life is worth living after all. I suffered for two nights and two days I could not move without it nearly smothering me. After I had taken only half a bottle I was greatly improved.
