## C. DODSON & CO.

MILL STREET, DALLAS, ORE.

Dodson, a former school teacher of Polk county, and the same office in Multnomah, has been appointed supervisor of the Oregon educational department of the Lewis and Clark Exposition. Superintendent of the Exposition is a practical man, and in making the educational department of the Exposition one that will represent the educational conditions of Oregon.

### Garrison Gets Two Years.

F. S. Garrison, convicted of stealing five sacks of chittim bark from J. S. Courter at Falls City, was sentenced by Judge Burnett to serve two years in the penitentiary last Friday morning. The prisoner was taken to Salem in the afternoon.

William Riddell, of Monmouth, one of Polk county's extensive goat raisers, was a business visitor in Corvallis, Thursday.—Corvallis Times.

### DEATH WAS SUDDEN

John McCullough, of Ballston, Succumbed to Stroke of Apoplexy.

John McCullough, an aged farmer residing about five miles southwest of Amity, on the road to Sheridan, suffered a stroke of apoplexy early Thursday evening and died Friday morning at six o'clock. Dr. Matthias of Amity was called and spent the entire night with his patient in an endeavor to save the old man's life, but to no avail.

Deceased was about 65 years old and was one of the pioneer farmers of this valley, having settled here about the year 1867. He was a native of Scotland, but came here from the state of New York. During his residence here he made one trip back to the land of his birth, taking his wife, a native Oregonian, with him. That was about twenty years ago. Deceased followed the pursuits of a farmer nearly all of his life and was very successful in business, having amassed quite a fortune. His wife and four children, one son and three daughters, survive him. All of the children are grown.—Amity Advance.

Florence, the two-year-old daughter of William Fortmiller, yesterday afternoon drank over half a bottle of cologne. An emetic promptly administered left the child well and sweet-scented.—Albany Democrat.

The Western Publisher says that a Sasasfras Corners girl who is not only up-to-date, but is beating the schedule, described a kiss to her timid but tickled beau thusly: "It seems like a moonlight trip, sailing on a banana, down a stream of lemonade, to an ice cream festival." All the poor boy could do was to say "gosh!" and then they clinched!

Ex-Sheriff H. B. Plummer, of Polk county, now engaged in the hop business, passed through Albany, Saturday, stopping for a short time. He was on his way to Junction City where he took in a quantity of hops.—Albany Herald.

### FIX DATES FOR GOAT SHOW

Annual Exhibit of Blooded Angoras Will Be Held in Dallas, January 19 and 20.

The Oregon Angora Goat Show will be held in Dallas on Thursday and Friday, January 19-20, 1905. These dates were decided upon by the executive committee of the Polk County Mohair Association at a meeting held in this city Saturday afternoon. The members of the committee in attendance were U. S. Grant, W. A. Ayres and James Riddell. President G. W. McBee, chairman of the committee, was detained at home by important business affairs, and H. L. Fenton, another member of the committee, was in Spokane. The three members present held a busy session, and plans for the coming exhibit were discussed at length.

The gentlemen composing the committee say they look for a larger attendance of goat men at the 1905 show than ever before. Inquiries from prominent breeders from California to British Columbia are being received daily, and great interest is manifested in the coming exhibit. The greater number of inquiries concerning the show come from Southern Oregon, where goat raising is rapidly becoming an important industry.

Mr. Grant informs us that the premium lists and announcements will be placed in the printer's hands at the earliest possible date, and that complete information relative to the show will be sent to every breeder in the Northwest.

The Polk County Poultry Association will make an exhibit in connection with the goat show as usual. J. D. Smith and I. V. Lynch, representing the poultry raisers, were present at the meeting Saturday afternoon, and received assurance from the committee that liberal space will be allotted for a poultry exhibit.

### ELECTRICAL CHIMES AT FAIR

President Roosevelt Will Press the Keys and Play "America" Five Thousand Miles Away.

Electrical experts are at work upon an extremely novel feature for the opening exercises of the Lewis and Clark Centennial Exposition on June 1, next. The scheme is to have President Roosevelt at Washington, touch a few keys and set in motion the chimes in the towers of the Government Building at the Exposition. The chimes, 300 feet above the water will play "My Country 'Tis of Thee." The sound will carry a great distance, owing to the fact that the Government Building is located on a peninsula in Guild's Lake, half a mile from the mainland. Arrangements have already been made to have President Roosevelt touch a button that will set in motion the machinery for the Western World's Fair, and it is thought there will be no difficulty in arranging for the additional feature of the chimes.

### Monmouth Team Will Tour.

Basket-ball practice at the Oregon State Normal School is now regularly held, and the team is getting into good form. Many of the former players of the past two years are taking regular work. Manager Graves Crowley is arranging a series of games with the various school teams, as well as with the Salem and Vancouver Y. M. C. A. teams. After the holidays they contemplate a trip through Washington. Fred Crowley will play his position of center, while Butler and Coffey will play as guards and Sline and Force as forwards, with R. Allen and Charles Gordon as substitutes.

### Merry Christmas Exercises.

Miss Bessie Young, principal of the Salt Creek school, writes the Observer that her pupils will give a Christmas entertainment in the schoolhouse on Christmas Eve. A tree laden with presents for the boys and girls will be the principal feature of the evening. A good literary and musical program will be rendered. The teachers and pupils give all a hearty invitation to be present.

The Odd Fellows at McCoy are building a large shed for the accommodation of horses and vehicles of those who attend lodge meetings and public gatherings in the hall.

Dr. R. H. Barber, who was for some years associated with Dr. W. Tyler Smith in the practice of medicine at Sheridan was accidentally drowned in the Siuslaw river, in Southern Oregon, Sunday morning. Dr. Barber was a veteran of the Spanish-American war.

A carload of small Oregon fir trees were shipped this week to Los Angeles, where they will find ready sale for Christmas trees, says the Albany Herald. The car contained 1500 trees, and the owner expects to get from \$2.50 to \$5 for each tree. Several hundred bunches of Willamette Valley mistletoe were included in the shipment.

### FOLEY'S KIDNEY CURE

Makes Kidneys and Bladder Right

## Your Wife, Mother or Sister

Will greatly appreciate an elegant piece of furniture, for Christmas and her smile of appreciation will amply repay you for the small outlay required to procure one.

Rockers, both wood and reed,  
Sideboards,  
Princess Dressers,  
Carpet Sweepers,  
Rugs, Etc.,  
Buffets,  
Center Tables,  
Lace Curtains,

are only a few of the many things that are appropriate for gift giving.

Why not buy something useful every day in the year and that will always be a pleasure and constantly remind the recipient of the giver.

You are cordially invited to call and "look around." : :

## Frank J. Chapman

### COMPLETE HOUSEFURNISHER.

We are still framing pictures. Bring your orders in early.

We have a nice display of both framed and unframed pictures.

All Goods Stored and Delivered When Desired.

### THREW AWAY HIS CRUTCHES

A Southern Pacific Railroad Engineer Running Between Dallas and Portland Joins the Long List of Patients Cured by Dr. Darrin.

Portland, Ore.—To the Editor: Dear Sir:—I hold it to be a duty as well as a pleasure to make known through the press, that which of all things is most essential, viz: The way to cure pain and sickness. I was confined to my room with sciatic rheumatism, kidney trouble, inflammation of the neck of the bladder, general indisposition. Could not sleep more than one hour at a time. All means I tried proved unavailing. I was prompted to visit Dr. Darrin through the advice of my friends, who had been cured by him, though I must say that I had little faith that electricity would cure me. I came to the doctor on crutches, and my other complaints have all disappeared, so I can take command of my engine. Will answer all questions by letter or in person at 490 Commercial street, East Portland. W. HAYS.

### Mrs. Easton's Card.

Roseburg, Or.—Dr. Darrin:—Please use my name as among the cured by you ten years ago. I had been afflicted with granulated eyelids all my life. The eyelashes were all gone, and grew back naturally after the cure of the eyes. I was almost totally blind, and had to be led to your office. I have been cured for ten years.

### MRS. H. EASTON.

### Discharging Ears Cured.

John A. Eggers, of Roseburg, Oregon, writes: "The discharge from my ears has stopped and my catarrh is cured. Many cases are coming from our section."

### Dr. Darrin's Place of Business.

Dr. Darrin is located at the Hotel Gail until December 23, and will give free examination to all. 10 to 5 or 7 to 8 daily. The poor free and those able to pay at the rate of \$5 a week or in that proportion of time as the case may require. All curable chronic diseases of men and women a specialty. Eyes tested free and glasses fitted at reasonable prices.

Hugh Freeland, of Salem, one of the principal stockholders of the Freeland Consolidated Gold Mining company with large holdings in the Gold creek district, came down from Gates Saturday evening on his way home from the mines. He has spent the past few weeks in the district where extensive development work is being carried on by his company and is well pleased with the progress had and the bright outlook for the district in which he has operated for some years.—Albany Herald.

### Degree of Honor Elects.

Crystal Lodge, No. 50, Degree of Honor, elected officers as follows at the last regular meeting:  
P. C. of H., Mrs. Allice Groves.  
C. of H., Mrs. Jennie R. Coad.  
G. of H., Mrs. Jessie Shaw.  
C. of C., Mrs. Sarah Black.  
Financier, Mrs. Emma Coad.  
Recorder, Mrs. Jennie Nunn.  
Treasurer, Mrs. Ora Cosper.  
Usher, Mrs. Belle Stiles.  
I. W., Mrs. Jennie L. Coad.  
O. W., Mrs. Clara Rowell.

Legal Blanks for sale at this office.

### A MOST REMARKABLE CURE OF HEART DISEASE

Perhaps one of the most wonderful results on record is the wonderful cure of Mrs. S. E. Clark by electricity and medicines administered by Dr. Darrin. Mrs. Clark was carried to Dr. Darrin's office in an almost dying condition, afflicted with a complication of diseases. Here are her own words: UKIAH, Or.—To the Editor: My health began to fail over a year ago. I gradually fell away until I became very weak. I was suffering from lung, heart and stomach troubles. On the 4th of December, 1897, I went to Pendleton and put myself under Dr. Darrin's treatment by electricity and medicines, and began to improve from the first treatment and continued to improve. At the present time I have good health. My neighbors say they never expected to see me return home from Pendleton, and were greatly surprised at my recovery.

### MRS. S. E. CLARK.

### SIX YEARS LATER.

UKIAH, Or.—Dr. Darrin: I am enjoying good health, and have gained 20 pounds in the past six years. I am entirely cured, and am very grateful indeed to have good health, after years of suffering with heart, stomach and lung troubles; also diseases peculiar to women. I cannot praise you too highly. Refer to me.

### MRS. S. E. CLARK.

### An Ashland Patient's Card.

Some time ago I contracted a severe cold on the lungs which being neglected became chronic. After vain attempts for relief I concluded it was death or Arizona. On learning of Dr. Darrin I consulted him. It is now one month since placing myself under his care, and I can truthfully say all morbid feeling has left my lungs and I feel I am now able to work every day at hard labor. Furthermore, I will say in addition to his electrical and medical skill that Dr. Darrin is a man with a human heart and is unusually reasonable in his charges. I knew C. Carey, of Sam's Valley, Or., before and after his cure of almost total deafness. Refer to me at Ashland, Or. EARL CLINE.

### Discharging Ears Cured.

To the Editor: I wish to make known through your widely circulated paper what Dr. Darrin has accomplished in my case, that others similarly afflicted may avail themselves of the doctor's skill. For many years I have been annoyed with a loathsome discharge from my ears from the effect of measles. All remedies I have tried seem to fail until I went under Dr. Darrin's electrical and medical treatment. I am now cured and feel very thankful to Dr. Darrin, my hearing has greatly improved. I reside at Adams, Oregon, where my father keeps the Hotel Oregon. Can be referred to by letter or in person. BERT KIRBY.

## All Run Down

THIS is a common expression we hear on every side. Unless there is some organic trouble, the condition can doubtless be remedied. Your doctor is the best adviser. Do not dose yourself with all kinds of advertised remedies—get his opinion. More than likely you need a concentrated fat food to enrich your blood and tone up the system.

### Scott's Emulsion of Cod Liver Oil

is just such a food in its best form. It will build up the weakened and wasted body when all other foods fail to nourish. If you are run down or emaciated, give it a trial: it cannot hurt you. It is essentially the best possible nourishment for delicate children and pale, anaemic girls. We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
