RAILROAD MEN WILL COME

Southern Pacific Passenger and Freight Agents to Inspect Fair.

Charles S. Fee, passenger traffic manager of the Southern Pacific at San Francisco, has written to W. E. Coman, general freight and passenger agent of the same line in Portland, that he is planning to bring all of his California district passenger and freight agents to Portland a month before the opening of the Exposition, so that they will be able to "talk and preach to better advantage the Lewis and Clark Fair."

The Southern Pacific lines are taking a very active part in the advertisement of the Fair and are doing all that may be to bring it before the people by the distribution of literature. The determination of Mr. Fee will bring a large number of the men to Portland in May who are constantly in touch with the people not only of California, but those who travel in the state. A special train will be provided by the Traffic Manager for his men and the party will be taken through different parts of the state in order that they may be shown all the opportunities here. Some time will be spent in Portland visiting the grounds of the Exposition and the buildings. As all of the buildings will have been completed by the time the party reaches here, and some of the exhibits will have been put in place, the visitors will have a good opportunity to judge of the scope of the Fair.—Oregonian.

Rev. Green and his estimable wife are held in the highest esteem by the people of their church, and his resignation as pastor in Dallas, will be accepted only in the event that he finds it impossible to return to his work here.

"Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and liniments, I gave it up altogether. Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
