BILIOUSNESS
CONSTIPATION
CURED BY
THE FORD'S
BLACK DRAUGHT

Because the liver is neglected people suffer with constipation, biliousness, headache, nervousness, colds, attacks of liver and contagious diseases take hold of the system. It is said to say that if the liver were always kept in proper working order, diseases would be almost unknown.

The Ford's Black-Draught is so successful in curing such sickness because it is without a rival as a liver purifier. This great family medicine is not a strong and drastic drug, but a mild and healthful laxative that cures constipation and may be taken by a mere child without possible harm.

The healthful action on the liver cures biliousness. It has an invigorating effect on the kidneys. Because the liver and kidneys do not work regularly, the poisonous acids along with the waste from the bowels get back into the blood and violent contagion results.

Timely treatment with The Ford's Black-Draught removes the dangers which lurk in constipation, liver and kidney troubles, and will positively forestall the inroads of Bright's disease, for which disease in advanced stages there is no cure. Ask your dealer for a 25c. package of The Ford's Black-Draught.

Frequently come tales of violation of law by the hobo element. As a rule the hobo is guilty of misdemeanors in connection with chicken roosts or the like. The hobo is a predatory animal. But from time to time he becomes bolder or less regardless of consequences and attempts or commits grave crimes. It is to be expected that this year will see an addition to the ranks of the disorderly, and peace officers should be constantly on the alert.—Albany Herald.

Cleared for Action.

When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At Belt & Cherrington's drug store, 25 cents.

The Roseburg Masonic lodge has decided to purchase a good corner lot and is expected to erect a hall in the near future. The lot secured is 100 by 40 feet. The new building is to be three stories and be equipped with all modern conveniences, including an elevator.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pain in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by Staffin Drug Co.

How to Ward Off Old Age.

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when any disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or are troubled with indigestion, you will find these tablets to be just what you need. For sale by Staffin Drug Co.

Business Will Be Better.

Advertise liberally, do it intelligently, and business will be better. You can do it intelligently if you read **PACIFIC COAST ADVERTISING**, the leading advertising journal of Western America. It is published monthly at 228 Mercantile Place, Los Angeles, California. It is practical—gives the actual experiences of business men in their own language, and shows how you can adopt their plans successfully. Subscription \$2.00 per year. No free copies, single copy 20 cents, coin or stamps.

Herbine

Will overcome indigestion and dyspepsia; regulate the bowels and cure liver kidney complaints.

It is the best blood enricher and invigorator in the world. It is purely vegetable, perfectly harmless, and should you be a sufferer from disease, you will use it if you are wise.

R. N. Andrews, Editor and Manager Cocoa and Rockledge News, Cocoa, Fla. writes: "I have used Herbine in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit. Sold by Staffin Drug Co."

The Boston Herald will send a large party of New England teachers to the Lewis and Clark Exposition.

Terrific Race with Death.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at Belt & Cherrington's drug store; price 50c.

Workmen are now building the main entrance gates at the Lewis and Clark Exposition. There will be twenty turnstiles for entrance, with a number of exit gates.

A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, of Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blue poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in world for burns and sores. 25c at Belt & Cherrington's drug store.

Officials of the War Department and the Interior Department have arrived from Washington and are hard at work installing the exhibits of those executive branches of the government at the Lewis and Clark Exposition.

Two special trains, magnificently equipped, will bring to the Lewis and Clark Exposition in July several hundred of the leading men of Denver, under the auspices of the Denver Commercial Club. In the party will be a number of millionaires. This promise to be the most elaborate commercial "junket" ever undertaken in America.

Saved by Dynamite.

Sometimes, a flaming city is saved by dynamiting a space so that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased cough, gave her sleep and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At Belt & Cherrington's drug store, price 50c and \$1.00; guaranteed. Trial bottle free.

The Fair Japan concession building on the Trail is now in course of construction. It will be finished, the concessionaire says a week before the opening day. This is to be one of the most interesting features of the Trail.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Michigan. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Staffin Drug Co.

Oregon's mining display at the Lewis and Clark Exposition will show astonishingly rich deposits of gold, silver and copper, with specimens of gold from very rich new discoveries that run as high as \$20,000 to the ton.

Why Suffer from Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised that after awhile the relief became permanent. Mrs. V. H. Leggett, of Yum Yum, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by Staffin Drug Co.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or scum-like substance indicates a condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back, and also a convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail.

Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

The Easter dress parade at the Lewis and Clark Exposition was gorgeous. Many thousands of people entered the Exposition gates, the day being delightfully bright and balmy. Everybody was astonished at the rapid progress of the work of finishing the Exposition.

A Positive Necessity.

Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. I can cheerfully recommend it as the best medicine for bruises ever sent to the afflicted. It has now become a positive necessity upon myself.

Country Life

Ought, it would seem, to give exemption from the diseases which prey upon the residents of thickly populated cities. It cures, and it is no exception from disease, ordinary, arising in the city, one may see the cheeks grow hollow and the eyes grow dull while the frame wastes away with that terrible disease, consumption.

Weak lungs are made strong by the use of Dr. Pierce's Golden Medical Discovery. It cures, and it is no exception from disease, ordinary, arising in the city, one may see the cheeks grow hollow and the eyes grow dull while the frame wastes away with that terrible disease, consumption.

WILL MAKE AFFIDAVIT.

"I was sick for about three months, had chills, fever, and coughed a great deal," writes Mr. W. L. Brown, of McDermans, Jackson Co., Tenn. "Most of my neighbors and friends thought I had consumption. I was reduced in flesh, and was very weak—only weighed 10 pounds; my physician thought there was little hope for recovery."

"My wife went to the store to get some antiseptic, quinine, etc. for me and a friend of mine told her to get Dr. Pierce's Golden Medical Discovery for me. I bought a bottle, and after taking it for a few days I began to feel better. I was still taking it, and I found that I was gaining strength and taking the 'Discovery.' I wish to say that I feel a great deal better than only two months ago I only weighed about 10 pounds."

I can and will make affidavit to this full statement any time. If you wish to use this as a testimonial we will answer all letters from inquiring sufferers."

Dr. Pierce's Common Sense Medical Adviser, containing 1000 pages, and over 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 32 cents for the book in cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.
