One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be to careful about unnecessary expenses. Very often a few cents properly invested, like buying seed for his garden, will save several dollars outlay later on. It is the same thing in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Wilson Drug Co.

Falls City Notes

The dance given by the orchestra in the Bryan-Lucas hall the evening of the Fourth was a decided success.

Mr. and Mrs. G. N. Cherrington, of Dallas, were the guests of Mr. and Mrs. E. J. Bryan, the first of the week.

Charley Moyer and Harry Lowe have returned from Aberdeen, Washington, where they have been working for several months.

The baseball game between the Liberty and Falls City teams on the Frank Butler field, Tuesday, was well attended. The score was 11 to 7 in favor of the Liberty team.

There was no special program rendered here on Tuesday, July 4, but there was a large crowd from Dallas, Monmouth and other points who spent the day in the grove and along the creek.

While going to Lewisville to attend a meeting of the Mono Grange last Saturday, Mr. and Mrs. Frank Butler met with an accident that caused Mr. Butler to be severely bruised, otherwise no serious injury was sustained. A wheel came off the hack throwing Mr. and Mrs. Butler out, but Mrs. Butler escaped without injury.

INDIGESTION.

With its companions, heart burn, flatulence, torpidity of the liver, constipation, palpitation of the heart, poor blood, headache and other nervous symptons, sallow skin, foul tongue offensive breath and a legion of other ailments, is at once the most widespread and destructive malady among the American people. The Herbine treatment will cure all these troubles. 50c a bottle. Sold by Wilson Drug Co.

For the purpose of stimulating night attendance at the Lewis and Clark Exposition, the management has devised a coupon arrangement which will enable the purchaser of a fifty-cent admission ticket to take in twenty-five cent's worth of shows on the Trail free of charge.

Good for Stomach Trouble and Constipation.

"Chamberlain's Stomach and Liver Tablets have done me a great deal of good," says C. Towns, of Rat Portage, Ontario, Canada. "Being a mild physic the after effects are not unpleasant, and I can recommend them to all who suffer from stomach disorders" For sale by Wilson Drug Co.

During the Lewis and Clark Exposition the public has an opportunity to learn a great deal concerning the government's gigantic irrigation projects in the West. At the exposition there is one entire building devoted to this subject. Models and photographs of some of the great land reclamation projects, upon which more than $30,000,000 will be expended within the next few years, are shown, and lectures on the subject are delivered by Edward T. Perkins, a skilful civil engineer in the service of the government. This is the first time that irrigation has received such attention at any exposition.

When you want to take a pleasant laxative that is easy to take and certain to act, use Chamberlain's Stomach and Liver tablets. For sale by Wilson Drug Co.

LINCOLN'S HOME AT THE FAIR

Many Pictures, Letters and Other Documents Illustrate the Life of the Great Emancipator.

Any one who is interested in the life of Abraham Lincoln may find much to engage his attention in the Illinois building at Lewis and Clark Exposition. The building itself is an exact reproduction of the Lincoln homestead at Springfield, Ill., the only home ever owned by the martyred President. Every room is reproduced in its exact size, and in the front parlor the visitor is told just where Lincoln stood on that day in the fall of 1860 when he was notified that he had been elected President of the United States.

In the rear parlor, which connects with the front one by a wide archway, is a collection of pictures and documents of vivid interest to those who like to study things of historic value. The life of Lincoln is represented by pictures and letters, the latter either in the original or in fac-simile, from his birth to his assassintation. The rude little log cabin in Kentucky, where he was born, was shown, with portraits of his parents; pictures of Lincoln at various times in his career, most of them showing him without beard, for it was not until after he became President that Lincoln let his whiskers grow; letters written by Lincoln in his youth, his earlier public life and during his presidency; and also pictures of his intimate friends and associates, and of other noted men whose public lives were interwoven with his own.

The Illinois historical exhibits are collected and installed by Mrs. Jessie Palmer Weber, secretary of the Illinois Historical Society and a daughter of the late Gen. John M. Palmer, who was governor of Illinois, United States Senator and candidate for President on the Gold Democratic ticket in 1896. Mrs. Palmer has returned to Illinois, but the hostess of the building, Miss Mary L. Berkey, is on hand at all times to extend the hospitality of the state to exposition visitors. Executive Commissioner Fred H. Hand, of Cambridge, Ill., is in charge of the building.

The public is free to go through the house, spending as much time as may be desired in studying the various pictures and reading the letters and other documents in the handwriting of Lincoln, Grant, and other famous men of the period. Upstairs, over the front parlor, is the room where Mr. and Mrs. Lincoln slept. This room, furnished to correspond to the living room of the Lincoln household is occupied in the Portland replica of the house as a sitting room for guests.

Adjoining the Lincoln home, Illinois has built a cosy structure called the Rest Pavillion, with a wide open porch in front. Comfortable chairs on this veranda invite the exposition visitors who may find it agreeable to take a rest.

Buy it Now.

Now is the time to buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly—you will need it quickly. Buy it now. It may save life. For sale by Wilson Drug Co.

The revival meetings at the big tent are growing in interest. Large crowds are in attendance every night, and the chorus of singers is increasing in numbers. Rev. Kellems is presenting the gospel in a very convincing manner.

Baseball Players and Foot Racers!

Louis J. Kruger, ex-champion long distance foot racer of Germany and Holland, writes, Oct. 27, 1903:

"During my training of eight weeks' foot races at Salt Lake City, in April last, I used Ballard's Snow Liniment to my greatest satisfaction. Therefore I highly recommend Snow Liniment to all who are troubled with sprains, bruises or rheumatism." 25c, 50c and $1.00. Sold by Wilson Drug Co.

Forced to Starve.

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful, sometimes, that I could not eat. After vainly trying everything else, I cured it with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At Belt & Cherrington's drug store. Only 25.

The attendance at the Lewis and Clark Exposition on June 24, G. A. R. Day, was 15,673. There were about 3,000 veterans present, and appropriate exercises were held.

A Surprise Party.

A pleasant surprise party may be given to your stomach and liver, by taking a medicine which will relieve their pain and discomfort, viz: Dr. King's New Life Pills. They are a most wonderful remedy, affording sure relief and cure for headache, dizziness and constipation. 25c at Belt & Cherrington's drug store.

One of the notable visitors at the Lewis and Clark last week was W. R. Shannon, of Fowler, Cal., who is a son of George Shannon, the youngest member of the Lewis and Clark exploring party of a hundred years ago. George Shannon was known as "the boy Shannon," on account of his youth. After the expedition he became a lawyer and was a distinguished jurist in Missouri. His son, the exposition visitor, is now 80 years of age. He remembers hearing his father tell thrilling tales about his experiences on the long journey from St. Louis to the mouth of the Columbia, which the fair at Portland is commemorating.

Country Life

Ought, it would seem, to give exemption from the diseases which prey upon the residents of thickly populated cities. But there is no exemption from disease, and in the country, as in the city, one may see the cheeks grow hollow and the eyes grow dull while the frame wastes away with that terrible disease, consumption.

Weak lungs are made strong by the use of Dr. Pierce's Golden Medical Discovery. It cures obstinate and stubborn coughs, bronchitis, bleeding of the lungs and other symptoms which, if neglected or unskillfully treated, terminate fatally in consumption. The action of Golden Medical Discovery in the curing of wasting diseases is entirely philosophic. Emaciation, and consequent loss of weight, are among the most striking symptoms of what are known as wasting diseases. The body is not being adequately nourished, and the cause of this lack of nourishment is not lack of food but lack of ability in the stomach and the other organs of digestion and nutrition to prepare the food for the assimilation and nutrition of the body. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and the organs of digestion and nutrition, and so enables the body to be nourished back to strength in the only way by which strength can come; that is, by food perfectly digested and assimilated.

Dr. Pierce's Golden Medical Discovery is a temperance medicine. It contains no alcohol, neither opium, cocaine or any other narcotic.

Accept no substitute for "Discovery." There is nothing "just as good" *for you*, though many things may pay the dealer a larger profit.

CAUGHT COLD.

"The first day of this year," writes Mrs. Kate Schey, of 778 St. Paul Avenue, Milwaukee, Wis. "I caught a heavy cold, which settled on my lungs and brought on a hemorrhage. From that time on until the first of April I bled from my lungs five different times. I was so weak and undone I could only do the lightest work. The doctor told me I was going into consumption. My breath was short and at times I could hardly get my breath at all. This is the state I was in when I began to take Doctor Pierce's Golden Medical Discovery. After the first bottle I was much better, and I could walk two or three blocks without trouble. My breath was not so short and I was much improved. After taking four bottles I could work all day, and I never felt better in my life. I think your medicine the best in the world and I recommend it to all who are troubled as I was."

WILL MAKE AFFIDAVIT.

"I was sick for about three months, had chills, fever, and coughed a great deal," writes Mr. W. L. Brown, of McDearman, Jackson Co., Tenn. "Most of my neighbors and friends thought I had consumption. I was reduced in flesh, and was very weak—only weighed 110 pounds; my physician thought there was little hope for my recovery.

"My wife went to the store to get some antifebrin, quinine, etc., for me and a friend of mine (Mr. W. W. McDearman), who had been taking Dr. Pierce's Golden Medical Discovery recommended this medicine for me. Finally I decided to use it, after my physician told me that it would be good for me. I sent and got one bottle, and before all was taken I weighed 149 pounds—a gain of 39 pounds. I am still taking the Golden Medical Discovery, have taken nearly two bottles, and now weigh 163 pounds, which is more than I ever weighed. I am still gaining strength and taking the 'Discovery.' I wish to say that this is a recent recovery, that only two months ago I only weighed about 120 pounds.

"I can and will make affidavit to this full statement any time. If you wish to use this as a testimonial do so, and I will answer all letters from inquiring sufferers."

Dr. Pierce's Common Sense Medical Adviser, containing 1008 pages, and over 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 cents for the book in cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

CHOLERA INFANTUM.

Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken half of one small bottle she was well." This remedy is for sale by Wilson Drug Co.

Saturday, July 1, was Tacoma day at the Exposition and a big delegation of Tacoma boosters attended on that day. Tacoma has been much in evidence ever since the opening of the Exposition, by reason of its catchy motto, "Watch Tacoma Grow."

The Diamond Cure.

The latest news from Paris, is, that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee, of Vanleer, Tenn. "I had a cough for fourteen years. Nothing helped me, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief, and effected a permanent cure." Unequalled quick cure for throat and lung troubles. At Belt & Cherrington's drug store; price 50c and $1 guaranteed. Trial bottle free.

Rabbi Emil G. Hirsch, of Chicago, probably the most distinguished rabbi in America, preached in the Auditorium at the Lewis and Clark Fair on Sunday, July 2. Sunday services at the Exposition are held at four o'clock in the afternoon. The gates are opened at noon, and the Sunday admission has been reduced to twenty-five cents. The Trail shows are not permitted to run on Sundays.

Bent Her Double.

"I knew no one, for four weeks, when I was sick with typhoid and kidney trouble," writes Mrs. Annie Hunter, of Pittsburg, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double, and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure stomach, liver and kidney disorders: at Belt & Cherrington's drug store; price 50c.

The Lewis and Clark Exposition is now wide open. Hit the Trail!
