Meiser & Meiser
Dallas, Oregon.

Mrs. Cynthia Gray went to Dallas this week to visit her daughter, Mrs. Fred R. Rich.—Brownsville Times.

Girls, if you want red lips, laughing eyes, sweet breath and good looks use Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. Belt & Cherrington.

Telegraphic advices from New York state that a car of Medford pears, from the orchard of J. W. Perkins sold for \$3429, the highest price ever realized for a carload of pears in America. Part of the car brought \$7.70 per box, the highest price ever recorded for single boxes of the fruit.

M. M. Davis, of Corvallis, was in Newport this week looking after his extensive oyster interests, and informs us that his bed of Eastern oysters are in fine condition. The young oysters are thriving and growing with marvelous rapidity.—Newport News.

The Royal Month and the Royal Disease.

Sudden changes of weather are especially trying, and probably to none more so than to the scrofulous and consumptive. The progress of scrofula during a normal October is commonly great. We never think of scrofula—its bunches, cutaneous eruptions, and wasting of the bodily substance—without thinking of the great good many sufferers from it have derived from Hood's Sarsaparilla, whose radical and permanent cures of this one disease are enough to make it the most famous medicine in the world. There is probably not a city or town where Hood's Sarsaparilla has not proved its merit in more homes than one, in arresting and completely eradicating scrofula, which is almost as serious and as much to be feared as its near relative—consumption.

Naughty Brother Clark.
We are threatened with another epidemic of the hoop skirt. We are opposed to the hoop skirt on general principles. Some of us were on earth when the hoop skirt held sway, and remember how very difficult it was to hold the girls on our laps.—Toledo Reporter.

It makes no difference how long you have been sick, if you are troubled with indigestion, constipation, liver and kidney troubles, Hollister's Rocky Mountain Tea will make you well. 35 cents. Belt & Cherrington.

Fraternal insurance companies have no graft, but give protection at the lowest possible cost. See Capt. Fiske about joining the Woodmen.

WILL ADVERTISE OREGON

Harriman Line Will Boom State With Folders—Sunset Magazine to Assist in Campaign.

As predicted by the OBSERVER a few weeks ago, the Southern Pacific Company is preparing to advertise Oregon as it has never been advertised before. The Telegram says that A. L. Craig, general passenger agent, is preparing to begin a heavy advertising campaign by sending a staff of photographers and writers into the state to take pictures and secure data concerning industrial affairs and resources of all kinds, to be used in railroad and steamship folders, and in the Sunset magazine.

A. W. Rice, a skilled photographer from San Francisco, will center his efforts in securing pictures as follows: Dried fruits, packing-houses and orchards of Salem, Dallas, Dundee and Albany.

Apple orchards and packing houses of Medford and Central Point.

The hop industry at Salem, Independence, Dallas and Eugene.

Fish at Astoria.

Woolen mills at Oregon City, Salem and Brownsville.

Flouring mills of Portland, Oregon City and Salem.

Paper mills at Lebanon and Oregon City.

Dairies and condensed milk factories at Hillsboro, Forest Grove, Independence, Albany, North Yamhill, Hazel Fern farm and Crystal Springs farm, near Portland.

Lumber mills of the Inman-Poulsen Company, Portland Lumber Company, Eastern & Western Lumber Company, and mills at Salem, Grants Pass and Springfield.

Excelsior factory at Eugene.

Chair factory at Albany.

Fruit canneries at Eugene, Salem, Springbrook and Portland.

Scenery on the Columbia, Willamette, Rogue and Umpqua rivers.

State institutions at Salem, Corvallis, Chemawa and Eugene.

Photographs of Oregon forests will be taken at various points.

It is the company's intention to feature Oregon along with California, in all its immigration literature, and in Sunset, from this time forth, and a special effort will be made to publish to the world the splendid resources of the Willamette, Umpqua and Rogue river valleys.

Southern Oregon is also to receive special attention this month from the advertising department of the Harriman Lines in Oregon. R. M. Hall, head of the advertising bureau, will leave for the south as soon as the exposition closes. He will devote some time to gathering statistics and photographs of the fruit and agricultural industries and manufacturing enterprises. It is said that from this date A. L. Craig's department will push

the publicity of Southern Oregon resources with the same vigor heretofore applied by his men to the advertising of the Hood River valley.

Mr. Hall writes the OBSERVER that he will be in Dallas within the next three weeks to familiarize himself with the industries and resources of this portion of Polk county.

One-Legged Boxers May Contest.

John Emmitt, of Drain, Oregon, lays claim to the title of champion one-legged boxer in the United States. Peg McCall, a one-legged scrapper of Conshohocken, Pennsylvania, is less modest, and claims the championship of the world. Emmitt has issued a challenge to the Eastern man, and a match may result. Young Emmitt formerly lived in Polk county, and lost his leg while playing around the machinery in a grain warehouse at Monmouth. The loss of the limb did not appear to inconvenience him greatly, and for many years he was rated as one of the most powerful athletes in the Normal School town. He was a skillful baseball pitcher, and played with the Monmouth team in many games on the Dallas grounds. When engaged in this sport, he used no crutch or support, but balanced himself on his one leg and threw a swift curve ball that puzzled the best batters of the opposing team.

Trespass notices printed on cloth can be had in any quantity desired at the OBSERVER office.

One Cold and Another

The season's first cold may be slight—may yield to early treatment, but the next cold will hang on longer; it will be more troublesome, too. Unnecessary to take chances on that second one. Scott's Emulsion is a preventive as well as a cure. Take

SCOTT'S EMULSION

when colds abound and you'll have no cold. Take it when the cold is contracted and it checks inflammation, heals the membranes of the throat and lungs and drives the cold out.

Send for free sample.

VALUATIONS IN POLK COUNTY

Total Is Less Than Last Year After \$353,000 Exemptions Are Deducted.

The Polk county assessment roll for the year 1905 has been filed in the office of the County Clerk. The total value of taxable property, as shown by this roll, is \$110,000 less than the total of last year's roll. The assessment was made on practically the same basis of valuation as that of last year, and the difference is accounted for by the exemption allowed to taxpayers by the new law. The summary of the roll, as finally equalized by the County Board of Equalization, is as follows:

SUMMARY OF ASSESSMENT	
Tillable land.....	\$1,650,375
Non-tillable land.....	901,110
Imp. on deeded lands.....	327,790
Town and city lots.....	134,400
Improvement on lots.....	113,715
Imp. on lands not deeded.....	8,723
Railroad bed.....	207,720
Telegraph and telephone lines.....	7,450
Railroad rolling stock.....	27,680
Steamboats, machinery, etc.....	40,570
Merchandise.....	133,710
Farming implements.....	69,880
Money.....	45,910
Notes and accounts.....	89,000
Shares of stock.....	61,300
Household furniture, etc.....	156,510
Horses and mules.....	136,010
Cattle.....	91,570
Sheep and goats.....	23,770
Swine.....	8,705
Gross value of all property.....	\$4,889,470
Exemptions.....	3,336,470
Total Taxable property.....	\$1,553,000

Eugene Masons Celebrate.

The celebration of the 60th anniversary of the first meeting of Eugene Lodge, No. 11, A. F. & A. M., Saturday evening was attended by about 175 Masons, including visitors from other places, and was conceded to be the most pleasant and successful social function ever given by the lodge. Grand Master W. H. Flanagan, of Grant's Pass, delivered an able address. An elaborate banquet was served after the closing of the lodge. Eugene Lodge, No. 11, is the second largest Masonic lodge in the state, having a membership of 356. Portland Lodge, No. 55, is the largest. —Eugene Guard.

Public Library Meeting.

A meeting of the Dallas Public Library Association will be held in the Firemen's Hall tomorrow, (Saturday) night, at 8 o'clock. All persons who have contributed either money, books, magazines or labor are requested to be present and take part in the meeting. Important business is to be transacted, and it is hoped that there will be a large attendance.

MRS. T. A. RIGGS,
Secretary.

Mrs. Thomas Edgar departed Monday for Dallas. She will also visit the Fair at Portland before returning. —Newport News.

ROYAL Baking Powder Makes Clean Bread

With Royal Baking Powder there is no mixing with the hands, no sweat of the brow. Perfect cleanliness, greatest facility, sweet, clean, healthful food.

Full instructions in the "Royal Baker and Pastry Cook" book for making all kinds of bread, biscuit and cake with Royal Baking Powder. Gratis to any address.

ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

BUILDING NEARLY FINISHED

Dallas Woodmen Hall Will Be Ready For Occupancy in About Two Weeks.

The carpenters are putting the finishing touches on the new Woodmen Hall in this city, and will complete their work inside of the next ten days or two weeks. The painters and paper-hangers, under the supervision of Contractor H. P. Shriver, began work Saturday, and are making good progress on the interior finish of the big building. The carpenters are putting on the wainscoting, and the door and window casings will be added as soon as the paper-hangers finish their task. The plumbing is all completed, and the large furnace in the basement is ready for use.

The Dallas Woodmen Hall will be one of the largest and most conveniently arranged lodge buildings in Oregon when completed, and will be a credit and an ornament to the town. Besides furnishing a cozy home for Dallas Camp, No. 209, and Mistletoe Circle, No. 33, (the women's branch of the order,) it will be occupied by Marmion Lodge, No. 96, Knights of Pythias, the members of which lodge have secured the use of the large hall for their weekly meetings. Four rooms on the ground floor have been leased by the LaCreole Club, an organization of local business and professional men. The upper story has been fitted up as a modern theater, where performances by home talent and the better class of traveling companies will be given. It is the intention of the Camp to open its hall to none but meritorious attractions, to the end that the people may not be imposed upon by inferior companies, and that better theatrical troupes may be induced to come to Dallas than have visited the town in the past.

The new hall occupies the site of the old M. E. Church building, at the corner of Washington and Jefferson streets, and is conveniently located, being only one and one-half blocks from the courthouse, and the same distance from the postoffice. The main entrance is on Jefferson street, and the stage entrance is on Washington street.

Entering the main lobby on Washington street, a wide, roomy stairway leads to the main hall on the second floor. At the head of this stairway is a commodious coat room for the use of the camp members. Here also are found toilet rooms, wardrobes for lodge paraphernalia, and a cozy room for the use of the Camp team. The main hall is by far the largest lodge room in Dallas, and will easily seat the 230 members of the Camp and leave ample space for the floor work. The lighting facilities will be modern in every respect.

The dining hall and kitchen to be used by the Camp are on the ground floor. These rooms are not large, but are conveniently arranged and will afford ample accommodation for all ordinary lodge gatherings. Immediately in the rear of the dining room is the furnace room, where a large furnace of the latest improved pattern has been installed. The furnace room has ample capacity for the storage of a year's supply of wood.

The LaCreole Club will occupy four rooms on the lower floor. The main entrance opens into a parlor and a reading room, and also into the billiard room. These rooms will be handsomely furnished, and, when ready for occupancy, will compare favorably with any club quarters in the valley. The club has handsome furniture in its present quarters in the Crider block, and will purchase more when the change to the new building is made. In addition to the two costly billiard tables now owned by the club, a first-class pool table will be installed.

The entire upper floor will be used as a theater on such nights as it is not used for lodge purposes. The main hall will be furnished with comfortable chairs, and will have a seating capacity of not less than 600 people. The hall will be well heated and will have excellent ventilation, thus assuring the comfort of the audience at any season of the year. Architect Morrison has given particular attention to the ventilation, and has devised means whereby the air in the room will undergo an entire change every forty minutes.

The stage will be provided with modern accessories in the way of scenery and fixtures, and the lighting effects will be the same as are employed in all first-class theaters. The footlights will be placed in a metal-lined trough at the front of the stage, and will be completely hidden from the view of the audience. Two comfortable dressing rooms and a property room are located on the ground floor, directly underneath the stage. Here also is a room for the use of the orchestra, from which the musicians will reach the main floor by means of a stairway and door under the front of the stage.

An orchestra of fourteen men is being organized for the winter season, and rehearsals will begin in about two weeks. The hall is well suited to dancing purposes, and it is probable that many parties will be given during the coming winter.

The Dallas Woodmen Hall will be dedicated on the evening of November 7, at which time it is expected that there will be the greatest gathering of Woodmen of the World ever seen in Oregon on a like occasion. Hon. I. I. Boak, Head Consul of the Pacific Jurisdiction, will come from Denver to officiate at the dedicatory ceremonies, and prominent Woodmen will be present from all parts of the state. Captain V. P. Fiske, who has been active in working up interest in the meeting, says teams of the uniform rank are expected from Independence, Monmouth, Sheridan, McMinnville, Newberg, Cornelius, Dayton, Gaston, Amity, and other west side towns, and a large attendance of members of the order is assured from every nook and corner of Polk county. If the weather is favorable, a monster parade will precede the exercises at the hall. The meeting will be free to the public, and it is expected that the crowd in attendance will test the capacity of the big building.
