The Republicans of Oregon, in peace conference assembled, expressed their disapproval of the mischievous constitutional amendments proposed by W. S. U'Ren et al in no uncertain terms. The resolutions relating to these amendments, passed by a unanimous vote, are as follows:

"Resolved, That the State of Oregon should maintain its reputation for conservatism and reliability; that hasty and half-baked laws not only injure at home, but give the state an unenviable reputation, and drive from it the investor and the settler. That it is the sense of this assemblage that the Republicans of Oregon should be on their guard against fantastic and peculiar proposals for legislation under the initiative amendment to the constitution, especially as various schemes under the guise of remedial legislation are likely to be promulagated in the interest of the minority

There is one safe course for a man to follow who finds himself "out of sorts" and suffering from the symptoms described. It is to resort to Dr. Pierce's Golden Medical Discovery. This medicine makes the appetite keen, corrects all disorders of the digestion, renders assimilation perfect, invigorates the liver, purifies and enriches the blood and builds firm, healthy flesh and nerve tissue. It cures almost all diseases that result from "asufficient or improper nourishment of

A man or woman who neglects constipation suffers from slow polsocians. Dr. Pierce's Pleasant Pellets cure constipation. One little "Fellet" is a gentle laxative, and two a mild cathartic.
