#### FINE COLTS ON PARADE

German Coach Breeders Make Excellent Showing of Blooded Stock in Dallas.

The colt show held in Dallas last Saturday afternoon was attended by admirers of fine horse flesh from all parts of Polk county, and was successful far beyond the expectations of its promoters. The show was planned by the German Coach Association, and all the animals on exhibition were sired by Hubbard & McDaniel's stallion, "Alban." The colts were brought out for a street parade at 2:30 o'clock, after which the prizes were awarded. The first prize of \$10 was won by Mark Blodgett, of Dallas, and the second prize of \$5 was awarded to Samuel Orr, of Rickreall. The judges were Hon. T. J. Hayter, of Dallas; Hon. G. W. Myer, of Smithfield, and Joseph Black, of Dallas.

The members of the German Coach Association are so well pleased with the success of Saturday's show that they are planning to hold another show in the Spring and also to exhibit their stock at the Oregon State Fair next year.

The exhibitors Saturday were: Mark Blodgett and N. P. Rasmussen, of Dallas; Samuel Orr, of Rickreall; Warren Frank, of Falls City; B. F. Smith, of Lewisville; A. J. Jones, of Smithfield; J. Boals, of Salt Creek; Reason Brunk, of Eola, and A. Rempel of Polk Station.

Dr. Ernest C. Dalton, a prominent physician and surgeon of Salem, was in Dallas on a business visit, Friday. He was accompanied by Dr. Wheeler, of Portland. Dr. Wheeler is a brother of former City Physician Wheeler, of Portland, and is seeking a location. He was favorably impressed with Dallas, and may decide to open an office here.

#### WILL TALK ON ART

Mrs. George Gerlinger Will Entertain School Children Tomorrow Afternoon.

Tomorrow afternoon, at 1:30 o'clock, Mrs. George Gerlinger will give a talk to the public school children on the new pictures at the library. All children are cordially invited to be present at the library for this half-hour's informal talk on Art, with special reference to the pictures on the walls. If this meeting proves a success, other Saturday talks to the children may follow. In the larger city libraries, the weekly hour for the children is an important feature of the work, and it is hoped that the people of Dallas will encourage the movement by sending their children to the library tomorrow afternoon.

Eight fine framed pictures have been hung on the walls of the library during the week. They are excellent prints of

"The Sistine Madonna," by Raphael.

"Hosea," by Sargent.

"Priscilla and John Alden," by Fredericks.

"Chariot Race from Ben Hur," by Checa.

"Sir Galahad," by Watts.

"A Reading from Homer," by Alma Tadema.

"Aurora," by Capaldo.

Landscapes in Sepia.

Mrs. Sol Blessing and daughter, Cecil, left this week for Albany, where they will make their home during the winter.

#### LATCH-STRING IS OUT

Portland Business Men Will Be Given Warm Welcome in Dallas.

Dallas will give the Portland business men an open-handed welcome. Mayor Biddle has appointed a committee of fifteen citizens to make arrangements for the entertainment of the visitors during their 25-minute stay in this city next Friday afternoon, and this committee will ask every business man in Dallas to assist in receiving and entertaining the members of the excursion party.

The special train is scheduled to arrive from Monmouth at 3 o'clock in the afternoon, and to leave for McMinnville 25 minutes later. The stay in Dallas will be so short that no formal entertainment will be attempted, but every effort will be made to show the visitors a good time while they are here. Mayor Biddle requests the committee appointed at last Monday night's council session to meet in the Observer office next Monday evening at 7:30 o'clock, to complete the arrangements for the entertainment. Every member of the committee is earnestly requested to be present.

#### OREGON SHEEP ARE BEST

Expert Bates Says Western Lincolns Are Far Ahead of Canadians.

Mr. Bates, the Ohio sheep expert, who superintended the sheep department of the Lewis and Clark Exposition, says of the Lincoln exhibit of that show: "The Lincoln show was an extremely good one. While the Oregon exhibits did not appear in the gay showyard attire of their competitors across the border, for vigor, fleshing, fleece and practical purposes, they were, to my mind, far ahead of anything I have seen in the East."

"One flock in particular was shown without having a bite of grain in its fitting, yet it came under the hand as firm and full of flesh as one could wish. For length, density and luster of fleece, scale and general conformation of the body and vigor, they were wonders. For practical purposes they are away and above these obese, broken-down exhibits so often seen in the showyards of the East."

"If flubber is criterion of the quality of a sheep, then we of the East have the Oregon breeder beaten badly, but if scale, firmness of flesh, strong pasterns, bodily vigor, brilliant fleece and a useful life after a showyard career is the criterion, then we are simply 'not in it.'"—Rural Northwest.

#### An English Author Wrote:

"No shade, no shine, no fruit, no flowers, no leaves,—November!" Many Americans would add no freedom from catarrh, which is so aggravated during this month that it becomes constantly troublesome. There is abundant proof that catarrh is a constitutional disease. It is related to scrofula and consumption, being one of the wasting diseases. Hood's Sarsaparilla has shown that what is capable of eradicating scrofula, completely cures catarrh, and taken in time prevents consumption. We cannot see how any sufferer can put off taking this medicine, in view of the widely published record of its radical and permanent cures. It is undoubtedly America's Greatest Medicine for America's Greatest Disease—Catarrh.

#### Attack on Mr. Heney.

As the result of the arrest in Arizona of Ben Heney, a brother of United States Attorney F. J. Heney, a bitter controversy has arisen between F. J. Heney and former Governor Hughes, of that territory. Ben Heney was arrested on the charge of cutting timber on government land, and the Oregon district attorney in letters to the Portland papers attacked Mr. Hughes, claiming that the arrest was spite work. In Friday evening's Telegram, a letter from ex-Governor Hughes, a resident of Tucson, Arizona, appears, in which he says some unkind things of F. J. Heney. He claims that he discovered F. J. Heney 20 years ago, a dissipated young man, and helped him to a law practice; that Heney later killed a man in Arizona, and was at one time threatened with mob violence, and that he is seeking for notoriety.
