Grip Quickly Knocked Out.
"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of grippe with all its miserable symptoms," says Mr. J. S. Eggleston of Maple Landing, Iowa.

"Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."
These tablets promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by Staffin Drug Company.

Mangelwurzel as big as a nail keg were grown on the banks of Eagle creek this year.
Doctors Could Not Help Her.
"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure."
It makes the diseased kidneys sound so they will eliminate the poisons from the blood. Unless they do this, good health is impossible. Belt & Cherrington.

R. D. Hume of Curry county has purchased 600 Angora goats, believing that with proper attention, goat raising in that county should become very profitable.
An Emergency Medicine.
For sprains, bruises, burns, scalds and similar injuries, there is nothing so good as Chamberlain's Pain Balm. It soothes the wound and not only gives instant relief from pain, but causes the parts to heal in about one third the time required by the usual treatment. Sold by Staffin Drug Co.

There are seven school districts in Harney county without schools, because teachers cannot be secured for them.
Furious Fighting.
"For seven years," writes George W. Hoffman, of Harper, Wash., "I had a bitter battle, with chronic stomach and liver trouble, but at last I won, and cured my diseases, by the use of Electric Bitters. I unhesitatingly recommend them to all, and don't intend in the future to be without them in the house. They are certainly a wonderful medicine, to have cured such a bad case as mine." Sold, under guarantee to do the same for you, by Belt & Cherrington druggist, at 50 cents a bottle. Try them today.

From 18 Magoon strawberry plants set out last year by a McMinville man he will have 1,000 new plants, and from 10 New Oregon he will sell about 600 shoots.
Lagrippe and Pneumonia.
Pneumonia often follows lagrippe but never follows the use of Foley's Honey and Tar. It cures lagrippe, coughs and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vaehner, of 157 Osgood St., Chicago, writes: "My wife had a severe case of lagrippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Refuse substitutes. Belt & Cherrington.

A Certain Cure for Grip.
When a child shows symptoms of grip there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been in use for many years and has never been known to fail, viz: Chamberlain's Cough Remedy. Mr. M. F. Compton of Market, Texas, says of it, "I have used Chamberlain's Cough Remedy in several cases of croup with my children, and can truthfully say it always gives prompt relief." For sale by Staffin Drug Co.

Torture of a Preacher.
The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep, sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption Coughs and Colds, which entirely cured my cough, and saved me from consumption." The first requisite of beauty is a clear complexion. Orino Laxative Fruit Syrup clears a sallow blotched complexion as it stimulates the liver and bowels, and the eyes become bright and clear. You owe it to your friends to take it if your complexion is bad. Orino Laxative Fruit Syrup does not nauseate or gripe and is very pleasant to take. Refuse substitutes. Belt & Cherrington.

Coughing Spell Caused Death.
"Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for a physician but before he could arrive, another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe Democrat, Dec. 1, 1901."

FAILED.
All efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It stops the cough, heals the lungs and prevents serious results from a cold. J. N. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least a half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Belt & Cherrington

I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, and am able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00. Sold by Staffin Drug Co.

"I beg to state that I have used three bottles of Dr. Pierce's Golden Medical Discovery since my correspondence with you, and find great improvement in my case," writes Mr. A. F. Novoy of New York, N. Y., Box 147. "I feel that I am in need of no more medical assistance. When I started to use your medicine I had a regular consumptive cough, of which I was afraid, and everything coming around and warned me concerning it. I was losing weight rapidly, was very pale and had no appetite whatever. Now my condition is changed completely. I do not cough at all, have gained eight pounds in weight, have recovered my healthy color, and my appetite is enormous. I can recommend your medicine to everybody who may be in need of it. It is a sure cure, no humbug as so many other patent medicines, and is far superior to all similar medicines."

"The doctor was wrong.
When I commenced taking your medicine, eighteen months ago, my health was completely broken down," writes Mrs. C. S. Sanderland of Chesapeake, Cal. "I had a cough that I could not even walk around the room without pains in my chest. The doctor who attended me said 'I had lung trouble and that I would never be well again. At last I concluded to try Dr. Pierce's medicine. I bought a bottle of 'Golden Medical Discovery' and took it, and soon commenced to feel a little better. I then soon directed me to take both the 'Golden Medical Discovery' and the 'Favorite Prescription' and the cough was entirely cured. I have taken six bottles of 'Golden Medical Discovery' and feel as well as ever. I am now almost entirely well, and do not cough without any pain whatever, and do not have more cough than I could securely hold."

Strength is one of the distinguishing attributes of a healthy man. In one of the most beautiful poetic flights known to literature, the inspired singer finds no finer figure to express the sun's majestic rising than "rejoicing like a strong man to run a race."
Who has not known such a man, the picture of health, hardy and athletic, suddenly begin to fail? At first he has a slight cough, which he laughs at. Presently the cough becomes deep-seated. The scales tell him he is losing flesh. A little later and the lungs bleed. He grows weaker and more and more emaciated. Each day sees some circumscribing of his activities, until at last he does not leave the house, and friends shake their heads and say, "Poor fellow! Who would ever have believed it possible?"
But what are the doctors doing all this time! Doing their best probably, but usually doing no lasting good. The emaciation grows more marked, the weakness more apparent, until at last the sick man hears the sentence, "There's no hope."

It is just at this very point of hopelessness that the use of Dr. Pierce's Golden Medical Discovery has proven the first step to health to many a sufferer. It cures the cough, stops the hemorrhage, heals the lungs, puts sound flesh upon the body, and sends the man back to the activities of life as strong as ever. It's a wonderful statement, but it is literally true, that "Golden Medical Discovery" has cured time and time again when all other means had absolutely failed to benefit.
There is no alcohol in the "Discovery," and it is absolutely free from opium, cocaine, and all other narcotics.
Persons suffering from disease in chronic form are invited to consult Dr. R. V. Pierce, by letter, free. All correspondence is private and the confidences of the sick are guarded with professional secrecy. The success of the methods and medicines of Dr. R. V. Pierce, may be inferred from the fact that of the thousands treated by him and his assistant staff of nearly a score of physicians ninety-eight per cent. have been perfectly and permanently cured.

Strength.
Illustration of a man holding a large fish.

Strength is one of the distinguishing attributes of a healthy man. In one of the most beautiful poetic flights known to literature, the inspired singer finds no finer figure to express the sun's majestic rising than "rejoicing like a strong man to run a race."

Who has not known such a man, the picture of health, hardy and athletic, suddenly begin to fail? At first he has a slight cough, which he laughs at. Presently the cough becomes deep-seated.
