"Having been troubled with lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. How to Avoid Pneumonia.

We have never heard of a single instance of a cold resulting in pneumonia or other lung trouble when Foley's Honey and Tar has been taken. It not only stops the cough, but heals and strengthens the lungs. Ask for Foley's Honey and Tar and refuse any substitute offered. Dr. C. J. Bishop, of Agnew, Mich., writes: "I have used" Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Belt & Cherrington.

"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Hueband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. Chamberlain's Cough Remedy Cures Colds, Croup and Whooping Cough.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker of Porterville, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Staftrin Drug Co.

Strength.

Strength is one of the distinguishing attributes of a healthy man. In one of the most beautiful poetic fictions known to literature, the inspired singer finds no finer figure to express the sun's majestic rising than "rejoicing like a strong man to run a race." Who has not known such a man, the picture of health, hardy and athletic, suddenly begin to fail? At first he has a slight cough, which he laughs at. Presently the cough becomes deep seated. The scales tell him he is losing flesh. A little later and the lungs bleed. He grows weaker and more and more emaciated. Each day sees some circumscription of his activities, until at last he does not leave the house, and friends shake their heads and say, "Poor fellow! Who would ever have believed it possible?" But what are the doctors doing all this time! Doing their best probably, but usually doing nothing, leading good. The emaciation grows more marked, the weakness more apparent, until at last the sick man hears the sentence, "There's no hope." It is just at this very point of hopelessness that the use of Dr. Pierce's Golden Medical Discovery has proven the first step to health to many a sufferer. It cures the cough, stops the hemorrhage, heals the lungs, puts sound flesh upon the body, and sends the man back to the activities of life as strong as ever. It's a wonderful statement, but it is literally true, that "Golden Medical Discovery" has cured time and time again when all other means had absolutely failed to benefit. There is no alcohol in the "Discovery," and it is absolutely free from opium, cocaine, and all other narcotics. Persons suffering from disease in chronic form are invited to consult Dr. R. V. Pierce, by letter, free. All correspondence is private and the confidences of the sick are guarded with professional privacy. The success of the methods and medicines of Dr. R. V. Pierce, may be inferred from the fact that of the thousands treated by him and his assistant staff of nearly a score of physicians ninety-eight per cent have been perfectly and permanently cured.

"A SURE CURE"

"I beg to state that I have used three bottles of Dr. Pierce's Golden Medical Discovery since my correspondence with you, and find great improvement in my case. I am a sufferer from New York, N. Y., Box 147. I feel that I am in need of no more medical assistance. When I started to take your medicine I had a regular consumptive cough, of which I was afraid, and everybody cautioned and warned me concerning it. I was losing weight rapidly, was very pale and had no appetite whatever. Now my condition is changed entirely. I do not cough at all, have gained eight pounds in weight, have recovered my healthy color, and my appetite is enormous. I can recommend your medicine to everybody who may be in need of the same, as it is a sure cure, no hunting a more potent other patent medicines, and is far superior to all similar medicines."

THE DOCTOR WAS WRONG.

"When I commenced taking your medicines, eighteen months ago, my health was completely broken down," writes Mrs. Cora L. Sanderland, of Chesapeake, Calvert Co., Md. "I could not even walk across the room without pains in my chest. The doctor who attended me said I had lung trouble and that I would never be well again. At last I concluded to try Dr. Pierce's medicine. I bought a bottle of 'Golden Medical Discovery' took it, and soon commenced to feel a little better than you directed me to take. The 'Golden Medical Discovery' and the 'Favorite Prescription,' which I did. Altogether I have taken eighteen bottles of 'Golden Medical Discovery' (seven of the 'Favorite Prescription' and five vials of 'Pellee'). I am now almost entirely well, and do all my work without any pain or restriction, and can run with more ease than I could formerly do."

Dr. Pierce's Common Sense Medical Advertiser, took all the pains and no ill effects, is sent free on receipt of stamps to defray expense of mailing only. Send 31 one-cent stamps for the book in cloth binding, or only 21 stamps if paper covers are desired. Address Dr. R. V. Pierce, Buffalo, N. Y.
