How to Avoid Pneumonia.
We have never heard of a single instance of a cold resulting in pneumonia or other lung trouble when Foley's Honey and Tar has been taken. It not only stops the cough, but heals and strengthens the lungs. Ask for Foley's Honey and Tar and refuse any substitute offered. Dr. C. J. Bishop, of Agnew, Mich., writes: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Belt & Cherrington.

A Thousands Dollars Worth of Good.
A. H. Thurnes, a well known coal operator of Buffalo, O., writes: "I have been afflicted with kidney and bladder trouble for years, passing gravel and stones with excruciating pain. I got no relief from medicine until I began taking Foley's Kidney Cure, and then the result was surprising. A few doses started the brick dust like fine stones and now I have no pain across my kidneys and I feel like a new man. I have done me \$1000 worth of good." Belt & Cherrington.

Cured Lumbago.
A. B. Canman, Chicago, writes March 4, 1903. "Having been troubled with lumbago, at different times and tried one physician after another, then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Good horses are in brisk demand in Harney county. One man from Canada wants 500.
Rev. Carlisle P. B. Martin, L. L. D. Of Waverly, Texas, writes: "Of a morning when first arising, I often find a troublesome collection of phlegm which produces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." Sold by Staffin Drug Co.

Strength.
Strength is one of the distinguishing attributes of a healthy man. At one of the most beautiful poetic flights known to literature, the inspired singer finds no finer figure to express the sun's majestic rising than "rejoicing like a strong man to win a race."
Who has not known such a man, the picture of health, hardy and athletic, suddenly begin to fail? At first he has a slight cough, which he laughs at. Presently the cough becomes deep seated. The scales tell him he is losing flesh. A little later and the lungs bleed. He grows weaker and more and more emaciated. Each day sees some circumstance, which adds to his trouble, until he does not leave the house, and friends shake their heads and say, "Poor fellow! Who would ever have believed it possible?"
But what are the doctors doing all this time? Doing their best probably, but usually doing no better. The emaciation grows more marked, the weakness more apparent, until at last the sick man hears the sentence, "There's no hope."
It is just at this very point of hopelessness that the use of Dr. Pierce's Golden Medical Discovery has proven the first step to health to many a sufferer. It cures the cough, stops the hemorrhage, heals the lungs, puts sound flesh upon the body, and sends the man back to the activities of life as strong as ever. It's a wonderful statement, but it is literally true, that "Golden Medical Discovery" writes Mrs. Cora S. Smith, of Novotny, of New York, N. Y., Box 147. "I feel that I am in need of no more medical assistance. When I started to take your medicine I had a regular consumptive cough, of which I was afraid, and everybody cautioned and warned me concerning it. I was losing weight rapidly, was very pale and had no appetite. I was in bed nearly all the time. I did not cough at all, but I was losing weight. I had recovered my healthy color, and my appetite is enormous. I can recommend your medicine to everybody who may be in need of the same, as it is a sure cure, no humbug, as so many other patent medicines, and is far superior to all similar medicines."
THE DOCTOR WAS WRONG.
"When I commenced taking your medicine, eighteen months ago, my health was completely broken down," writes Mrs. Cora S. Smith, of Chaneyville, Calvert Co., Md. "At times I could not even walk across the room without pain in my chest. The doctor who attended me said I had lung trouble and that I would never be well again. At last I concluded to try Dr. Pierce's medicine. I bought a bottle of 'Golden Medical Discovery,' took it, and soon commenced to feel a little better, then you directed me to take both the 'Golden Medical Discovery' and the 'Favorite Prescription,' which I did. Altogether I have taken eighteen bottles of 'Golden Medical Discovery,' and did my work without any pain whatever, and can say with more ease than I could formerly say, 'I am well.'"
Dr. Pierce's Common Sense Medical Adviser, 1008 large pages and 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 31 one-cent stamps for the book in cloth binding, or only 21 stamps if paper covers are desired. Address Dr. R. V. Pierce, Buffalo, N. Y.
