HATS! HATS!

NO TWO MEN LOOK ALIKE.
Is it then reasonable to suppose that the same style Hat will be equally becoming to all men? We are inclined to think not. We go upon the supposition that the
Greater the Variety
of shapes, width of brims, heights of crowns and colorings, the greater will be the satisfaction.
Accordingly we present the greatest variety of Spring Hats to be seen in this vicinity. It embraces all shapes, colorings and proportions—from the conservative shapes to the latest in Young Men's snappy styles.

MEN'S SHIRTS---Correct Styles.

With most Men it isn't so much what they pay for Shirts, as it is what they get for their money. They want to feel safe as to style, material, fit and good Shirt making. If a Shirt satisfies, they are not apt to stand on the matter of price.

We aim to have our shirts **Perfectly Correct**. We always watch the money saving side, also. Our new Spring Shirts are of Foreign and Domestic materials in handsome new patterns of stripes and figures. We offer to our trade the very latest ideas in Shirts that the best makers have produced.

GREAT MUSICAL TREAT
Promenade Concert Nets Nearly One Hundred Dollars for Dallas Free Library.
The concert given for the benefit of the Dallas Free Library last Thursday evening was the most enjoyable musical entertainment it has ever had the privilege of the people of this city to attend. Ernest Gamble and his capable company visited Dallas last month and gave a program of exceptional merit, but that entertainment will not bear comparison with the concert given by Mr. Lownsdale and Miss Shea.
Millard O. Lownsdale has long been Oregon's favorite vocalist, and, after hearing him, ones does not wonder that he enjoys this distinction. He is without a peer on the Pacific Coast, and his wonderful singing, once heard, is never forgotten. Mr. Lownsdale was in excellent voice, and his selections were all of a high order of excellence. He was accorded a most enthusiastic reception, and generously responded to every encore. No pen can do justice to his singing, and we can only say that those who failed to hear him missed one of the great treats of their lives.
Miss Ethel Shea, one of Portland's sweetest singers, achieved a triumph and was encored many times. She has a rich contralto voice, sings with much expression, and has a charming stage presence. Her selections covered a wide range, and all were sung so excellently as to stamp the singer as a true artist. Her rendition of the old Scotch ballad, "The Bonnie Banks 'o Loch Lomond," was keenly appreciated by music lovers present.
Mrs. Ed Stiefarth's violin solo, "The Holy City," was received with great enthusiasm. She produced a tone remarkable for its sweet and vibrant qualities. A reading by Mrs. L. Gerlinger, Jr., added greatly to the pleasure of the evening.
After the program, a merry social hour was enjoyed. The booths of the Lady Macabees, the Circle, and the gipsy fortune-teller were well patronized, as were also the young ladies who sold candy and popcorn. At 10 o'clock the floor was cleared for dancing. The Woodman orchestra furnished its best music, and about 30 couples indulged in the pleasures of the dance until shortly after midnight.
The receipts of the evening were something over \$100, the greater portion of which will be used in buying books for the Free Library. The entertainment was thoroughly delightful and well worthy the patronage it received. A full report of the money received from lodge's selling refreshments, cash contributions and tickets sold will be published next week.
Mrs. George T. Gerlinger, who planned and managed the affair, is grateful to the people of Dallas for their generous patronage, and the people, in turn, are grateful to Mrs. Gerlinger for bringing such excellent talent to Dallas.

A Hot Roast.
A local merchant asked a Salina editor to roast the city administration for letting an itinerant peddler come in there and undersell him on goods. This is what the editor wrote: "City dads, you will hereby take notice that you are roasted for permitting peddlers to sell goods here. The merchant for whom we do this favor has his job printing done in Chicago."—Kansas City Journal.

Cannot Change Registration.
A special dispatch from Salina to the Oregonian says: That a voter cannot change the party affiliation shown in his registration was declared by Attorney-General Crawford in a formal opinion rendered in answer to an inquiry from County Clerk Fields, of Multnomah county. It is held that a man's registration is made under oath, and is presumed to be correct. There being no law authorizing a change, no change can be permitted.

Was Badly Frightened.
Mrs. T. H. Dunsmore, of Eola, was in the city yesterday making purchases for a school entertainment, and had hitched her horse and buggy on Court street west of Commercial. The minstrel band came along and began a fulsome of music at the intersection of the streets, which startled the animal, and he jumped around frantically in an effort to get away. Mrs. Dunsmore went to the animal and tried to soothe him, but he jumped against her and knocked her down, slightly injuring her. A crowd gathered quickly but the horse shed his bridle and ran away. The lady was not seriously hurt.—Salom Statesman.
