Connection With Corvallis.

J. M. Staats, superintendent of construction of the Independent Telephone System between Dallas and Corvallis, was in town Saturday. He is working to secure a commercial wire between these two points, and is meeting with hearty encouragement in his efforts. Corvallis and Dallas have had mutual telephone connection through party wires for several years, but the demand for a purely commercial wire is now becoming of great importance. The expense of the improved service will be small, as the poles are already up. Mr. Staats found the people of Dallas wide awake to the necessity of the improvement, and received hearty promises of assistance in the enterprise.

E. V. CARTER

ASHLAND, ORE.

Candidate for Republican Nomination for STATE TREASURER.

How to Reduce Your Taxes.

Mr. Carter says: "Oregon has never received any of the interest paid on its money. If elected State Treasurer, I will pay over to the state every dollar of interest earned on its funds whether a law be passed requiring me to do so or not. This will result in a saving to the taxpayers of this state of from \$15,000 to \$20,000 per annum. "I am not the candidate of any clique, faction, organization or society. Eastern Oregon, Multnomah county and the northern section of the state have many candidates for U. S. Senator and for the other state and district offices—and it is a reasonable claim that Southern Oregon is entitled to this place on the ticket."

PROHIS NAME TICKET

Pass Resolutions Opposing Proposed Amendment to Local Option Law.

Prohibitionists of Polk county to the number of 16 met in the courthouse Saturday and nominated a county ticket. W. P. Miller presided over the deliberations of the meeting, and W. P. Dyke was elected secretary. Resolutions expressing disapproval of the proposed amendment to the local option law were passed, and after a lengthy discussion it was decided to put out a county ticket.

Dr. C. C. Poling, O. H. Cobb and H. S. Butz, the committee appointed to select candidates for county officers, reported the following ticket:

- Representative—Rev. D. M. Metzger, of Dallas.
- Sheriff—A. N. Poole, of Monmouth.
- Clerk—W. P. Miller, of Dallas.
- Treasurer—Elder A. H. Dodd, of Falls City.
- Commissioner—J. R. Fawk, of Rickreall.
- Assessor—Taylor Halleck, of Monmouth.

The following resolutions were adopted by a unanimous vote:

Resolved, That the licensed saloon is the greatest evil in America today, and that we declare ourselves unalterably opposed to the manufacture and sale of intoxicating liquors as a beverage.

Resolved, That we favor the election of United States Senators by direct vote of the people.

Resolved, That we stand for law enforcement and believe that all laws

WOULD BAR OUT TRUSTS

"Place All Such Combinations of Capital Under Ban of Law," says H. M. Cake.

"Every combination of capital known as a trust should be placed under the ban of the law; not only should trust corporations themselves be barred from doing business, but the individuals responsible for the combinations should be punished as provided by law," says H. M. Cake, candidate for United States Senator. There is probably no man in the state of Oregon more pronounced in his opinions upon this subject than Mr. Cake, as evidenced by his actions and past utterances.

He is not the attorney for, is not interested in, nor does he represent, directly or indirectly, any trust.

He believes in the absolute freedom of competition in all lines of business—the preservation of the equal rights of the entire citizenship of the country free from interference by combinations of capital.

Mr. Cake is a firm believer in the right of the American workman to protect himself by means of labor organizations against the oppressions of organized capital.

The great common people of the country can depend upon it that Mr. Cake is friendly to their interests, for he is one of the common people.

He is friendly to every section and interest of the state, and if elected to the Senate, will do everything he can for the development and prosperity of all Oregon.

FOR JOINT REPRESENTATIVE FROM POLK AND LINCOLN COUNTIES.

R. D. Jarvis

should be impartially enforced. Resolved, That we favor the direct primary law, but ask for the extension of its privileges to all political parties. Resolved, That we favor the Local Option Law as it now stands on the statute books and are unalterably opposed to the proposed amendments to this law, and that we heartily appreciate the work of Senator Loughery in helping to defeat the Jayne amendment in the last Legislature.

RALPH W. HOYT

FOR STATE TREASURER

The administration of the affairs of the treasury of the state is sought by Ralph W. Hoyt of Portland, who, it appears, is leading in the race for the nomination. He is fitted by a long and successive conservative career as a banker for the guardianship of the funds of the state, and his record has never been regarded other than the very best. He believes that the tax funds should be impartially divided among the different banks in each county and that one institution should not be favored to the exclusion of all others. This policy was first instituted by him when he was elected treasurer of Multnomah county, and in that responsible post he acquitted himself with entire satisfaction to all concerned. He is a staunch Republican, and by his unselfish devotion to party principles and the fact that he has never sought for rewards at the hands of the voters of the state, he has won the esteem of men of influence regardless of their affiliations.

Caution—Take Notice! On the primary election ballot there will be two United States Senators to be voted for—one to fill the vacancy for the short term, and one for the long term. Don't get them confused. Mr. Fred W. Mulkey is a candidate to fill the vacancy (for the short term only).

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

Royal Baking Powder

Absolutely Pure

Made from Pure Grape Cream of Tartar

In baking powder Royal is the standard, the powder of highest reputation; found by the United States Government tests of greatest strength and purity.

It renders the food more healthful and palatable and is most economical in practical use.

Housekeepers are sometimes importuned to buy alum powders because they are "cheap." Yet some of the cheapest made powders are sold to consumers at the highest price.

Housekeepers should stop and think. Is it not better to buy the Royal and take no chances—the powder whose goodness and honesty are never questioned?

Is it economy to spoil your digestion by an alum-phosphate or other adulterated powder to save a few pennies?

J. H. FLOWER

FOR REPRESENTATIVE.

In J. H. Flower, the people of Polk county have a candidate for the Legislature who is not controlled by any ring or faction. He has lived in Oregon 15 years and in Polk county over four years. He is a Republican straight from principle. He takes an active interest in all public questions and states his position fearlessly. Mr. Flower is a good speaker, and is well qualified by education and experience to represent Polk county in the next Legislature. He worked his way, unaided, through the law department of Columbia college of New York, his native city, and has met with success in his practice. He favors among other things, taxing franchises; nine months' school for all districts, thus giving the child of the farmer the same advantages as those of the town resident, and is opposed to four normal schools. If elected, he will faithfully and fairly represent Polk county and do all in his power for the benefit of the state. A vote for J. H. Flower will be a vote for a courageous, honest and able man.

Duniway. "Willis S. Duniway is a man of sterling integrity and thorough knowledge of the printing business."—Portland Labor Press.
