EMPLOY POLK COUNTY MAN
 J. R. Shepard Moves to Salem to Take Charge of Commercial Company's Creamery.

The Commercial Cream Company, operating creameries in Salem, Lyons, and Lewiston, Idaho, has secured as manager of its Salem plant Mr. J. R. Shepard, of Zena, Polk county. Mr. Shepard took charge of the business Monday. The company is now making more butter than any other concern in the central Willamette valley, and expects to increase its output six-fold.

The Salem Journal says: "Forecasting a rapid growth in their business, the directors of the Commercial Cream Company have for some months seen the necessity of securing a competent man to take charge of their business. They believe they have the right man in Mr. J. R. Shepard, of Polk county. Certainly he will succeed if he brings to bear the same energy, intelligence and courtesy upon the business of the company that he has always manifested in his own private affairs, in the newspaper business, fruit growing and farming generally." For nearly 24 years, he has been almost as much identified with Salem and its interests as though a resident here, living across the river in the Zena neighborhood, in Polk county. He informs us his seed, hay and fruit growing interests will now be under the management of his son, Ralph, a graduate of the Oregon Agricultural College.

Dallas College Baseball Team.
 The Dallas College boys have turned their attention from basketball to baseball, and are in active practice for the season's playing. Myers, the speedy pitcher of last year's team, will be in the box again this year, and great things are expected of him. Shaw will take Morton's place at first base, and Morton will be moved around base. The line-up will be as follows: Boydston, catcher; Myers and Shaw, pitchers; Reynolds, shortstop; Shaw (captain), first base; Craven, second base; Morton (manager), third base; Fenton, left field; Sibley, right field; Teats, center field. Games have been arranged with Willamette, McMinnville, Eugene, Forest Grove, Albany and other valley teams, and Manager Morton is also trying to get games with some of the Portland teams.

Would Take Only Salary.
 Hon. E. V. Carter, of Ashland, candidate for the Republican nomination for State Treasurer was in Dallas, Monday. Senator Carter has represented Jackson county several terms in the Legislature, and is one of the most widely known men of Oregon. He is making an active canvass for the office of State Treasurer, and believes he has excellent chances of winning. His pledge to pay over to the State all interest earned on its funds, thereby saving to the taxpayers from \$10,000 to \$20,000 annually, is something new in Oregon politics, as state officers are usually ready to take not only their salaries, but all the perquisites of office as well. Mr. Carter says he is willing to take the office for this salary, and turn all interest earned on the funds into the treasury, where it belongs. He estimates that such a course would save the taxpayers at least \$20,000 each year.

For Joint Representative.
 To the voters of Lincoln and Polk Counties:

Organize Baseball Team.
 "The Tribunes" is the name of a baseball team that has been organized by the young men of Dallas for the season of 1906. The members of the team range in age from 16 to 19 years, and all have had experience on the diamond. They are arranging a schedule of 12 games to be played during the coming spring and summer. Having no inclosed grounds, where an admission fee can be charged, the team is obliged to depend upon cash donations to defray the expenses of the games. A subscription paper was circulated Saturday and about \$35 was secured. The boys hope to increase this fund to \$50, which will be amply sufficient for all purposes. The lads are entitled to liberal encouragement in providing clean, wholesome amusement for the people of Dallas, and it is only fair that those who care to witness the games should pay the expense, which will be small.
Cashed Checks and Skipped.
 E. Smith was wanted by the Sheriff of Polk county on a charge of cashing checks belonging to another and skipping out with the money. Smith was employed in a logging camp at Falls City and was trusted by F. C. Havelis, a Falls City merchant, with checks to the amount of \$165 to be deposited in a Dallas bank. Smith came to town Tuesday, cashed the checks in various business houses, pocketed the money and kept on going for Salem, but changed his mind and drove to Independence, where he secured another team and proceeded on to the Capital City. It is believed that he left Salem on the north-bound train at an early hour Wednesday morning.
