**TO THE REPUBLICAN VOTERS OF POLK COUNTY**

As I am unable to visit the different sections of the county in the interest of my candidacy for the nomination for Sheriff, my occupation as a farmer requiring my special attention at this season of the year, I beg the privilege of submitting for your consideration a few words in regard to myself. I was born in 1854, near Oak Grove, this county, where I have lived all my life. Have been a taxpayer 30 years, and have endeavored to discharge my duties as a citizen. If, in your judgment, I am entitled to the nomination, your support at the primaries will be appreciated.

Respectfully,  
 ISAAC A. ALLEN,  
 April 10, 1906. Rickreall, Oregon.

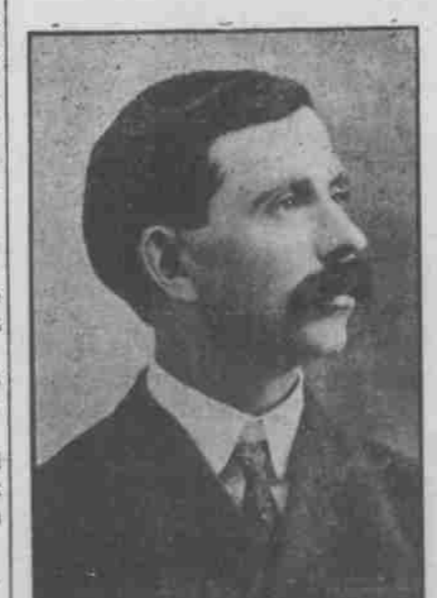

A. C. Miller came over Tuesday from Dallas to arrange for moving his family back to this city.—Jefferson Review.

**E. V. CARTER'S PLEDGE**

If elected State Treasurer, I pledge myself to pay over to the state every dollar of the interest earned on state funds. This would result in a saving to the taxpayers of from \$10,000 to \$30,000 dollars per annum. I will reside at Salem and give my personal, undivided attention to the duties of the office. No state funds shall be deposited in any institution in which I have a pecuniary interest.

These are matters of interest and importance to the people of this state. Let each candidate for State Treasurer express himself clearly regarding them.

E. V. CARTER.

**U. L. Frazer** has endeavored to make himself known to the Republican voters of Polk county. He has not and will not make nor attempt to make political combinations with anyone. Should he be selected, the Republicans of Polk county can rest assured they have no shady record to defend nor candidate of incompetency to apologize for. Mr. Frazer is amply qualified to step into the sheriff's office and take charge in person any day. He is a graduate of the Oregon State Normal school, and has business training. He is a young man, obliging and courteous, the kind of make-up that strengthens the party that puts his kind in public places. He will appreciate the nomination if the Republicans see fit to select him, and if they should not he will still remain the steadfast Republican he has always been.

**MEETS DEATH BY DROWNING**

**Foreman of Bryan Sawmill at Falls City Loses Footing and Falls in Path of Rushing Waters.**

H. R. Tracey, foreman of Bryan & Son's sawmill near Falls City, fell from the top of the mill dam to the bottom of the crib 30 feet below yesterday afternoon at 4:30 o'clock and it is believed that he was instantly drowned.

Tracey was engaged in tripping the dam at the lower end of the mill pond to let out some accumulated driftwood when the accident occurred. Just as he sprung the lever he lost his footing in some manner and fell between the log cribbing outside the sluice-gate to the rocks below. A boy who was working near by clambered down the logs to rescue him, but was driven back by the flood of water that was rushing through the gates and spreading into the cribbing on each side.

E. J. Bryan, manager of the mill, was in Dallas when the accident occurred. He received a telephone message at 5:30 o'clock saying that the body had not been found.

The victim of the accident was about 45 years old, and had a family in Portland.

[LATER: The body of the drowned man was found shortly before dark yesterday evening a few feet from where he fell from the dam.]

**M. D. ELLIS IN THE LEAD FOR SHERIFF**

As the primary election approaches, it is generally conceded throughout the county that M. D. Ellis is in the lead for the nomination for Sheriff. He has made an active campaign, and word comes from every precinct that he has steadily gained ground with the voters from the day he announced his candidacy. He has a wide acquaintance throughout the county, is well qualified for the office of Sheriff, and has always been a staunch and consistent Republican. Mr. Ellis is popular wherever he is known, and his friends predict that if he is nominated he will be elected by the largest majority ever given a candidate in Polk county on his first term. With Mr. Ellis in the Sheriff's office, the business will be faithfully and honestly looked after.
