BABY COMES TO DALLAS

None Finer to be Found in Polk County.

Many babies and pretty ones too have come to Polk county homes before, but without doubt, the beautiful Baby Weber Grand piano purchased at Eilers Piano House, Portland, by Mrs. George Gerlinger, the wife of the well known lumberman of this city, is the most exquisite and daintiest of instruments ever sold in this locality. The mahogany case is of an exceptionally beautiful figure.

Mrs. Gerlinger was one of the fortunate prize winners in the great publicity word contest recently conducted by Eilers Piano House, and her list was awarded a credit certificate for \$85.

High Pressure Days.

Men and women alike have to work incessantly with brain and hand to hold their own nowadays. Never were the demands of business, the wants of the family, the requirements of society, more numerous. The first effect of the praiseworthy effort to keep up with all these things is commonly seen in a weakened or debilitated condition of the nervous system, which results in dyspepsia, defective nutrition of both body and brain, and in extreme cases in complete nervous prostration. It is clearly seen that what is needed is what will sustain the system, give vigor and tone to the nerves, and keep the digestive and assimilative organs healthy and active. From personal knowledge, we can recommend Hood's Sarsaparilla for this purpose. It acts on all the vital organs, builds up the whole system, and fits men and women for these high-pressure days.

Is Popular Candidate.

Alex LaFollette is going to receive a liberal vote for state senator in this section of the county. There is not much style about Alex. He is just a plain, substantial farmer, but he has got a whole lot of good hard sense, and is a man of unquestioned integrity. It was due entirely to his able work that the infamous coyote scalp bounty bill was repealed, thereby saving the taxpayers of Oregon some \$500,000. Mr. LaFollette is no grafter, and if he is elected senator will ever be found working for the interests of the common people.—Jefferson Review.

The time has passed when the people vote for a candidate for an important office without ascertaining whether his qualifications fit him for that office. Judge Watson of Portland owes his popularity in his present campaign for United States Senator to this fact.

For Joint Representative.

To the Voters of Lincoln and Polk Counties:

I hereby announce myself a Republican candidate for the office of Joint Representative for Lincoln and Polk counties, subject to the will of the voters at the nominating primary to be held April 20, 1906.

B. F. JONES.

Ex-Governor Geer Is Sanguine.

Ex-Governor T. T. Geer arrived in Baker last night and is spending the day with old time friends in the interest of his candidacy for the republican nomination for governor. He has spent the last week in Gilliam, Umatilla and Union counties and is assured of a strong support there, as well as in eastern Oregon generally. The ex-governor was for eleven years a resident of Union county and since his removal to the Willamette Valley has by his frequent campaigns and otherwise, kept in close touch with eastern Oregon's interests.

Governor Geer has campaigned in every county in Oregon, but one, an experience which no other man has had, the result being that he has loyal friends in every precinct in every county working in his behalf and promising an easy victory at the primaries. If nominated, Mr. Geer has announced his intention to challenge Governor Chamberlain to a joint speaking campaign covering the entire state. He goes tonight to Heppner.—Baker City Herald.

Might Decide to Stay.

Judge Ben Hayden of Salem, is considerably like a lot of office seekers, in that he wants them to have a platform, yet unlike them in that he wants no office, says the Salem Statesman. Judge Hayden doesn't believe in sending millionaires to the United States Senate. "I don't believe in letting any of our millionaires go to the senate," said he. "I say I don't believe in it, for they might not come back. They might decide to stay out of the state after we elected them; I say our millionaires might like Washington city and want to stay there. We can't afford to lose our millionaires by sending them to the senate. Then, again, I say, they might become corrupted there, and I say if they did, it would be too bad."

WILLIS S. DUNIWAY

CANDIDATE FOR STATE SENATOR at Republican Primary, April 20, 1906.

"I hereby pledge the people of Oregon a great reduction of the cost of the office, if elected, and declare upon my honor that I will neither to perpetuate old abuses in office or engage in new schemes to loot the treasury"—Willis S. Duniway.

"Willis S. Duniway is a man of sterling integrity and extensive knowledge of the printing business"—Portland Labor Press.

The most vital thing before the publican voters of Oregon is the election of a United States Senator. In making this selection great care should be taken. The man should be broad minded, progressive, experienced and honest should be Who will deny that Judge Duniway meets all the above requirements.
