HIS WORST MISTAKE

Probably one of the worst mistakes in the Chamberlain campaign was the claim made by the Governor himself that he is entitled to the credit for the enactment of the corporation-tax law and the inheritance-tax law, which have brought considerable sums of money into the state treasury from indirect sources, says Tuesday's Oregonian. This claim Chamberlain has made not only from the stump, but in pamphlets which are being sent to every voter in the state. Chamberlain has suffered from the effects of this, because it is well known, and is proven by the records, that Chamberlain had nothing whatever to do with this legislation.

His claims have lost him some confidence among Democrats, for it is well known that a prominent Republican worked for several weeks on one of these bills before the Legislature met and helped draft the bill that was introduced. Both the measures were introduced by Republican members before Governor Chamberlain had been inaugurated, and therefore, before he had uttered a word upon the subject. It is, therefore, utterly impossible that Chamberlain could have had anything to do with the enactment of this legislation.

Finding that he has at the very inception of his campaign laid claim to credit where he is entitled to none, the people are inclined to look with suspicion upon some of his other claims.

Linn county has audited the expense of holding the direct primary election there, and finds that every vote cast cost the county within a few cents of one dollar. The state pays a part of the expense, hence it is asserted that the votes cost a dollar each. The convention system was conducted without expense to the county or state.—Roseburg News.

The best of feeling prevails in the Republican ranks in Polk county this year and there seems a general desire to elect the ticket from top to bottom. Republicans do not have to be urged to "vote it straight" this year.

"A united party" is the Republican slogan this year, and it's going to be a winner.

Notice to Contractors.

Bids will be received for redecking about 600 lineal feet of the main span and the east approach of the Steel Bridge at Salem, Oregon, with good sound red or yellow fir lumber four inches in thickness, the same to be securely spiked with No. 70 spikes, putting a spike in each board at every crossing of each joist.

Also, for putting in four lines of joist in the main span four inches thick and of the same width of the joist that are now in said span, also to replace any defective joist that, in the judgment of the overseer in charge of said work, should be replaced with new ones.

We also ask in a separate bid, bids for the cleaning and repainting all of the iron and steel work in said bridge with one coat of best red or black paint, specifying the price of each.

Said bids will be received at the office of the County Clerk for Marion County, Oregon, and will be opened upon the 8th day of June, 1906, at 2:00 p. m.

JOHN H. SCOTT,

By order of the City of Salem and the County Courts of Polk and Marion County, Oregon.

IN CUPID'S REALM

Miss Evangeline Kirkpatrick Becomes the Bride of Frank S. Coates.

A pretty wedding was solemnized at the home of Mr. and Mrs. G. M. Hyland, at 2604 East Lake Avenue, in Seattle, Thursday, May 17, when Mrs. Hyland's sister, Miss Evangeline Kirkpatrick, became the bride of Mr. Frank S. Coates, of Lewiston, Idaho. The ceremony was performed by Rev. Dr. Lloyd, pastor of the Episcopal church, in the presence of near relatives of the contracting parties. The bride was given away by her brother, E. C. Kirkpatrick, of Dallas, Oregon. The home was beautifully decorated for the glad occasion. Many handsome and costly presents were received. Immediately after the wedding breakfast, the happy couple left for Victoria, B. C., on their wedding tour.

The bride is a daughter of Dr. and Mrs. J. E. Kirkpatrick, formerly of Dallas, now residents of Los Angeles, California. She is a charming young woman, and has many friends in the home of her girlhood. Mr. Coates was formerly a resident of Fresno California, but for several years has held a responsible position with the wholesale grocery house of Lang & Company, of Portland. Mr. and Mrs. Coates will begin housekeeping about June 1, in Lewiston, where he will have the management of a branch house for the firm as a partner in the business.

Corrects Mis-statements.

Charles E. Sumner, President of the Home Telephone Company of Portland, Oregon, writes to C. H. Morris, manager of the Dallas mutual telephone exchange the following self-explanatory letter:

"It has been reported to me that some one has circulated the report in your community that the Home Telephone Company of this city, which is now constructing the Automatic system in Portland and also independent plants throughout the valley, is not acting in good faith and is irresponsible. I wish to assure you and to relieve your mind from any effect this may have, that the Home telephone companies of Washington and Oregon are here to stay. They are prepared to construct plants and to operate them to the satisfaction of the people. No credit should be given to any irresponsible statements as to our condition or what we are doing. All we wish in the matter is a 'square deal' for telephone business, and we are in a position to get this."

Mrs. M. Manston Dead.

Mrs. Moses Manston died at the family home in this city Tuesday afternoon, after a brief illness. Her death was caused by pneumonia, complicated with dropsy. During the few years Mrs. Manston resided in Dallas, she made many friends, and her death is deeply mourned. She left a husband and one son, Fonso Manston. The funeral was held from the M. E. church yesterday afternoon and was attended by many friends of the sorrowing family.

Work for School Fair.

The Mens' Committee of the Polk County School Children's Industrial Fair met in the office of the County School Superintendent Saturday to further the plans for the fair. Many prizes have been offered, which will soon be assigned and ready for publication. The committee has issued a circular letter asking the co-operation of the patrons and school officers of the county.

A Bargain.

Having given up farming, I offer for sale my threshing outfit consisting of one 24 horse-power Traction engine with round tanks, pumps, and hose complete; one 32x54 inch 20-bar large cylinder Separator, with patent adjustable riddles and wind stacker, together with cook-house, cook stove, tanks, cooking utensils, etc., and a full set of wagon racks and forks, all ready for first-class work. All the machinery and wagon-racks have been carefully housed and kept dry when not in use. Although this machine has only worked about 60 days, I offer the whole outfit for cash or on time at much less than one-half the first cost. JAMES ELLIOTT, Dallas, Oregon.

FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Learn As Well.

For 100 years he has shown and instructed us that the human system or system of the body is made up of five parts, coated by the skin. It becomes necessary to turn to some tonic or strengthening which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and trees.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was remarkably efficient in curing every kind of disorder and liver and stomach trouble as well as many other chronic or lingering ailments. This concentrated extract of Nature's most valuable health-giving agents is known as "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood, thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have constipation, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and nerves, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. One laxative; two or three are cathartic.

The sole motive for substitution is to permit the dealer to make a little more profit. He will not harm you by substituting for "Golden Medical Discovery."
