**CROWD HEARS WITHYCOMBE**

**Voters of Polk County Gather at Dallas to Hear Candidate for Governor.**  
Dr. James Withycombe, Republican candidate for Governor, was given an enthusiastic reception by the people of Polk county in Dallas, Tuesday night. Fully 2000 people were in town, every precinct in the county being represented among the visitors. Special trains were run from Independence, Monmouth and Falls City, and all came heavily laden with voters. The large courtroom in the county courthouse where the meeting was held was crowded to the doors, and hundreds of people were unable to gain admission. Excellent music was furnished by the Normal Cadet Band of Monmouth.  
Dr. Withycombe spoke for an hour and held the closest attention of the large audience by his able presentation of live issues of importance to the people of Oregon. His speech was along the line of those heretofore made by him in the campaign and met with the general approval of his hearers.  
Hon. H. M. Cake, of Portland, was billed to speak, but did not arrive until after the meeting had closed, his train having been delayed near Smithfield by a disabled engine. A quartet of Portland singers were also passengers on the belated train, but arrived in time to entertain the departing visitors with some lively campaign songs at the depot.  
Dr. Withycombe is popular in Polk county and it is freely predicted that his majority next Monday will exceed that received in the primaries, when he carried the county by over 300 votes.

**WORTHY YOUR SUPPORT**

**People Will Make No Mistake When They Elect John M. Grant to Important Office of Sheriff.**  
On next Monday, June 4, the franchise of the ballot will be extended to every legal voter, and a plain duty lies before the citizens of Polk county. That duty is to go fearlessly and unhampered to the polls and cast your ballot as your conscience dictates for the best interests of all; weigh carefully each candidate for office, and mark your X opposite the names of the men whom you think are best fitted for the office to which they aspire, regardless of partisanship.  
Mr. John M. Grant, democratic candidate for sheriff, asks your support, not on partisan grounds, but because of his past record as a peace officer he feels that he is well qualified to give the people a capable and satisfactory administration of the affairs of the office. Having lived all his life in Polk county, everybody knows him, and they know that he is peculiarly and particularly fitted and educated for the important office of sheriff.  
John M. Grant was born in this county; he received his education in the schools of the county, and the record of his life is an open book, with not a single act to mar its pages. It is a significant fact that his most ardent supporters in this campaign, regardless of politics, are his boyhood friends and schoolmates. No higher testimonial to a man's real worth could be given.  
There is no hypocrisy or deceit in John M. Grant's make-up. A descendant of one of Polk County's best pioneer families, honesty, fearlessness and generosity are his priceless inheritance by birth. Put him in the balance next Monday and weigh him carefully. Give him your vote, and Polk County will have a sheriff whom prosperity will not spoil, and one who can be depended upon to accord courteous and fair treatment to all men. The people will make no mistake when they elect John M. Grant for sheriff.
