BIG SHOW COMING

Burch & Reiss' Great Tented Aggregation Will Exhibit in Dallas Next Tuesday.

With Burch and Reiss' Greatest Shows which will exhibit in Dallas for the first time on Tuesday, June 5, will be seen the greatest number of new and distinctly novel features ever gathered together with any tented exhibition. The aggregation numbers upwards of 350 performing dogs, ponies, goats, pigs, monkeys, mules, camels, llamas, pumas, zebus, ant eaters, bos indicus; scores of beautiful birds, among them being emeus, white swans, Nubian Ostriches, sarus cranes, pheasants, of all kinds, cockatoos of several varieties, parrots, owls and numbers of other rare birds, forming the greatest variety as well as the largest aggregation of performing birds and animals ever seen with any tented exhibition. These animals are all skillfully trained and perform acts that seem almost incredible. In conjunction with the multitudinous animal feature acts will be presented for the first time in the west, troupes of Japanese acrobats, gymnasts, and aerialists; scores of famously funny clowns, jugglers, and other new special features, especially engaged for this, the first western tour of these great shows. Messrs. Burch and Reiss will also present the greatest musical attraction ever seen with a tented exhibition. They have secured Gregory's Royal Italian Banda Rossa, the finest concert band in this country.

Messrs. Burch and Reiss wish to call especial attention to their new street parade, which will take place at 11 o'clock on the morning of the exhibition, at which time the entire company of over 350 animal actors will be seen decked out in their holiday garb. Another special feature, and one that is bound to be attractive to the children is the free pony rides after the matinee. Over 100 beautiful Shetland ponies will be turned over to the children. This feature will be absolutely free. A corps of gentlemanly attendants will be present in order to avoid any possible mishap. Two performances will be given in this city at 2:30 and 8 p. m.

How to Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. Belt & Cherrington.

OLD LANDMARK GONE

Dwelling House Occupied by W. J. Stowe and Family Destroyed by Fire.

The old Hiram Ogden dwelling house, one of Dallas' ancient landmarks, was destroyed by fire Tuesday night. The house was the property of Dr. B. H. McCallon and I. F. Yoakum, and was occupied by W. J. Stowe and family. The fire was caused by the explosion of a lamp. The loss is fully $1500, covered by insurance to the amount of $800. The household goods were uninsured and were totally destroyed, only an organ and a small amount of bedding being saved.

The fire occurred shortly after 9 o'clock in the evening, at a time when nearly all the people in town were in attendance at the political meeting at the courthouse. Mrs. Stowe had just put her children to bed and was preparing to retire when the lamp exploded. She hastily carried her children out of the house and ran to the Chinese laundry on Jefferson street, where the alarm was turned in. Both hose companies responded promptly and in a few minutes had two strong streams of water playing on the burning building. The firemen did effective work, but the fire had gained such a start before their arrival that it was impossible to save the upper story of the building. The peculiar construction of the roof and the numerous partition walls in the house made the fighting of the fire exceedingly difficult, and fully 30 minutes of hard work were required to bring the flames under control. The large barn and outbuildings escaped uninjured.

The house was one of the oldest in Dallas, having been built nearly 50 years ago. The property originally belonged to Hiram Ogden, and the construction work was done by William Fraker, a pioneer resident, now living in Pendleton. The house was owned by J. F. Groves for many years, and was thoroughly repaired and improved by him a short time before it passed into the hands of its last owners.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendation to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Stafrin Drug Co.

The first half bottle relieved me and four bottles have cured me of this terrible disease.
