Patronize Home Merchants.

The following poem has been printed as original in at least 47 newspapers in Oregon, the name of the town being changed in each particular instance to give it a local application. It has been going the rounds for the last 10 or 15 years, and bids fair to last as many years more.

There was a man in Dallas, And he was wondrous wise; He marked a silver dollar And gave it all to 'Lize. She went to see the grocer, And blew the dollar in; It wasn't long before it came Right back to him again.

He took it to the merchant, And bought a dress for Jane; Before the week was finished up, Back came that plunk again.

He spent that coin in Dallas Full fifty times or more, But always got it back again And spent it o'er and o'er; But when he sent that dollar up To Roe & Sawback's store, 'Twas gone for good—forever— And he never saw it more.

Deadly Serpent Bites

Electric Bitters cure chills and fever, malaria, biliousness, lame back, kidney troubles and bladder disorders. Sold on guarantee by Belt & Cherrington, druggist. Price 50c.

Unknown Friends.

There are many people who have heard Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Stafirin Drug Co.

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not cause loose stools or griping and is mild and pleasant to take. Belt & Cherrington.

How to Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thick, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two.
