Try a little Kodol for Dyspepsia after your meals. See the effect it will produce on your general feeling by digesting your food and helping your stomach to get itself into shape. Many stomachs are overworked to the point where they refuse to go further. A sweet breath adds to the joys of a kiss. You wouldn't want to kiss your wife, mother or sweetheart with a bad breath. You can't have a sweet breath without a healthy stomach. You can't have a healthy stomach without perfect digestion. There is only one remedy that digests what you eat and makes the breath as sweet as a rose—and that remedy is Kodol for Dyspepsia. It is a relief for sour stomach, palpitation of the heart, and other ailments arising from disorder of the stomach and digestion. Take a little Kodol after your meals and see what it will do for you. Chamberlain's Cough Remedy
Cures Colds, Croup and Whooping Cough.

Saved His Comrade's Life.

"While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition," says J. E. Houghland, of Eldon, Iowa. "I gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy and believe saved his life. I have been engaged for ten years in immigration work and conducted many parties to the south and west. I always carry this remedy and have used it successfully on many occasions." Sold by Stafrin Drug Co.

Makes the Liver Lively.

Orino Laxative Fruit Syrup gives permanent relief in cases of habitual constipation as it stimulates the liver and restores the natural action of the bowels without irritating these organs like pills or ordinary cathartics. Does not nauseate or gripe and is mild and pleasant to take. Remember the name Orino and refuse substitutes. Belt & Cherrington.

Artesian water will do wonders in southern Oregon.

Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St., Davenport, Iowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one fifty cent bottle entirely cured me of asthma which had been growing on me for twelve years. If I had taken it at the start I would have been saved years of suffering." Belt & Cherrington.

Will Interest Many.

Every person should know that good health is impossible if the kidneys are deranged. Foley's Kidney Cure will cure kidney and bladder disease in every form, and will build up and strengthen these organs so they will perform their functions properly. No danger of Bright's disease or diabetes if Foley's Kidney Cure is taken in time. Belt & Cherrington.

Everybody works in and around Sheridan, says the Sun.

Feel Impending Doom.

The feeling of impending doom in the minds of many victims of Bright's disease and diabetes has been changed to thankfulness by the benefit derived from taking Foley's Kidney Cure. It will cure incipient Bright's disease and diabetes and even in the worst cases gives comfort and relief. Slight disorders are cured in a few days. "I had diabetes in its worst form," writes Marion Lee of Dunreath, Ind. "I tried eight physicians without relief. Only three bottles of Foley's Kidney Cure made me a well man." Belt & Cherrington.

The cherry crop was large and fine, despite the freeze last March.

Modest Claims Often Carry the Most Conviction.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by Stafrin Drug Co.

Burns will be a railroad town within two years, says the Times-Herald.

A Tragic Finish.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vanceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at Belt & Cherrington's drug store. 50c and $1.00 Trial bottle free.

Ontario will soon have waterworks and then must have a fire department.

Only 82 Years Old.

"I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says E. H. Brunson, of Dublin, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by Belt & Cherrington, druggist. Price 50c.

Every Oregon town wants a railroad, or another one, and some of them will get it.

Twenty Year Battle.

"I was a loser in a twenty year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. Bowel Complaint in Children.

During the summer months children are subject to disorders of the bowels which should receive careful attention as soon as the first unnatural looseness of the bowels appears. The best medicine in use for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy as it promptly controls any unnatural looseness of the bowels. For sale by Stafrin Drug Co.

FOLEY'S KIDNEY CURE
Makes Kidneys and Bladder Right

All in Five Minutes.

DALLAS, Or., July 16—(To the Editor.)—This is what we saw an eight-year-old girl do in five minutes: The thermometer lingered around the 100-mark. The girl was asked to go to the ice plant, a block away, for ice. Siezing the opportunity for adventure, she leaped a 5-foot sidewalk; fell down in six inches of dust; got up; dusted her white dress; dropped on her knee and laced her shoe; fled to the ice house and bought her ice; asked a hundred questions; dashed out; slamming the screen door as she ran; entered a cheese factory; asked fifty more pertinent questions about the business; fled around the corner to the engine room of the ice works; took in the situation; siezed her ice and returned on time, remarking "There's lots of things over there." The writer will wager money or marbles that Dallas can't produce a boy that can cover the same ground in double the time and give as lucid an account of what he saw.
