J. S. Cooper, a prominent hop grower from Independence, was in the city today. He stated that the buyers in that neighborhood have offered as high as 12 1/2 cents per pound for this year's crop, but none care to sell at that price. He is of the opinion that the 1909 crop will be less than at first anticipated. Mr. Cooper has two yards that will probably yield 100,000 pounds.—Salem Journal.

Modest Claims Often Carry the Most Conviction.

When Maxim, the famous gun inventor, placed his gun before a court-military, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by Staffin Drug Co.

A Tragic Finish.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland.
