O. R. & N. and S. P. Book Tells About This Country.

If possible, the Passenger Department of the Oregon Railroad & Navigation Company and Southern Pacific (Lines in Oregon) has surpassed itself in the 1906 issue of its new publication, "Oregon, Washington, Idaho and their resources."

The purpose of the publication is to attract homeseekers and investors to the Pacific Northwest and this publication is undoubtedly the best messenger that could be sent by residents of Oregon, Washington and Idaho to their friends in the East and Middle West.

Beautiful half tones, printed on superb book paper, make the publication, which contains 88 pages and a map of the section, a work of art, but far superior to the typographical make-up is the contents of the book. Under many heads covering practically all the resources of the states are short, pithy stories of what has been accomplished, not what might be done, but actual facts and figures accompanied by names and addresses of well known farmers, who are daily laying aside an income that would be a fortune to an Eastern Agriculturist.

Wm. McMurray, General Passenger Agent of the O. R. & N. Co. and S. P. Lines in Oregon has favored the editor with a copy of this publication and informed him that readers of this paper by sending the names and addresses of friends in the East and four cents in postage for each address, may have the book promptly mailed to the address given.

Inspected Dallas Dryers.

R. O. Jones and Wood Bros., of the new fruit dryer, made a trip to Dallas, Wednesday, to inspect the fruit dryers in that town. Some extensive improvements are likely to be made in the Amity dryer, which is now in course of construction.—Amity Enterprise.

A piece of a Corvallis plum tree limb four feet long contained 150 well-developed peach plums.

Junction City will have a $3,000 ice plant, that will supply home consumption and some outside points.

A walnut farm of 40 acres near Dayton promises to be a paying investment. The trees are set 40 feet apart, with berries between.

Call For Bids.

The County Court of Polk County, Oregon, asks for bids to be opened at 10 o'clock a. m on Saturday, August 18, 1906, for the construction of two 60-foot span bridges; one known as the Molson bridge, and one over the slough north of Ballston. Bidders required to deposit certified check for 5 per cent of bid. Plans and specifications to be found at the office of the County Clerk. The right is reserved to reject any or all bids.

E. M. SMITH,
County Clerk.

Dated at Dallas, Oregon, this 3rd day of August, 1906.

C. S. GRAVES,

Hay Destroyed by Fire.

Fire destroyed about sixty tons of hay on the farm of R. A. Campbell near Ballston last Wednesday. A spark from the engine used to run the baler set fire to the hay, and a strong breeze which was blowing at the time made it impossible to control the flames. The hay was the property of Campbell & Newbill.—Amity Enterprise.

Legal blanks at this office.

Don't drag along with a dull, bilious, heavy feeling. You need a pill. Use DeWitt's Little Early Risers, the famous little pills. Do not sicken or gripe, but results are sure. Sold by all druggists.

Sumpter is becoming prosperous again.

A word of truth in a few words: "Nearly all other cough cures are constipating, especially those containing opiates. Kennedy's Laxative Honey and Tar moves the bowels. Contains no opiates." You can get it at all druggists.

A field of barley near Weston yielded 90½ bushels an acre.

Why does the sun burn? Why does a mosquito sting? Why do we feel unhappy in the Good Old Summer Time? Answer: we don't. We use DeWitt's Witch Hazel Salve, and these little ills don't bother us, Learn to look for the name on the box to get the genuine. Sold by all druggists.

A 140-acre field near Athena yielded 54 bushels of wheat per acre.

Prof. Tyler, of Amherst college, said recently: "A man can live comfortably without brains; no man ever existed without a digestive system. The dyspeptic has neither faith, hope nor charity." Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overeating. A corrective like Kodol for Dyspepsia. It digests what you eat. Sold by all druggists.

A Eugene man sold $948 worth of cherries from two acres of trees.

In a few years lots of English walnuts will be raised in the Willamette valley.

Another Good Man Gone Wrong.

He neglected to take Foley's Kidney Cure at the first signs of kidney trouble, hoping it would wear away, and he was soon a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. R. Bass of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys, and was cured by Foley's Kidney Cure. Belt & Cherrington.

A lemon tree near Canyonville has a lemon measuring 11½ inches in circumference.

Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases and no family should be without it. For sale by Stafrin Drug Co.

Almost 100 well-developed pears on branch three feet long grown near Central Point.

How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Belt & Cherrington.

In some orchards in Grant county some trees are loaded with fruit, while others are barren.

There is nothing so pleasant as that bright, cheerful, at-peace-with-the-world feeling when you sit down to your breakfast. There is nothing so conducive to good work and good results. The healthy man with a healthy mind and body is a better fellow, a better workman, a better citizen than the man or woman who is handicapped by some disability, however slight. A slight disorder of the stomach will derange your body, your thoughts and your disposition. Get away from the morbidness and the blues. Keep your stomach in tune and both your brain and body will respond. Little indiscretions of overeating can be easily corrected and you will be surprised to see how much better man you are. Try a little Kodol For Dyspepsia after your meals. Sold by all druggists.

A Grant county man chased on horseback a large deer and successfully lassoed him.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedo, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. G. L. Caldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." 50c. Sold by Stafrin Drug Co.

Business of Dayton creamery is increasing.

Galveston's Sea Wall

makes life now as safe in that city as on the higher uplands. E. W. Gocolloe, who resides on Dutton St., in Waco, Tex., needs no sea wall for safety. He writes: "I have used Dr. King's New Discovery for Consumption the past five years and it keeps me well and safe. Before that time I had a cough which for years had been growing worse. Now it's gone." Cures chronic Coughs, La-Grippe, Croup, Whooping Cough and prevents pneumonia. Pleasant to take. Every bottle guaranted at Belt & Cherrington's drug store. Price 50c and $1.00. Cured Hay Fever and Summer Cold.

A. J. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Belt & Cherrington.

Given Up to Die.

B. Spiegal, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foleys Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Belt & Cherrington.

Hay offered at $2.50 a ton in parts of Yamhill county.

A Mystery Solved.

"How to keep off periodic attacks of biliousness and habitual constipation was a mystery that Dr. King's New Life Pills solved for me," writes John N. Pleasant, of Magnolia, Ind. The only pills that are guaranteed to give perfect satisfaction to everybody or money refunded. Only 25c at Belt & Cherrington's drug store.

Wheat is running from 35 to 45 bushels an acre around Weston.

Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, El Reno, O. T., writes, June 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c and $1.00. Sold by Stafrin Drug Co.

The End of the World

of troubles that robbed E. H. Wolfe, of Bear Grove, Ia., of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago Kidney trouble caused me great suffering, which I would never have survived had I not taken Electric Bitters. They also cured me of General Debility." Sure cure for all Stomach, Liver and Kidney complaints, Blood diseases, Headache, Dizziness and Weakness or bodily decline. Price 50c. Guaranteed by Belt & Cherrington's drug store.

Allen David, chief of the Klamath Indians since 1869, is dead, aged 82.

Stomach Troubles and Constipation.

No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for many years, but, thanks to Chamberlain's Stomach and Liver Tablets, am almost cured?" Why not get a package of these tablets and get well and stay well? Price 25 cents. Samples free. For sale by Stafrin Drug Co.

Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check any disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, Pastor of the first M. E. Church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children.
