BANK AT FALLS CITY

New Institution Will Be Opened For Business About Feb. ruary 1.

The latest addition to our town's substantial business institutions is the Bank of Falls City, which will begin operations not later than February 1st. The building is being finished and as soon as the furniture is installed the bank will be open for business. The equipment is modern and first-class in every respect, the furniture being the neatest that may be found in Polk county. The safe is an absolutely burglar-proof Victor manganese, with an automatic timelock, and has no superior on the market. The price paid for the safe was \$1500.

R. E. Williams, who has been in the banking business in Dallas for fifteen years and is now president of the Dallas National Bank, will be the president, and Walter Williams, present book-keeper in the same bank, will be the cashier .- Falls City News.
