The way to build up Dallas is to patronize Dallas people.

BENTON HAS KICK

If Benton county people had a realization of what the new apportionment of senators actually means they would be up in arms. Its effect is to practically wipe Benton off the map so far as representation in the state senate is concerned. Benton is joined to Polk, and Benton is much the smaller county. The selection of senator is under the primary law, and voters will very likely stick to their own county man in preference to a candidate for senator in another county. Benton's show for a senator under those conditions will be very slim.

It is the worst deal Benton ever got at the hands of a legislature. We used to have a senator, a joint senator and three representatives. We have dwindled and dwindled through the gerrymandering process at Salem until practically all we have left, after Senator Johnson's present term, will be one lone representative. What a commanding position for an old and respectable county to occupy.—Corvallis Times.

No tax rebates will be allowed after Friday, March 15, and the rush of taxpayers who are desirous of saving the 3 per cent reduction will be heavy from now on. Taxes will become delinquent on the first Monday in April, but by paying one-half of your tax before that date you will be given until the first Monday in October to pay the remaining one-half without interest or costs. It would be a difficult matter to frame a more effective tax law than the one now in force in Oregon, and it is lucky for the state that this meritorious law was not tinkered with by the recent Legislature.

The people's Legislature deprived the people of Polk county of one-half of their rightful representation in the Senate. Pretty tough medicine, but this people's Legislature said we must take it.

Old Polk is one of the few counties in Oregon that will have to pay its share of that four-million-dollar appropriation bill and get absolutely nothing in return.

CITY ELECTION BOARD

Council Met Last Night and Appointed Judges and Clerks.

The City Council met last night and appointed the following judges and clerks for the annual city election to be held on Monday, April 1:

First ward—W. H. Boals, F. H. Morrison, E. Cadwell, judges; W. P. Miller, Sam Kennedy, clerks.

Second ward—G. L. Hawkins, W. H. Peobles, S. W. Blessing, judges; William Tatom, Bert Guy, clerks.

Third ward—Joseph Black, H. L. Order, A. B. Muir, judges; R. L. Chapman, G. O. Holman, clerks.

The polling places will be selected by the City Marshal and will be announced later.

The hearing of all proposed street improvements was closed and the Attorney was instructed to draw an ordinance covering the same.

A. F. Bitner was ordered to move his barn out of the street in German town.

The matter of the proposed Oak Street sewer came up for consideration and was postponed until the next meeting.

DALLAS DEFEATS NEWBERG

Champions of Oregon Win Easy Victory from Pacific College Team.

Team	WON	LOST	PER CENTAGE
Dallas College	9	1	900
Willamette	7	3	700
Multnomah	6	4	600
Portland Y. M. C. A.	6	4	600
Newberg College	4	6	400
Monmouth S. N. S.	2	8	200
Salem Y. M. C. A.	2	9	182

The Dallas College basketball champions added another victory to their long list at Newberg last Friday evening by defeating the Pacific College team by a score of 24 to 10. The game was interesting, although one-sided, and was witnessed by a large crowd of people. Lloyd Launer, one of Dallas' men, sustained a severe ankle bruise during the game, but no serious results are feared and he will probably be in the game for the remainder of the season.

Other games played this week resulted as follows: Willamette 22, Multnomah 10; Monmouth 15, Portland Y. M. C. A., 13. The next league game in Dallas will be with the Multnomah team on Saturday evening, March 16.

RAILROAD TO WILLAMINA

Yamhill Capitalists May Build From Sheridan to Grand Ronde Country.

A railroad from Sheridan to Willamina is likely to be built by private capital. The Palmer Lumber Company and the Edwards Pressed Brick Company and many citizens of Yamhill county are back of the scheme.

On account of the fine timber near Willamina and the white and blue clay, it is thought the railroad would pay from the first. One of the finest granite quarries in the country is on Willamina River near the town. The prospective builders are not blind to the fact that this road is pointing to the Grand Ronde Gap, which leads to Tillamook. This gap is said to be by far the lowest in the Coast Range Mountains. Over this route people going to the coast go in rigs pulled by a single horse.

This road, if built, will tap the Grand Ronde Valley, which is rich in agricultural products and is surrounded by enough timber to keep large mills running for half a century. It is said this road can be built at comparatively small expense, as there is little grading to be done, the country being as smooth as a floor. One small bridge only will have to be constructed.

As the Indians in the Grand Ronde Valley are now getting deeds to their land in severalty and may sell without restriction, it is expected that there will be a rapid transfer of property and a corresponding development of this rich valley.

BAD ROW AT INDEPENDENCE

Prominent Hop Man Uses Revolver in Quarrel With Marshal Taylor and His Son Asa.

E. M. Young, a prominent hop dealer of Independence, shot Asa Taylor and his father, City Marshal Robert Taylor, Saturday evening about 5:30 o'clock, wounding both, though not seriously. The trouble arose over the impounding of Young's dog. Young and Asa Taylor met on the street and an altercation ensued, with the result that Taylor is said to have attacked Young with his fists. Young thereupon drew a revolver from his pocket and fired once at his assailant, the bullet striking Taylor in the shoulder.

At this juncture, City Marshal Robert Taylor, father of the wounded man, rushed up. Young turned his weapon upon the elder Taylor, and fired two shots. The bullets struck the Marshal in the arm and shoulder, inflicting painful though not serious wounds.

Young was later arrested by the Constable, and furnished the required bonds for his appearance, and was allowed his liberty.

The principals are well known residents of Independence. E. M. Young is a prominent dealer in hops, while Asa Taylor is the proprietor of a livery stable. Robert Taylor is City Marshal of Independence. The affair has caused a sensation on account of the prominence of the principals.

A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherry-bark, Blood-pur, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery" in subduing chronic, or lingering coughs, bronchial, throat and lung affections, for all of which these agents are recommended by standard medical authorities.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherry-bark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will, however, relieve chronic coughs, bronchitis, and chronic sore throat with hoarseness. In acute coughs it is not so effective. It is in the lingering hang-on coughs, or those of long standing, even when accompanied by bleeding from the lungs, that it has performed its most marvelous cures.

Prof. Finley Lillingwood, M. D., of Bennett Med. College, Chicago, says of glycerine:

"In dyspepsia it serves an excellent purpose. Holding a food quantity of the peroxide of hydrogen in solution, it is one of the best manufactured products of the present time in its action upon encrusted, disordered stomachs, especially if there is ulceration or catarrhal gastritis (catarrhal inflammation of stomach). It is a most efficient preparation. Glycerine will relieve many cases of typhoid (fever) and excessive gastric (stomach) acidity."

"Golden Medical Discovery" enriches and purifies the blood curing blotches, pimples, eruptions, scrofulous swellings and old sores, or ulcers.

Send to Dr. R. V. Pierce, of Buffalo, N. Y., for free booklet telling all about the native medicinal roots composing this wonderful medicine. 1 cent a copy enclosed in it.

FOLEY'S HONEY AND TAR Cures Golden Prevents Pneumonia

Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength. An unequalled list of cures—40,366 testimonials in two years—proves its merit.

Sarsaparilla—For those who prefer medicine in tablet form, Hood's Sarsaparilla is now put up in chocolate tablets called Sarsatabs, as well as in the usual liquid form. Sarsatabs have identically the same curative properties as the liquid form, besides accuracy of dose, convenience, economy—there being no loss by evaporation, breakage, or leakage. Sold by druggists or sent by mail. C. I. Hood Co., Lowell, Mass.
