Many City Candidates.
The city political pot is simmering lively today and promises to reach the boiling point before next Monday. It is reported that all of the present city officers will ask for re-election, but that nearly all of them will find lively opposition. J. M. Lynn has filed his petition for the office of Councilman from the Second Ward and C. E. Shaw is prominently mentioned as a candidate. A petition for the nomination of A. B. Muir for Mayor to succeed Ed Biddle was filed this afternoon. The petition of D. P. Stouffer for Auditor was also filed. There appears to be no division of sentiment on the rock-crusher proposition.

Rink Opens Tonight.
The Colosseum skating rink will be formally opened to the public tonight. The big hardwood floor is in excellent condition for skating and nearly 400 pairs of ball-bearing skates have been provided for the use of the large crowd which is sure to be in attendance. Music will be furnished by Stockwell's band and will add greatly to the enjoyment of the evening.

The attendance promises to be even larger than that of Saturday night, when the first dancing party was given in the new rink. This party was the largest given in Dallas for many years, about 100 couples being present. Go to the rink tonight and see the fun.

HOME FROM CALIFORNIA

Mr. and Mrs. E. C. Kirkpatrick Return From Seven Weeks' Visit in Los Angeles.

Mr. and Mrs. E. C. Kirkpatrick arrived home last night from a seven weeks' visit at the home of Mr. Kirkpatrick's parents, Dr. and Mrs. J. E. Kirkpatrick, in Los Angeles. Mr. Kirkpatrick says his father and mother are in good health and are enjoying life in the lively Southern California metropolis. A few years ago their home was a long distance from the business center, but it is now almost in the heart of the city, so rapidly has the population increased. James, Clifford and Homer Kirkpatrick are still in the electrical supply business and are enjoying an increasing trade each year. Their brother-in-law, Simeon Dock, who married Miss Nina Kirkpatrick, is a confirmed invalid from the effects of stomach trouble and no hope is entertained of his ultimate recovery.

Mr. and Mrs. Kirkpatrick visited the Noel family at their pleasant home in Alhambra, a suburb of Los Angeles and found them anxious to hear from all their former friends in Dallas and to be kindly remembered to their old neighbors and acquaintances in this city.

Miss Ruth VanOrsdel Gives "China Shower" in Honor of Miss Mabel Guy.

One of the most delightful parties of the year was the "China Shower" given by Miss Ruth VanOrsdel, at the home of her parents, Mr. and Mrs. J. G. Misses Olive Smith and Vera Cosper favored the guests with piano solos, Miss Barbara Belt sang, and Mrs. D. J. Becker gave a reading. Dainty refreshments were served by the young hostess. To do the family washing at home. When you figure up the cost of water, soap, starch, extra fire and time, and most of all the mess and trouble that it makes, and compare it with our price of 6 cents a pound, washed, starched and dried and 25 cents a dozen for flat pieces, you will see that you can't afford to wash at home. ENTERTAIN THE VICTORS

Pleasant Party Given for Basketball Team at Home of Judge and Mrs. Collins.

On last Saturday evening, the first and second basketball teams of Dallas College, accompanied by their young lady friends, gathered at the home of Judge and Mrs. J. L. Collins for a social evening given in their honor by Dean and Ednelle Collins. The home was decorated for the occasion in "Old Glory," college pennants and festoons of the college colors. The young people found a hearty welcome awaiting them, and music and games made the hours pass quickly.

One of the most interesting features of the evening was a basketball game played by throwing for goals in a miniature basket. Walter Ballantyne, for throwing the greatest number of goals, was allowed to carry home the basket and ball as a trophy of his skill.

At 10 o'clock the guests gathered in the dining room for a game with the refreshments, in which the score was wholly in favor of the guests. The crowning feature of the feast was a retired basketball cover, which occupied the center of the table, filled to overflowing with nuts. After the first course had been removed, the old ball was tossed about the table and a merry time was spent in cracking nuts and jokes. The evening closed with college songs and the guests departed happily, followed by the good wishes of their entertainers.

Those present were Judge and Mrs. J. L. Collins, Miss Ednelle Collins, Misses Winnie Kelly, Allie Grant, Alta Savage, Ella Roy, Allie Fuller, Frankie Hayter, Georgia Martin, Edna Hall; Messrs. Dean Collins, Lloyd and Verne Launer, Edward Shaw, Tracy Savery, Edgar Craven, Carl Fenton, Lloyd Rice, Walter and Lew Ballentyne, Harry Barrendrick and Walter Critchlow.

Electricity for Lighting
Is only expensive to people who are wasteful and careless. To you, who are naturally careful, it does not come high.
It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed to save bother of lighting and adjusting. In some homes the electric light bills amount to only one or two dollars per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation—ruins your eyesight—smokes your walls—mars decorations and increases household work. You could probably save a dollar tomorrow by going without your meals but it wouldn't be economy. It is not so much what you save, but how you save that counts.
