DALLAS, OREGON, APRIL 16, 1907

The way to build up Dallas is to patronize Dallas people.

Another merchants' mutual insurance company has been organized in Oregon—at Eugene. Similar companies at Dayton, Forest Grove and Portland are getting ready to do business. The McMinnville company, which carries only residence property, has nearly $30,000,000 insurance in force—more than is carried by any one old-line company in Oregon—and is promptly paying every loss. This company carries its policy-holders at about one-half the rates of the old-line companies. The merchants believe that, by careful management, they can do the same. The people of Oregon are sick and tired of the high-handed extortion of the old-line companies, and, having failed to receive relief at the hands of the Legislature, are getting ready to solve the insurance problem by taking the business into their own hands.

The Falls City News has been enlarged to a seven-column paper, and presents a neat and prosperous appearance. Editor Starr is giving the people of Falls City what they have long desired—a bright, up-to-date newspaper—and it is pleasing to note that the business men are showing their appreciation by liberal advertising patronage. The News will prove an invaluable aid in building up Polk county's enterprising lumber town and the people are to be congratulated that their paper has fallen into such competent hands.

The members of the Linn county grange yesterday expressed great satisfaction that their action in opposing the university appropriation had been upheld by the members of Pomona District grange, in the meeting held in Harding, Clackamas county, last Wednesday. Every day many letters are received from all parts of the state supporting the grange in its move to refer the University of Oregon $125,000 appropriation to a vote of the people.—Albany Herald.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. Jno. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive *free* booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.
